Office of the Accountant General, Madras,
Fort St. George, dated 7th October, 1946,
No. G.A. IV. Edn. 845.

To
The Secretary to the Government of Madras,
Education and Public Health Department,
Madras.

Subject: Madras Educational Service-Lt.Col. M.A.Hamid M.B.E.,-Reversion from military-Leave salary admissible.

--

Lt. Col. M.A. Hamid, M.B.E., A.I.R.O., permanent Divisional Inspector of Schools, Guntur on reversion from military duty, was granted in G.O. Ms.1518 Education dated 5-8-1946, leave on average pay for 8 months and on half average pay for 1 year and 8 months from 1-7-1946.

D/5

Leave salary contribution for the period of his military duty has been paid by the defence department on the basis of pay drawn in that department. In view of this fact and on the anology of F.R. 117 (b) it appears that the leave salary for the period of leave may be allowed on the pay drawn by him in the military department.

pp. 3-4 infra

But it is seen from letter No. D.3139-R-I/45 dated 12-4-46 from the Government of India, Finance Department to the Secretary to the Government of Punjab, Finance Department (copy enclosed) that the leave salary of an officer belong to the Army in India, reserve of officers, who takes leave on reversion to Civil appointment, should be based on the pay, which he would have

p.t.o.

received, if he had not been deputed to the Army service and not on the "rank pay" actually drawn during that period.

It is requested that orders of Government regarding the rate of leave salary admissible to this officer may please be issued at an early date in consultation with the Government of India, if necessary.

The Field Controller of Military Accounts, Poona has since reported that the Lt. Col. Hamid has been paid advance leave salary for the period of release leave to end of 30-7-46 at the rates shown in the margin.

Subject:- Rate of leave salary admissible to an officer of the 'Army in India Reserve of Officers" who takes leave on reversion to the Civil Appointment.

.....

I am directed to invite a reference to the Government of India, Finance Department's letter No.F.2.(1)R.I.39, dated the 11th March 1939 according to which the leave salary of an Officer belonging to the "India Army Reserve of Officers", who takes leave on reversion to the Civil appointment, is to be based on the pay which he would have received if he had not been deputed to Army Service and not on the "rank pay" actually drawn during that period. A question has now been raised whether these orders apply to officers of the "Army in India Reserve of Officers."

2. From Army Instruction No.898 dated the 24th October 1922, it will be seen that on the formation of an "Army in India Reserve of officers" the old organisation known as the "India Reserve of Officers

P.T.O.

the old organisation known as the "India Army Reserve of Officers" virtually ceased to exist. At present there does not seem to be any officer belonging to the latter organisation. The intention of the Government of India's letter referred to above, therefore, appears to be that those orders equally to officers of the "Army in India Reserve of Officers". This may kindly be confirmed and if necessary the orders may be amended to make the intention clear.

It has been decided that the leave salary of Govt servants which include military officers in Civil employ called to military duty during the present emergency shall be governed by the Civil rules applicable to them before transfr to military service.

To implement this decision, it will be necessary for the Civil authority or Civil Accts officer (AG) in the case of Gazetted offices to send to the CMA concerned a copy of the leave acctt of the individual completed up to the date of his transfer or if in any case no such acctt is maintained, a certificate

I am to request that action be taken accordingly in the case of civil servants who have proceeded or may proceed in future to military employment during the present emergency

Sir,

Lt.Col.M.A. Hamid, M.B.E., A.I.R.O., of Madras Edn. Dept.-- Leave salary admissible on reversion from military.

