Sir,

Education - Secondary schools - Mayavaram Municipality -
Fees - levy at increased rate from 1948-49 - sanction -
Requested.

Government Memorandum No. 84059 B.1.47-1 Edn. dated 24-11-47.

The Government in their memorandum cited above has accorded their sanction to collect fees in the Municipal High School at the following rates for the year 1947-48

Forms IV to VI - Rs.6--8--0 per instalment 10 instalments

Forms I to III - Rs.3--8--0 per instalment 10 instalments

and also ordered that fees may be levied at the following rates from the school year 1948-49

Forms IV to VI - Rs.6--0--0 per instalment for 10 instalments

Forms I to III - Rs.3--4--0 per instalment for 10 instalments

and accorded sanction to the levy of fees for supplementary students at the following rates with effect from the current school year 1947-48

For a single subject - Rs.4/- per instalment

For two or more subjects - Rs.7/- per instalment.

2. The matter was placed before the Council and the Council at its meeting held on 17-12-47 has resolved to request the Government to reconsider the question and accord sanction to the levy of fees at the following rates in the Municipal High Schools with effect from the school year 1948-49

Forms IV to VI - Rs.7/- per instalment - 10 instalments

Forms I to III - Rs.4/- per instalment - 10 instalments

as it is being done by the sister institution of this locality

viz. "The National High School", Mayavaram, a private school.

It was stated by members of the council at the meeting that in all the private High schools in this district, fees are levied at Rs.7/- and Rs.4/- for the upper and lower forms respectively and that there was no reason why the rates of fees in the Municipal High Schools should be kept at lower figures.

3. The two Municipal High Schools are quite full with a strength of 1082 and 697 respectively in Forms I to VI. With reduced rates of fees, there will be a great clamour for admission in the Municipal High Schools.

4. The Municipality has adopted the revised scales of pay to the Secondary Education staff from 1-1-47 and is intending to allow them also weightage of service for granting advance increments. These advance increments alone will give an additional expenditure of over Rs.3,000/- per year to the council and this is proposed to be paid from 1-1-47, as the council feels that it would be unjust and inequitable not to pay such increment to only one section of the Municipal staff (i.e. the secondary education staff) when all other categories of Municipal employees have been allowed such advance increments. Moreover, the work turned out by both the Municipal High Schools is exemplary: and it has been so continuously for a long time. The result in the last S.S.L.C. examination was 94% pass in the Municipal High School, Mayavaram, which sent up 162 pupils, and 96% pass in the Municipal High School, Koranad, which sent up 27 pupils for the examination. (The latter school which was a branch school was made an independent institution from June 1946). The staff have been pressing the council that in appreciation of the great interest they take in the work of the institutions, they should be granted at least the same benefits (if not more) granted to other categories of Municipal employees and to teachers in other High Schools. (The local private High School

has granted advance increments to its staff). With a view to grant advance increments to the teachers from 1-1-47, the Finance Committee of the council has made necessary provision in the Budget of 1948-49 and the revised estimate of 1947-48.

5. The levy of fees at the higher rates of Rs.7/- and Rs.4/- suggested by the council is necessary to enable the council to provide proper types of furniture and other equipment, of which both the High Schools stand in urgent need and which the inspecting officers have been insisting on. Further the increased rates of fees will help to reduce the deficit in the Secondary Education Budget.

6. In the above circumstances, I request that the government may be pleased to accord their sanction for the levy of school fees in the two Municipal High Schools at Rs.7/- and Rs.4/- per instalment respectively in the Upper and Lower forms (for ten instalments) from June 1948, as proposed by the Municipal council.

Resolved to request the Government to reconsider the question and permit the levy of fees for forms IV to VI at the rate of Rs.7/- per instalment for ten instalments and for forms I to III at the rate of Rs.4/- per instalment for ten instalments as it is done by the local National High School and other private High schools in the district with effect from the school year 1948-49.

ENDORSEMENT R.C. No. 476/G.2/47 dated 5th February 1948.

