Honoured Sir,

The humble memorial of Sri K. Venkataraman

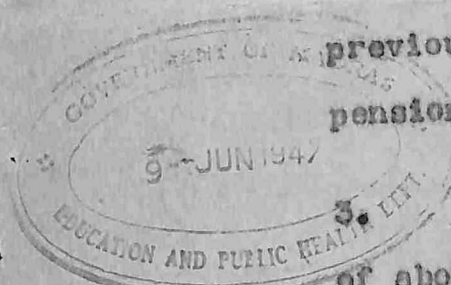

H.A.L.T., Retired Junior Deputy Inspector of Schools.

2. The humble memorialist had to retire after a service of 28 years under Government and 5 more years previously in Municipal and private high schools on a pension of Rs.18-11-0 only.

3. In calculating the above pension a period of about 3 years 5 months has not been taken into consideration although the posts have been vacant directly or the permanent incumbents of those posts have officiated in posts which were then temporary and were later declared permanent with retrospective effect - the posts in the Government Training School Srivilliputhur once temporary later made permanent and later abolished. The reason for my not being allowed to count the periods for pension is said to be that they were not intended to count for pension at the time., I was posted to those places. The periods of which service are detailed in the appeal I made to the Director of Public Instruction (copy submitted Herewith). They are:

1.	24-3-24 to 3-6-25	Service	1 year 2 months & 16 days.
2.	12-7-25 to 4-4-26	"	0 year 8 M. 24 days
3.	5-4-26 to 17-10-26	"	0 " 6 " 13 "
4.	27-2-28 to 5-1-29	"	0 " 11 " 2 "
Total			3 years 4 months & 25 days.

4. Thus Therefore the period not included for pension amounts to 3 years 4 months and 25 days. Of this a period of 8 months and 18 days have been ^{la} later allowed to count but it has been stated that the pension does not increase because of the same as it is less than one year.

48197

3-4-25
8-18
2-8-27

5. I humbly pray that the above period of 3 years 4 months and 25 days may kindly be allowed to count for my pension as the ~~minimum~~ reason for denying me the same is only a technical one - that it was not intended that I should count the period for pension - and that the pension which a B.A., L.T., (Second Class) gets after a service of 27 years in the Education Field (of which 22 years under Government) may kindly be raised from the pittance of Rs.18-11-0 by a few more rupees.

I thus pray you
Humble Memorialist
K. Venkataraman

Most Honoured Sir,

I most respectfully beg to submit that I entered service in the Educational Department under Government of Madras on 20-7-23 and I have put in a continuous service off from 24-3-24 right upto the date of my retirement on 29-7-45. I was confirmed as Secondary Grade Assistant in the Training School Ramnad on 6-1-29. During the period 1924 to 1929, I have officiated either in substantive vacancies or in vacancies which fulfill the conditions laid down in Art. 370 and 371 C.S.R as stated below and as such the entire period of 4 years and 9 months 12 days prior to 6-1-29 will count for pension. But unfortunately a period of 1 year 5 months and 8 days only has been held to count for pension and the remaining period of about 3 years and 4 months has been treated as nonqualifying for pension.

2. Particulars showing the periods of acting service.

3. Of the above periods only items 2 and 6 (exclusive of joining time have been taken to qualify for pension and the rest of the periods not counted. In respect of items 1, 4, 5 and 7, I respectfully beg to submit that I have officiated in the Government Training School Ramnad in the places of permanent incumbents who were doing duties in the temporary training school at Srivilliputhur which was subsequently made permanent and the permanent incumbents should have counted their services at Srivilliputhur during the above period for their pension and as such my services at Ramnad in their vacancies will also similarly count for pension. As regards item 3, the post of a clerk in the Deputy Inspector's Office at Kamuti was permanently vacant and I officiated in the same vacancy at Kamuthi from 12-6-25 to 11-7-25 and subsequently was acting in the same chain of arrangements at Ramnad and as such this period also will count also count for pension under Art 370 and 371 C.S.R. and G.O. of 1934.

4. The order sanctioning my pension was received from the Accountant General in December 1945 and the first pension was drawn in January 1946.

5. I, therefore, pray that your Honour may be graciously pleased to call for the relevant papers from the District Educational Officer Ramnad and pass orders counting the above periods also for pension and sanction the increased pension at an early date.

I have the honour to be,

The officiating service referred to viz 13-7-25 to 31-3-26 was not originally reckoned as service qualifying for pension in the memorandum of service attached to the pension application. Now the Dt. Edl Officer Ramnad, says that the above period counts for pension. This only increased the qualifying service from 18-0-4 to 18-8-22 but does not affect the pension already sanctioned. This was already reported in this office R.C. No. 272/46 d/10-7-46.

Honoured Sir,

Re: Appeal for enhancement of Pension.

I have to honour to submit the following for your Honour's kind consideration.

