Travelling Allowance - Non-official members serving on Government Committees - Rates of Railway fare, Daily Allowance and mileage.

C. No. 295 A/47.

Station: Madras.

Dated 6th August 1947.

From

(Name) SRI D. S. REDDI, M.A., (OXON) M.B.E.,
(Designation) Commissioner for Government Examinations,
Madras.

To

The Secretary to Government of Madras,
(Education & Public Health) Department,
Fort St. George.

Sir,

I have the honour to submit that the rates of Travelling allowance, etc., to non-official members of the Boards for the conduct of the Public Examinations and other advisory committees is governed by Rule 5 of Part III of Volume I of the Madras Manual of Special Pay and Allowances.

1. Indian members from mufassal who draw fixed pay were allowed such rates of travelling allowance as are admissible under the rules to Government servants drawing similar pay. However, on the representation of some non-official members of the S.S.L.C. Board, the Daily Allowance admissible to them was fixed at a flat rate of Rs. 4/- in G.O. No. Ms 1658 Education, dated 25th October 1941. This rate of Rs. 4/- was increased by 50 per cent on account of the war emergency with reference to Government Telephonic Message dated 8th November 1943 (copy enclosed). Government in their memorandum No. 96 Education, dated 23rd December 1946 directed that the non-official members of the newly constituted Board of Secondary Education should be allowed one second class fare for journey by railway plus one third class fare, if a servant is taken and mileage at 6 annas per mile.

2. The Daily Allowance payable to the members will be regulated in accordance with the orders contained in G.O. No. 1608 Education, dated 19th August 1946.

3. In Government Memorandum No. 5 Education, dated 16th February 1947 Government were pleased to classify the Board of Secondary Education as a Second class Committee for purpose of Travelling Allowance and with reference to orders contained in G.O. No. Ms 120 Finance, dated 4th March 1944 the rates of travelling allowance for second class committees are as follows:-

Railway fare	(second class fare for journey by rail plus third class fare if a servant is taken - vide 'a' above)	
Daily Allowance	Rs. 4-8.	As long as the temporary increases sanctioned for Government servants in G.O. No. 266 Finance, dated 20th December 1943 are in force.
Mileage	Annas 6.	

4. In this connection, I am to state that the T.S.L.C. Board and the Sanskrit Entrance Examination Board have requested me that the non-official members of the Board be allowed second class Railway fare and Daily Allowance at Rs. 4/- per day as is allowed to the members of the S.S.L.C. Board.

5. With a view to have common rate for all the Examination Boards under my control and Sub-committees attached to these Boards, I recommend the following for the approval of Government.

Railway fare Single II class fare and a third class fare if a servant is

These are the rates
now applicable to Bd #
Madras - vide 'a' above.

is taken.

Daily Allowance at Rs. 4-8-0

Mileage at 0-6-0

This rate will be in force as long as temporary increase sanctioned for Government servants in G.O. No. 266 Finance, dated 20th December 1943 are in force.

Under normal conditions the rates will be reduced as follows:-

Daily Allowance Rs. 3-0-0

Mileage 0-4-0.

Since the members are allowed only single fare by rail, I would suggest that they may be allowed to draw an 'additional allowance' equal to Daily Allowance admissible, for every 200 miles or part of 200 miles.

7. No additional allowance is admissible when the distance travelled is 200 miles or less or for the first 200 miles when it is over 200 miles.

8. The rates of travelling allowance for examiners and Assistant Examiners under my control will as usual be governed by rule 4 of Part III of Volume I of the Madras Manual of Special Pay and Allowances.

9. I request that orders of Government approving my proposals may be obtained and communicated to me.

I have the honour to be,
Sir,
Your most obedient servant,

Please refer to your PP. 1-2 d. 7. office letter d. No. 295 A/47, dated 6-8-47, on the subject mentioned above, and report to Govt. at an early date, the additional cost involved by in the proposal. Give a furnish an estimate of the extra cost to Govt. on account of the financial implications of the proposal, indicating the rates of T.A. etc. and please justify the proposal in greater details with special reference to the point question how the other examination Boards and sub-committees are comparable to the S.S.L.C. (12) The travelling allowance payable to non-official members of the
Examination Boards other than the S.S.L.C. Board is governed by Rule 5 of
Part III of Volume I of the Madras Manual of Special Pay and Allowances -
vide paragraph 1 of this office letter C.No.295-A/47 dated 6th August 1947.
No extra cost will be caused to the Government on account of the proposal
in view of the fact that the extra cost, if any, on account of the grant
of travelling allowance at higher rates viz., second class &c. to those
who are eligible only for third class &c. will be compensated by the grant
of single railway fare to persons in the higher grade who are at present
allowed 1 $\frac{1}{2}$ railway fare with reference to the rule quoted above. Members
of the other examination Boards and committees do work similar to that
done by the members of the Board of Secondary Education. Hence the
existing disparity in travelling allowance, etc. may be removed.