SUB:- Education = Secondary Schools = Mayavaram Municipality = Fees = Levy at increased rates from 1948--49:

REF:- Letter B.3. 2926/47 dated 6th January 1948 from the Commissioner, Mayavaram Municipality addressed to the Government.

SUBMITTED with reference to their Memorandum No.84059/B.1/47-1 Education, dated 24th November 1947.

2. In their Memorandum referred to above, Government approved the enhanced rates of fees noted below only for 1947--48, since they had already been introduced by the Municipality.

Forms I to III	...	Rs. 3--8--0 per instalment
Forms IV to VI	...	Rs. 6--8--0 "

They ordered that from the school year 1948--49, fees may be levied at the following rates:

Forms I to III	...	Rs. 3--4--0 per instalment
Forms IV to VI	...	Rs. 6--0--0 "

The Municipal Council, Mayavaram now request the Government that approval may be accorded to levy fees at the rates shown below from 1948--49.

Forms IV to VI	...	Rs. 7/- per instalment for 10 instalments.
Forms I to III	...	Rs. 4/- .do.

The Commissioner states that the National High School in the locality is levying fees at these rates and if the Municipal High Schools alone (there are two high schools under the Municipality) were to change fees at reduced rates, there would be much clamour for admission in these schools.

3. The rates proposed by the Municipality are rather too high and it would certainly be a great hardship for the pupils who have already been burdened with the increase in the number of instalments. Further, no other local body has so far been permitted to charge fees at these high rates and it is feared that they may also take advantage of this sanction, if granted, and forward similar proposals for sanction by Government. But the argument advanced by the Council, Mayavaram is no doubt weighty since the disparity in the rates of fees in the schools in the same locality would result in a great rush of admission in the Municipal High Schools. It is, therefore, recommended that sanction may be accorded for the proposal under reference but it may be considered as a special case. It is also submitted that similar sanction would have to be given in other cases where the local body school is not the only school in the locality, if the other school or schools in the locality are levying fees at higher rates.

levy at increased rates from 1948-49.

Sir,

G.O. No. Ms. 497, Education dated 13-3-48.

The Council which considered the above order of the Govern-
ment have decided in M.C.R. No. 17, dated 1-4-48 to request
the Government to reconsider the matter and permit the levy of
fees at least at the current year's rates for 1948-49 also.
A copy of the Council's resolution is enclosed herewith.

The Government in memorandum No. 84059.B.1.47 1.3 dated
24-11-47 has ordered the levy of fees in the ~~the~~ municipal
High schools at the rate of Rs.6-8-0 per instalment for ten
instalments in the Higher forms and at Rs.3-8-0 per instalment
for ten instalments in the lower forms in the Secondary schools
under the control of this municipality for the year 1947-48
and at Rs.6/- per instalment for ten instalments in the higher
forms and Rs.3-4-0 per instalment for ten instalments in the
lower forms ~~xxx~~ the academic year 1948-49. When framing the
Budget for the year 1948-49, credit of school fee was taken
at the rates prevailing in the current year. The rates at
which the Council had requested the Government to permit it
to levy fees from 1948-49 are still higher rates, viz. Rs.7/-
for higher forms and Rs.4/- for lower forms. (But credit
of school fees for 48-49 had not been worked out at this rate).
If the lower rates (viz. Rs.6/- and Rs.3-4-0) are adopted,
there will be a further deficit of Rs.5950/- in the municipal
secondary schools' budget, which even at current rates of fees
(viz.

p. t. o.

(vis. Rs.6-8-0 and Rs.3-8-0) works out a deficit of Rs. 8400/-.

In the circumstances, I request that the Government may be pleased to permit the levy of fees at least at the current year's rates for the year 1948-49 and subsequent years also, as per the resolution of the Council.

Note: In M.C.R. No. 437 dated 17-12-47 the Council has resolved to request the Government to reconsider the question and permit the levy of fees for forms IV and VI at the rate of Rs.7/- per instalment for ten instalments and for forms I to III at the rate of Rs.4/- for ten instalments.