--

D/5

Lt.Col. M.A. Hamid, M.B.E., Permanent Divl. Inspr. of Schools of the Madras Education Department and an officer belonging to the Army in India Reserve of Officers, was granted, on reversion from military duty, leave for 28 months from 1-7-'46. The A.G. Madras, has reported that as leave salary contribution for the period of the Lt. Col.'s mily. duty has been paid by the Defence Department ~~on the~~ basis of pay drawn by him in that department and on the analogy of F.R.117(b), it appears that he may be allowed salary for the period of leave on the pay drawn by him in the military department. He, however invites attention to the Government of India, Finance Department letter addressed to the Govt. of Punjab, Fin. Department, No.D.3139-RI/45, dated 12-4-46, accg. to which the leave salary of an officer belong~~ging~~ to the A.I.R.O who takes leave on reversion to Civil appt. should be based on the pay which he would have recd. if he had not been deputed to the Army Service, and not on the "rank pay" actually drawn during that period.

pp.3-4 C.F.

2. Lt. Col. Hamid has, in this connection, represented that the rate of leave salary on release from Army service should be the average of the emoluments during the 12 months preceding release and has quoted as authority for that contention certain papers:-

p.7 C.F.

H.E. "M" and item 2 on p 7 C.F.

Such of the papers mentioned above as

P.T.C

are available here do not ~~through~~ throw sufficient light on the point raised by the A.G. and I am therefore directed to request that the G. of I. will be so good as to give a ruling in the matter.

3. I may add that the A.G. has also reported that information has been received from the Field Controller of Mily. Accounts, Poona, to the effect that Lt. Col. Hamid was paid advance leave salary for the period of release leave to end of 30-7-1946 at the following rates:--

Pay of rank	Rs 1,225
Indian Army Allce.	200
L.A.	150
M.A.	75
War Service increment	138
	1,788

4. I am also to invite a refce., ~~to this Govt.'s lr~~ in this connection, to my letter addressed to the G. of I., Dept. of Health, No. 40877-4-D1-P.H., d/- 13.11.46, on ~~the somewhat analogous~~ a similar case of a few medl. officers of this Govt.

Sir,

5575

I have the honour to invite a reference to the correspondence ending with Government memo. cited above regarding the rate of leave salary admissible to Lt. Col. M.A. Hamid for the period of leave sanctioned in G.O. No. MS. 1518 Edn. dated 5-8-1946. Lt. Col. Hamid was discharged from the Military department with effect from 26-4-46 and was paid by the Field Controller of Military Accounts release and overseas leave salary for 96 days, from 26-4-46 to 30-7-46 at the rate of Rs. 1,788/- p.m. The officer did not however enjoy this leave but after availing joining time from 26-4-46 to 7-5-46 was employed as an additional member of the Federal Public Service Commission from 8-5-46 to 30-6-46. For this period the Accountant General, Central Revenues paid him joining time pay at Rs. 2,208/- p.m. and duty pay at Rs. 3,500/- p.m. From 1-7-46 the officer is enjoying the leave sanctioned by the Madras Government.

2. The Field Controller of Military Accounts, Poona has requested that as Mr. Hamid was actually on duty in the Civil department from 26-4-46 to 30-6-46 and had received pay for the period, the release and overseas leave salary already paid to him may be ~~recorded~~ recovered. He has however agreed that there is no objection to treat the officer as on release and overseas leave from 1-7-46 to 4-10-46 and to allow him leave salary at the military rate of Rs. 1,788/- p.m. With reference to A.I. (I) 653/46, the period of leave sanctioned by Government may therefore be treated as commencing from 5-10-1946, the limit under F.R. 81 (b) (2) being applied with effect from 1-7-46. If Government agree necessary adjustment of rlease and overseas leave salary already paid by the Field Controller of Military Accounts for 96 days will be made against the amount of leave salary due from 1-7-46 and necessary authorization for the period of leave from 5-10-46 will be issued at the provisional rate of Rs. 800/- which Mr. Hamid was drawing at the time of his transfer to the Military department. As the leave salary for the period 1-7-46 to 4-10-46 has already been paid by the Field Controller of Military Accounts, no fresh debits on account of leave salary for the above period will be raised against the Field Controller of Military Accounts, Poona.

