Rc.No.5359 BL/47 dated 6-11-1947.

Sub: Elementary Education - Tinnevely District - Opening
of a new Board School for Marava Children at
Kalvai (Srivaikuntam Tk).

In their order No. Ms.626 Egn., dated 24-4-1945, Government have sanctioned the opening of sixteen elementary schools in the Tinnevely District - ten of these to be opened and maintained by the District Board and the other six by the mission bodies. Accordingly, all the ten schools have been opened by the District Board. As regards schools by mission bodies, six centres were selected in consultation with the Collector of the District and in five of them such schools have been duly opened. The sixth centre is Kalvai in the Srivaikuntam Taluk. No mission management is willing to open a school in that locality; but the District Board, Tinnevely is willing to open one in that centre, in Resolution No.154 dated 30-5-1947. In these circumstances, I request that the proposal to open a Board School at Kalvai may kindly be approved.

The Government of Madras
Department of Education
Madras

Reference is made to the letter of the Government of Madras dated 17.11.47, in which it is stated that the Government of Madras has agreed to meet 1/2 of the cost of maintenance of the schools opened by the District Board, Tinnevely, for Maravar children.

The Government of Madras has agreed to meet 1/2 of the cost of maintenance of the schools opened by the District Board, Tinnevely, for Maravar children.

Sub:- Ele. Edn.- Dt. Bd., Tinnevely - Opening of a Board school for Marava children at Kalvai, Srivaikuntam Taluk - Sanctioned.

Read:- From the D.P.I., No.5359-B1/47 dated 6-11-47 and No.1957-B1/47 dated 27-1-48.

Order Ms. No. 448 Edn. dated 6-3-48.

The Govt. sanction the opening of an Elementary school for Marava children at Kalvai, Srivaikuntam Taluk, Tinnevely Dt., by the Dt. Board, Tinnevely.

2. Non-recurring expenditure:

(1) Equipment.- The Govt. will be prepared to sanction a non-recurring subsidy not exceeding Rs.250 (Rupees two hundred and fifty only) towards the purchase of equipment for the school to be opened.

(2). Recurring expenditure including midday meals:- The Dt. Board, will also be granted a recurring annual subsidy, calculated in accordance with the details given in the annexure, towards the maintenance of the school.

In the assumption that about 50 Maravar pupils enrolled in the school will be so poor as to require midday meals, the cost on account of midday meals has been ~~at~~ estimated at Rs.1,203/- (Rupees one thousand, two hundred and three only) a year at the rate of Re. 0-1-9 per meal. The Dt. Board will be granted a subsidy on this basis for supplying midday meals, the actual payment being limited to the number of pupils fed.

(3). The Spl. Officer, Dt. Board, is requested to arrange to open the school as quickly as possible and to make a report to Govt. through the D.P.I. The Director should make recommendations for placing the recurring subsidy at the disposal of the Board in monthly instalments. The non-recurring subsidy will be disbursed after the expenditure has been incurred: The Spl. Officer should make the application for the subsidy through the D.P.I. with the necessary vouchers and certificates after the equipment ^{is} supplied to the school.

(4) The Spl. Officer, Dt. Board, may consider the desirability of supplying books and slates free of cost to poor pupils of the Maravar community who attend ~~Board~~^{the} elementary schools and of debiting the expenditure to the E.E. Fund as advised in para 2(5) of G.O. No. 626, Education, dated 24-4-45.

3. Scholarships for Maravar pupils:- Sanction is also accorded to the grant of scholarships to Maravar pupils at the rate of Re.1^{a mark} for each boy and Rs.1-8-0 a month for each girl, as laid down in para 4(1) of the G.O. 626, Education, dated 24-4-45.

Subj:- Ele. Education - District Board, Tinnevely - Opening of a Board School for Marava Children at Kalvai (Srivaikuntam Taluk).

Ref:- Letter from the D.P.I., No.5359 B1/47 dated 6-11-47.
-do- No.1957 B1/47 dated 27-1-48.

In G.O. 626, Education, dated 24-4-45, the Govt. ~~have~~ sanctioned a special ~~xxx~~ scheme for the education of Maravars in Tinnevely Dt. Under the orders in that G.O. 10 schools ~~xxx~~ were to be opened by the Dt. Board and 6 schools under private management. The D.P.I. reports that all the 10 schools have been opened by the Dt. Board ~~and~~ ^{but the} schools ~~opened~~ ^{opened} under private management are ^{opened} only at 5 centres. He has ~~xxx~~ suggested that the Dt. Board, Tinnevely, may be permitted to open ~~the~~ a school at the 6th centre.

The Govt. ~~have~~ agreed to sanction a subsidy to the Dt. Board and grants to private managements towards the ~~main~~ maintenance of these schools. The subsidy payable to the Dt. Board is equal to half of the expenditure incurred. The Director has ~~a~~ estimated the cost of opening the school at ~~the~~ the 6th centre at Rs. 836/-. Had a private management ~~xxx~~ volunteered to open a school in the centre in question, it would have been eligible for a grant of Rs.1,284/-, as detailed below:-

Salaries of teachers. (2 x 37 $\frac{1}{2}$ x 12)	..	..	Rs. 900
Dearness Allowance. (2 x 16 x 12)	..	"	384
Total.			Rs.1284.

Thus by permitting the Dt. Board to open a school as proposed by the D.P.I., there will be a saving ~~xxxx~~ ^{to Govt. Fund} of Rs.448/-.

In the circumstances, the proposal of the Director may be accepted.

3. The Director has estimated the cost of midday meals, scholarships, etc., at Rs.2794/-. This expenditure may have to be incurred from Provincial Funds even though ~~the~~ ^{if} the school ~~has been~~ ^{has been} ~~opened under private management~~ ^{opened under private management}. The subsidy payable for the supply of books and slates may be disallowed in view of the orders in sub-para(5) of para 2 of G.O. No.626, Edn.