In the Budget of 1948-49, Credit of fees was taken at Rs.6-8-0 each for the upper forms and Rs.3-8-0 each for the lower forms. According to the present order of Government, fees will have to be levied at Rs.6/- each for the upper forms and Rs.3-4-0 each for the lower forms. This will reduce the fee receipts for 1948-49 by Rs.5,950/-.

In Memo No 84059 Bi/47-1 d 24.11.47 sanction was accorded to the levy of fees at the following rates in the M.L. High School, Mayawaram with effect from the school year, 1948-49.

h4cf.

The M.L. Council has now resolved to levy fees at the rate of Rs 7/ per instalment in forms IV to VI & Rs 4/ in forms I to III and with effect from the school year, 1948-49 & requests the Govt. to accord sanction for the levy at these enhanced rates. The reasons adduced by the Commissioner for the levy at the enhanced rates are that the National High School in the locality is levying fees at these rates and that, if the M.L. High School alone were to charge fees at the reduced rates, there would be much clamour for admission in the school.

h2 cf.

2. Attention is invited to the remarks of the D.P.I. on the proposal, at p 5 cf. It is observed that the rates proposed by the M.L. Council are very high and that no other local body has so far been permitted to levy fees at these high rates. The Director is, however, convinced of the reasons advanced by the Commr and recommends the proposal. For orders whether the proposal of the M.L. Council, Mayawaram may, in the circumstances stated by the Commr & endorsed by the D.P.I., be sanctioned.

'T' on p.1 ante.

The levy of ten instalments of fees in the two High Schools in the Mty. has taken effect in 1947-48 only. The rates of fees in force in 1946-47 were as follows:--

Rs. 3/- for Forms I, II and III.

Rs. 5/12/- for Forms IV, V and VI.

The Council, however, suggested to increase this rate to Rs. 3-8-0 in the case of Forms I, II and III and Rs. 6-8-0 in the case of Forms IV, V and VI. The Govt. on the recommendation of the D.P.I. however considered that the levy was very high and restricted its levy and collection during the year 1947-48 in view of the fact that the Council had already given effect to these rates during 1947-48. However from the year 1948-49 the Govt. directed the increase of the fees at the rates at 'A' on p.1 ANTE. The Council has now proposed an increased rate of fees over and above what it had suggested originally in its resolution No. 144 dated 16th July 1947.

which is as follows:--
Rs. 4/- for Forms I to III.
Rs. 7/- for Forms IV to VI.

This enhanced fee is suggested solely on the ground that one of the High Schools under the private management in the locality is levying fees at these enhanced rates and that on this account there would be much clamour and rush for admission in the Municipal High Schools. This does not seem to be a sufficient reason for increasing the rate of fees "too high" and it would certainly be a great hardship for the pupils, as stated by the Director, who have already been burdened with the increase in the number of instalments. The rush for admission will be the same if a Govt. school had been in the locality. For the

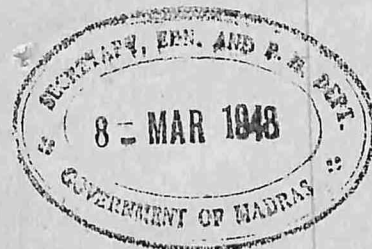

reason mentioned the Govt. would not increase the rates of fees. If there is a rush of students for admission, the municipal high schools will have an opportunity to select the best students and thus secure good results in the S.S.C. In the circumstances the proposal of the M.C. to increase the rate of fees may be negated and the orders issued in

(N)

p.t.o. -2-

(N) need not be revised.

2. May be circulated to H.M.(Edn.). For orders.

The increase may be to Rs 3-4-0 + Rs 6/-.

18A
7.3-48

The rates specified by H.M.(Edn) above are the rates already approved for levy from the next school year vide Memo no 84059 M/47-1 Edn of 24.11.47 - Presumably H.M.(Edn) is of opinion that the proposal to increase those rates should be negated.