3. With reference to the last sentence of the Government Memo. dated 23-12-46, it may be stated that if the officer had continued in the Civil Department, he would have reached the maximum of Rs. 1000/- in the scale of Rs. 600-100/2-1000 as Divisional Inspector of Schools on 1-9-45. If Government agree the rate of leave salary will be provisionally increased to Rs. 1000/- pending receipt of orders of Government of India regarding the correct rate of leave salary admissible to the officer from 5-10-1946.

To

All Heads of Departments (Central and Provincial).

Subject: Civil Government Servants deputed for military duty during the ~~World~~ War - Grant of Release Leave - Procedure.

Sir,

I have the honour to forward for information and guidance a copy of Army Instruction (India) 653/46 on the subject mentioned above.

In accordance with the decision in paragraph 2 thereof the leave salary in respect of release leave which might have been borne by the Civil Department should be debited to the Defence Department. Necessary arrangements may kindly be made to examine cases, if any, in respect of non-gazetted Government servants under your control.

2. Under paragraph 1(d) of the Army Instruction, if the full amount of "release leave and overseas leave" has not been availed of by an individual, the unexpired portion of such leave should be treated as "deferred leave" and this leave may be availed of at a later date. As this leave will be merged in the civil leave account, a proforma account of the "deferred leave" should be maintained till such leave is wiped off. The leave salary in respect of such leave when availed of, should be debited to the Defence Department.

3. It may be noted that the release leave is not admissible in combination with leave preparatory to retirement.

4. The receipt of the circular may kindly be acknowledged.

I have the honour to be,

"GRANT OF RELEASE LEAVE TO SUBSTANTIVE CIVIL GOVERNMENT SERVANTS EMPLOYED WITH THE ARMY IN A MILITARY CAPACITY."
(Approved by the Secretary of State).

1. Substantive Civil Government Servants (including civilians of Defence Services and personnel of Burma Railways employed with Railway Transportation Units) employed with the Indian Army in Military capacity who have been or are released from the army in class 'A' on or after 8th May 1945, may be granted 56 days release leave and overseas service leave under Release Regs.I.A. subject to the following conditions:-

(a) Individuals who have earned more leave under civil rules during their military service than they have taken during such service and have thus a credit balance in their civil leave account will be debited with the amount of release leave and overseas service leave taken. Where however the credit balance is less than the amount of 56 days release leave plus overseas service leave the difference will be made up to the extent of such amount of leave in their civil leave account.

(b) Where individuals by taking more leave during their military service than what they have earned in respect of such service have a debit balance in respect of civil leave earned during military employ, the credit in their leave account will be made up to the amount of that leave which they had to their credit on the day they have joined for military duty plus release leave and overseas service leave.

(c) The release leave and overseas service leave referred to in clauses (a) and (b) above, will normally be granted from the individual's military appointment, unless his services are required by the parent Civil Department before the expiry of such leave, in which case he will receive release leave and overseas service leave as in (d) below.

(d) In the case of individuals who are unable to avail themselves of the full amount of release leave and overseas service leave referred to in caluses (a) and (b) above before joining their civil appointments, the unexpired portion of such leave will be treated as "deferred leave" and availed of at a later date and debited to their civil leave account.

(e) On the first or any subsequent occasion on which an individual proceeds on privilege ~~is~~ or equivalent leave after his refersion to civil employ, he may be granted during such leave, for the period of "deferred leave" referred to in (d) preceding, the emoluments to which he would have been entitled as a military officer or other rank during his release and overseas service leave if these are more favourable than his civil leave emoluments.

(f) In the case of individuals who have already been released from the army on or after 8th May 1945 and have been unable to avail themselves of release and overseas service leave, such leave will be treated as "deferred leave" for the purpose of (d) and (e) above.

(g) The release leave and overseas service leave referred to above will not be admissible in combination with leave pending retirement, which may be granted to an individual under civil rules on his reversion to civil employ.

2. The expenditure on account of the grant of release leave and overseas service leave under paragraph 1 above will be debited

to the Defence Service Estimates.

