In Go. no 1753 Education dated 11.9.46, the Govt directed that in addition to the teaching grant, a special grant equal to half the difference between the maximum amount of dearness allowance admissible at Govt rates and the amount of allowance actually paid by the managements to the staff in aided educational institutions (other than elementary)

2

in 1945-6 be paid to those managements which did not pay at Govt rates subject to the condition that the managements should disburse to the staff the amount of allowance due out of the special grant. The arrangement was continued for 1946-7 also. As all the managements of aided educational institutions are not paying dearness allowance at Govt rates even in the current year, the Govt direct that the system be continued for 1947-8 also. The grant for that year will be paid in 1948-9 on the post payment system.

2 The D.P.D. is requested to address the Govt in October 1948 if it is necessary to extend the system for 1948-9 also.
