Education is being given up to the VIII standard in the Junior Certified Schools and VI Standard in the Senior Certified School, Chingleput. Under this limit, the class to which certified school boys seek admission in the Education Department, depends upon the standard in which they were studying in the certified school at the time of their discharge.

Pupils or ex-pupils of the certified schools cannot be graded with other government scholarship holders as the former are wards of the State and as such, the Government have a greater responsibility towards them than to the latter.

REF: Government Memorandum No.69865-B1/47-3 Education dated 12.11.1947 and 69865-B1/47-5 Edn.d/24.12.47.

No preferential treatment is given in the matter of admission to schools in the case of Government scholarship holders in the ordinary schools under the control of the Education department. In his letter No.80-C1/47 dated 25.11.47 the Chief Inspector of Certified Schools, Madras states that students from certified schools cannot be graded with other Government scholarship holders as the former are wards of the state and that the state has greater responsibility of education them. As most of the pupils in the certified schools are juvenile offenders there will be some difficulty in getting them admitted in other schools even though they are brought up under strict discipline and training. From the report of the Chief Inspector of Certified schools it may be observed that some

difficulty has been experienced in this regard. In view of the above, I am of opinion that preferential treatment may be given to them in the matter of admissions.

Sub : SCHOOLS - Certified - Pupils holdings scholarships - Admission into aided and Government educational institutions. Orders passed -

Ref : G.O. No. 432, Edn. dated 4-3-1948.

The above G.O. provides for the admission of the pupils and ex-pupils of Certified Schools, only in Secondary Schools and Aided Schools. There are some ex-pupils ready for College Education, some for Nurses and Mid-wives' training and some for admission in technical schools. My intention is that these pupils should be admitted in all Government and Government aided educational and vocational institutions.

I, therefore, request that the expression "Secondary Schools" in the penultimate line in both the paragraphs of the G.O. may be modified by the expression "Educational and Vocational training institutions".

C.No. 6447-B1/48.

SCHOOLS - Certified - Pupils holding scholarships -

Admission into aided and Government educational institutions.

From the Chief Inspector of Certified Schools, No.80/31/47

dated the 9th April 1948.

In G.O.No.432 Education, dated the 4th March 1948, the Government directed that the scholars of the Certified Schools Department should be given preference in the matter of admission in all secondary schools under the management of Government, Local Bodies and private agencies. The Chief Inspector of Certified Schools now reports that there are some ex-pupils of Certified Schools ready for college education, some for Nurses' and Midwives' Training and some for admission into technical schools. He therefore requests that the words 'Secondary Schools' in paras 1 and 2 of the G.O. may be substituted by the words 'Educational and Vocational Training Institutions'.

2. The admission of the pupils in question into colleges is one for consideration in 'A' or 'G3' section, for Nurses' and Midwives' Training in Medical Section and in technical schools in the Development Dept. The Heads of Departments concerned will, it seems, have to be consulted in the matter before orders are issued. In the circumstances, it does not seem necessary to amend G.O.No.432 Edn. dated 4-3-48. ^{The question of admission of pupils of certified schools in the medical section may be considered} letter in the c.f. together with a copy of the note and the G.O. may be given to 'A' and 'H2' Sections and a copy of the same may be sent to Development Department (in regard to the technical schools) for necessary action