3. The provisions of this Instruction will apply to Non-Gazetted personnel of the P.&.T.Department, Survey of India and all personnel of Railway Department and officers of the A.I.R.O who are substantive civil government servants, who have been or are released from the Army in class A on or after 8th May 1945. But they will also apply to Gazetted Officers of the P.&.T.Department similarly released except that orders will issue separately as to whether the Release Leave and Overseas Service leave should be debited to their civil leave account or not.

Sir,

Ref:-- G.O.517 Education dated 15th March '47.
Subject:-- Adjustment to my civilian leave account of release leave granted by the Army before release from Army Service.

41599

.....

1. Before release from the Army in India, under class B release, I was granted a certain amount of release leave.

2. There are 3 classes of release: (a) Class A, (b) Class B, (c) Class C. Class A is for those whose appointments cease and they are no longer required. Class B is for those who are required by a Government or business firm for immediate work of national importance and Class C for those who seek it on compassionate grounds e.g. looking after motherless children etc.

3. My release was class B release for the specific purpose of being employed as a Temporary Member of the Federal Public Service Commission for selecting war service candidates to the All India Services.

4. Each class of release carries certain privileges regarding leave. For instance a Class B release is entitled to 21 days release leave (for preparation for new employment) and a certain number of days of overseas service leave depending on the length of overseas service at the rate of one day for each month served out of India. Please See Release Regs Ind Army 1945.

5. As I had spent 40 months overseas during this war I was entitled to 40 days overseas leave by way of a cash grant.

6. In all I was granted 21 days plus 40 days.

7. But through another provision of rule I was actually granted and availed of 35 days extra leave.

pp. 30-31 ante

8. Under the provisions of Army Instructions (India) 653/46 Class A release leave is debitable to a Government Servant's Civil leave account but class B release leave of 21 days and the overseas service cash grant are not.

9. What this amounts to in this case is that the 35 days leave is debitable to my leave account but the 21 days and 40 days are not.

10. The orders of the Army are that Class A release leave is debitable to an officer's civilian leave account but it does not mean that it is to be deducted from any leave which the civil Government grants to an officer under the Fundamental Rules.

11.

34

11. I request that orders be passed debiting the 35 days leave to my civilian leave account and not to the leave on average pay granted to me under the Fundamental Rules.

With reference to the Government endorsement cited above, I have the honour to state that on a representation from the officer ~~to~~ the Field Controller of Military Accounts (O & C.H.) Poona, was addressed regarding the class of release which Lt. Col. Hamid was granted and he has replied in his letter dated the 10th April 1947 (copy enclosed for information) that the officer's release from the army was under class "A" only. Under the provisions of Army Instructions 653/46, release leave is required to be treated as equivalent to privilege leave or leave on average pay and debited to the leave account. There are no orders that release leave should not be taken into account for the purpose of maximum leave on average pay that can be taken at a time under F.R.81 (b) when it is combined with leave on average pay under civil leave rules. The officer has been informed accordingly in this office letter No.G.4.Edn. 264, dated the 13th June, 1947. The orders in

Sir,

With reference to the correspondence resting with this Ministry's (then Department) letter No.D-492-Est.IV/47 dated the 17.2.1947 on the subject noted above, I am directed to say that for the purposes of the recovery of leave salary contributions from the Ministry of Defence in respect of civil servants belonging to the A.I.R.O. called to military duty during the last war, actual pay drawn by the officers during their Military Service (vide A.I.I.190 of 1944) should be taken into account. When they proceed on leave after reversion to the civil department, the pay on which leave salary contribution was recovered as above should reckon for calculation of average pay notwithstanding the provisions of this Ministry's (then Department) letter No.F.2(I)RI/39 dated the 11th March, 1939, if periods of military service fall within the basic period taken into account for calculation of such average pay.

There is no objn. to the suggestion in para 3 of the letter that the officer may be paid leave salary at Rs.1,000 pending receipp of the Govt. of India's reply, since that is the pay he would have recd. if he had not been deputed to the milty.
