2. I agree to the proposal *for Muslim women* that higher rates of fees
may be collected in the College from the academic year
1948-49.

3. In this connection I may also propose to Government
that the question of revising the rates of fees collected
in the Government Muslim College for Men, Madras may be
considered. Whatever might have been the reason for fixing
such a low rate, there is no need to continue this now.
After all the poor Muslim student need pay only half the
usual rate and there is no need to grant any concession to
the well-to-do boys. As such I recommend that the rates of
fees for Government Muslim College for Men may be the same
as for the other Government Colleges for Men.

The file relates to the question
of levy of tuition fees in the Govt. Muslim^{Muslim} college, Madras
and the Govt. college for Muslim Women, Madras.

2. The D.P.I. agrees that the
rates of tuition fees applicable to the Queen Mary's College
Madras, may also be made applicable to the Govt. -
College for Muslim Women. Incidentally it may be
noted that the rates applicable to the Q.M.C.,
are also applicable to all other colleges except
the Presidency, Govt. Muslim and the Anantapur
Colleges. It will therefore be sufficient if orders
are passed making applicable the rates of tuition fees
specified under the heading "other Govt. colleges in
the appendix G.O. No. Ms. 2230 Edu. d. 17-10-47 to the
Govt. college for Muslim Women also, with effect
from 1948-49.

A/2

Nonpl. of rates of special fees which are now being levied
in the Govt. College for Muslim Women may be
nonpl. approved. This may be complied with.

iii) The Director also requests that
the action of the Principal in having collected tuition
fees as at K. onpl. c.f. during 1947-48 may be
ratified. This too may be complied with.

3. The Director has, in this
connection, pointed out that the rates of tuition
fees fixed for the Govt. Muslim college, Madras
and the Govt. Anantapur College are concessional
and lower than those for other Govt. colleges.
The Director observes that there is no need to
maintain such a differentiation and
recommends that the rates of tuition fees
applicable to other Govt. colleges may be made
applicable to the Govt. Muslim college also. In
the circumstances, the rates of tuition fees specified
under the heading "other Govt. colleges" in G.O. No.
Ms. 2230 Edu. dated 17-10-47 may be made
applicable to both the Govt. Muslim College,
Madras and the Govt. Anantapur College, with
effect from 1948-49, though the D.P.I. has not included the Anantapur College.
