Special.

Secretary, E. & P.H.

I have been trying to induce college students to take up to the spreading of adult literacy in villages during the holidays. The Laubach Method succeeds in making a man literate in six weeks. The boys have a holiday of nearly 3 months and they can well take to this work. I have addressed the students in the various colleges and I expect many enthusiastic volunteers to come up. The Laubach charts are necessary and the Laubach Instruction Books also will be necessary. Some expenditure in stationery may also have to be incurred. I believe the expense will come to about Re.1/- per individual.-- I mean to every individual who offers to teach. I expect that a lot of work would be done & through this voluntary agency.

I understand the D.P.I. has no discretionary funds with him which we can ask him to spend for this matter. And so, it is necessary that we should ask him to incur this expenditure.

I understand H.M.(Fin.) is not here. His consent may be taken later on. Orders may be issued that the D.P.I. may spend up to Rs.2000/- for buying charts and for such other expenditure in this connection.

These charts may be given to the volunteers who offer to work at half price, so that they may be asked to utilise the charts in those places continuously.

Orders may be issued immediately, as the classes begin on the 18th of this month. 4th. Min. + 4th. are not in Town. 1/2 the responsibility for them + so the doc may issue them.

H.M. Education.

Finance for remarks.

In the past we were giving grants ^{to} ~~to~~ for conducting night schools for adults. In view of this it is presumed that this effort need not be considered as one on 'new series'.

Students - Expenditure for.

Reference:- G. O. No. Ms. 497 Tdn., dated 12-3-48.

The Government in their order cited above permitted me to incur an expenditure not exceeding Rs.2,000/- on the purchase of Laubach Charts and Laubach Instruction Books etc., For want of sufficient time it was not possible to incur any expenditure before 31.3.48 out of that amount. Expenditure on that account has been incurred only during the current financial year and a sum of Rs.692--4--0 has been actually so far incurred. It may be necessary to incur some more expenditure in the current year for the spread of literacy with the help of college students. Hence I request you to be good enough to permit me to incur an expenditure not exceeding Rs.2,000/- out of the allotment sanctioned by the Government during the current year under 37 (r) Education - General Miscellaneous - A - General (i) Excluding Post war Reconstruction - (r) A.(i) 8 other grants - Voted - Adult Education classes and Night schools.

① The Government in their Order No.497 Edn., dated 12-3-48 have permitted the Director to incur an expenditure not exceeding Rs.2000/- on the purchase of Lambach charts and Lambach instruction books. ~~Adult~~
The ~~Director~~ Educational Officer now requests that the expenditure of Rs. 633/- incurred without the sanction either of the Director or of Government may be permitted to be incurred from the balance available from the allotment of Rs. 2000/- sanctioned in G.O. No. 497 Edn., dated 12-3-1948, on the ground that these articles will be of permanent value.

It is submitted that the action of the Adult Education Officer in incurring the expenditure without any authority and without the prior knowledge of the Director may be ratified and as a special case due to the urgency and emergencies of preparing exhibits at short notice and necessary orders issued to meet the expenditure from the allotment sanctioned in the above G.O. I request very early orders of Government in the matter.

Yours faithfully,