The ~~etc~~ T.A. etc, now payable to the non-official members of the Exams Bds and Committees, under other than the S.S.L.C Bd (Bd of Secondary Edn) is governed by Rule 5 of Part III of Volume I of the Madras Manual of Special Pay and Allowances. With a view to have a common rate to all the Exams Bds and Committees under his control, the C.G.E. has ~~prop~~ originally proposed that the rates of T.A. etc may be revised as at in 'x' on pp. 1-2 C.F. in respect (vide para 6 of his letter on pp. 1-2 C.F.) in respect of all the Exams Bds and Committees (including the Bd of Sec Edn).

Subsequently, the C.G.E. has proposed that all the Exams Bds (including the Bd of Sec Edn) and other Committees under his control may be ~~declared~~ declared as IInd class Committees for the purpose of allowing the non-official members serving on them, the rates of T.A. etc

Sanctioned in G.O. No. 520 Fin 10-7-47. In

on and after 10-7-47 and that Committees
constituted prior to that date and in respect of
which special rates for T.A. have been laid
down, may continue to be governed by such
special rates so long as they function. The Bd of
Sec Edn is constituted by the Govt and the
other Exam Bds and Committees referred to by
the C.G.E. are constituted by the C.G.E. (himself)
on behalf of the Govt. But as all these
Exam Bds and Committees ^{have been} ~~constituted~~ ^{and as the S.S.L.C. Board (Secondary Bd of Edn) has been classified as}

prior to circulation.

"A" above: The S.S.L.C. Board is constituted
by the Government. The Board is classified as Second

Class Committee for purposes of travelling allowance.

G.O. No. 520 Finance dated 10-7-1947 lays down that in
supersession of the previous orders, the travelling
allowance for non-legislature members of the Government
Committee, should be regulated as laid down in the order.

It therefore seems that the travelling allowance admissible
for non-official ^{of the S.S.L.C. Board} ~~other than~~ ^{other than} ~~legislature members~~
that non-legislature members ~~other than~~ ^{other than} ~~legislature members~~
should be regulated by G.O. No. 520 Fin. dated 10th July 1947.

Finance (CSR.)

The grant of T.A. to non-official members of the
boards for the conduct of the Public Examinations and other
advisory committees, ^{attached to such boards} is governed by rule 5 of Part III of
Vol. I of the Madras Manual of Special Pay & Allowances
according to which Europeans from the mufassal are allowed
1 1/2 first class railway fares, daily allowance at Rs 4 and
mileage at As. 6 and Indians from the mufassal who draw
fixed pay are allowed such rates of T.A. as are admissible
under the rules to Govt. servants drawing similar pay. An
exception was, however, made in the case of the S.S.L.C.
Board. The latter was classified as a II class committee
and following rates of T.A. sanctioned in G.O. 120 Fin.
dated 4-3-44 were allowed to the non-official members in
the Board:-

Railway fare ..	Single II class fare plus a III class fare if a servant is taken.
Daily Allowance ..	Rs 4-8-0
Mileage ..	As. 6

The above rates have been superseded in G.O. 520 Fin. dated
10-7-47 and this department may agree with the view of Exr
E.P.H. at 'A' ~~on~~ ^{above} that non-official members of
the S.S.L.C. Board are now eligible for the following rates

of T.A.:-

Railway fare ... 1½ II class
Daily allowance ... Rs 6-0-0
Mileage ... As.6

The Commissioner for Govt. Examinations has stated that as members of the examination boards and committees do work similar to that done by the members of the Board of Secondary Education, the existing ^{disparity} ~~discrepancy~~ in regard to T.A. may be removed. He has proposed that all examination boards and committees (including the S.S.L.C. Board) under his control may be declared as II class committees and allowed T.A. sanctioned in G.O. 520 Fin. dated 10-7-47 -- vide the rates at 'M' above. E & P.H. propose to allow the rates originally suggested by the ~~committee~~ ^{Commissioner} in paras 6 and 7 on pp. 1-2 CF.

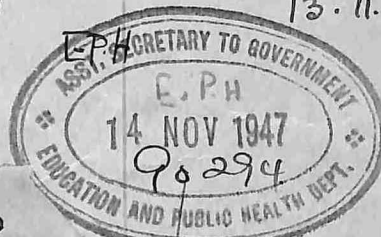

2. E & P.H. may be requested to put up the papers in which the S.S.L.C. Board was classified as a II class committee and examine whether similar circumstances exist in the case of other boards and committees. Attention is in this connection invited to "A" on pp. 10-11 ~~of~~ of G.O. 1658 Edn. dated 25-10-41 where a differentiation was drawn between the S.S.L.C. Board and the other boards and committees.