2. I retired from my post at Tiruthuraipundi on 29-7-45. Prior to my retirement I had applied to the District Educational Officer Ramnad, and to the Divisional Inspector of Schools, Madura praying that an order may be passed stating that certain periods of Officiating services prior to the date of my confirmation may also count for pension. A reply was received by me after my retirement, from the Divisional Inspector of Schools Madura stating the matter has been referred to the Accountant General, Madras. The Order sanctioning the pension was got in December 1945, and my first pension was drawn in January 1946. On receiving my pension I found that a greater portion - about three years - of my officiating services has not been counted for pension. I therefore, made an appeal to the Divisional Inspector of Schools, Madura, (copy enclosed) praying that certain periods which have not been counted for pension may also be counted. After much correspondence and after submitting two further copies of my appeal one in June 46 and another in October 46, I got a reply in December 46 from the District Educational Officer, Tanjore (copy submitted) stating that a further period of 8 months count for pension and that the pension already sanctioned is not altered thereby.

3. I hereby submit to your honour that the other periods of my officiating services may be allowed to count towards my pension. These periods comprise of the periods I have officiated as an assistant at the Training Schools, Ramnad and Srivilliputhur. They have been considered as acting periods as the Training School at Srivilliputhur was then a temporary

one and as the permanent hands at Ramand were acting at Srivilliputhur. I have officiated at Ramnad and at Srivilliputhur and I have been the senior officiating teacher in the District. As the training school at Srivilliputhur was later made permanent with retrospective effect, I pray that I may be made eligible to count the periods mentioned in my appeal also towards my pension. In praying for this, I am asking only what the rules permit in fairness and justice to me. As it is, at present, I respectfully submit that a B.A.L.T., after twentyone years of service under Government and previously a further period of five years in Municipal and Private Secondary schools has to retire on a pension of only Rs.18-11-0.

4. I again pray that the case of an honest officer may be sympathetically viewed and that I may be allowed to pass the rest of my days in peace.

Mylapore
3rd January 1947.

In resubmitting herewith the petition dated 4-6-47
from Sri K. Venkataraman I have the honour to state as
follows:--

2. Sri K. Venkataraman was sanctioned a pension of
Rs.18-11-0 p.m. on the basis of 18 complete years of
service - vide Memo. from the Accountant-General, Madras
No.Pen. v.48-587-2299, dated 13-11-1945. 1 year, 5 months
and 11 days only of his officiating service was declared
as counting for pension. However on further scrutiny it
was found that a further period of 8 months and 18 days
was found as counting for pension. This increased his
qualifying service from 18 yrs. and 4 days to 18 yrs,
8 months and 22 days. This did not alter his pension.

3. A statement showing the periods of officiating
service with reasons for disallowing certain periods is
enclosed. File Dis.No.931/45 of office of the Divisional
Inspector, Madras containing the pension papers is sent
herewith for reference and return.

4. The request of the petitioner is not admissible.
However, if the deficiency in qualifying service of
3 months and 8 days is condoned by the Director now with
reference to Art. 423 (2) C.S.R., the pension can be
increased from Rs.18-11-0 p.m. to Rs.19-12-0 p.m. on the
basis of 19 complete years of qualifying service. On
receipt of orders from Government this deficiency will be
condoned and necessary action taken to suitably revise the
rate of pension.

Pension - Sri K Venkataraman, Retired Junior Dy Inspector of Schools. Request for enhanced pension.

Please see the petition from Sri K. Venkataraman Retired Junior Dy Inspector of Schools on pp 1-2 CF Requesting that he may be granted enhanced pension and the remarks of the D.P.S on p 13 CF.

2 On the day of his retirement, the petitioner had put in a total service of 21 years 8 months and 29 days of which he had a permanent service of 16 years 6 months and 23 days and officiating service of 5 years 2 months and 6 days. Out of this officiating service a period of 2 years 1 month and 29 days was declared as counting for pension and he was granted a pension of Rs 18-11-0 for a qualifying service of 18 years 8 months and 22 days. Thus out of his total officiating service of 5 years 2 months and 6 days, a period of 3 years and 7 months was not taken into account in calculating his pension on the basis of the permanent incumbents in whose places he was then acting were not transferred from the Govt Training School Ramnad where he was working.

The D.P.S now suggests that out of this non-qualifying service, if a period of 3 months and 8 days is treated as qualifying for pension, the petitioner will be eligible for an enhanced pension of Rs 19/12/- (as against Rs 18-11-0 which he is now getting) on the basis of 19 complete years of qualifying service. This is possible only by condoning it under article 423 of the C.S.R. The D.P.S can condone a deficiency upto 3 months. As it exceeds 3 months and 8 days the Govt will have to condone it. For orders whether a deficiency of 3 months and 8 days in the qualifying service of the petitioner may be condoned so as to make him eligible for an enhanced pension.

The note of E.P.H. on pp 1-2 above may be perused. The petitioner has rendered service as follows:

	y.	m.	d.
Permanent service	16	6	23
Officiating service	5	2	6
	21	8	29

Of this officiating service a period of 2 years 1 month and 29 days qualifies for pension under C.S.R. Hence for a service of 18 years 8 months and 22 days he was granted a pension of Rs 18-11-0 p.m. Thus the service not qualifying for pension in this case is 3 years and 7 months 14 days. The case satisfies the conditions followed in condoning deficiencies in qualifying service - memo no 37173 Pen 2 dated 6.10.39. Finance may therefore agree with E.P.H. that the deficiency of 3 months and 8 days may be condoned so as to make the qualifying service 19 years. E.P.H. may be requested to circulate the case to H.M.
