Sir,

Ref: Your letter No.47736-1-G3. dated the 23rd June 1947
calling for a report regarding the net profit or loss
earned or sustained by the University by the sale of
S.S.L.C. text-books for the year 1944, 45, and 46.

I have the honour, by direction of the Syndicate, to forward
herewith a statement showing the amounts realised by the University on
account of the sale of S.S.L.C. text-books during the years 1944, 45,
and 46.

2. In this connection I am to invite the attention of the Govern-
ment to the Compensation paid to the University by Government for
taking over the S.S.L.C. This was fixed at Rs.24,000/- in 1911-12
when the number of candidates appearing was 7290. It was revised and
fixed at Rs.30,000/- (in 1921) when the number was 11,631. There has
been a great increase in the number of candidates in recent years
and the number this year was 27,783. The Syndicate has accordingly
directed me to request Government to increase the compensation paid to
the University.
