M.L.S.

Sub: War Service personnel - Recruitment to reserved vacancies.

2. The Government have approved of the selections made so far by the Commission of the war service candidates for recruitment to the 'reserved vacancies' in the M.L.S., excepting the selections for the posts of Lecturers in Physics and in English, orders on which will be issued in due course. The approval of the selection of those candidates who have not yet produced physical fitness certificates is subject to the condition of their being found to be physically fit. The Director is requested to send up to Government at an early date proposals for the training of the candidates selected for the D.C.Os. category with reference to rule 14 of the Special Rules for the M.L.S., and proposals as to the particular colleges to which the other persons whose selections have been approved, should be appointed.

3. The Commission has reported, inter alia, that the only candidate for the post of Lecturer in Geography subjected to examination did not obtain qualifying marks for selection. Normally, the procedure to be adopted for filling the vacancy now is to advertise it for ordinary direct recruitment but, the D.P.I. is requested to consider and report whether there would be justification ~~there~~ for relaxing rule 2(e) of the Special Rules and rule 25(b) of the General Rules in favour of Sri N.C. Arishnayya Naidu (on leave preparatory to retirement), who has officiated as Lecturer in Geography on appointment by transfer, and for confirming him in the vacancy; a similar course was recommended by the Director in respect of transferee officers in certain other subject-units, in paragraph 4 of his letter No. 22/47 dated 3-10-47.

Pachaiyappa's College,
Madras, 17th November, 1942.

T. R. Deenadayalu, M.A., L.T., was a student of this college for full five years, 1934-39, and during the last three of these years, he was attending my lectures in Economics and allied subjects. He had passed his Intermediate Examination in First Class when he came under my notice, and he was the best student in my class during his period of study under me. He scored top marks in most of my class examinations, and it was a surprise to me that he did not secure a First Class in the Final Honours examination. As it was, he got a Second Class and secured a prize for passing first among the students of the college who appeared for the Honours examination in Branch IV in that year.

Deenadayalu took a lot of interest also in the activities of the College Union and its branches. If I remember aright, he was an office bearer in the Economics section of the Union for two years running. He was a good speaker and represented the college successfully in more than one inter-collegiate debating competition.

Quite recently he was serving as an acting lecturer in my department for a few weeks and in that capacity he gave me complete satisfaction.

I can recommend him as a young man of active and regular habits who may be depended upon to do his best as a teacher to his students. He bears an excellent character.

T. R. Deenadayalu, B.A. (Hons) studied in L.T. class of this college during 1940-41. His conduct and character were good, and his manners polished. He did his work actively and intelligently, and was of great help in extra activities. He was an energetic and methodical secretary of the Teachers' Association. He took part in a play broadcast by this college. He is a good speaker and won a prize in the college debate competition. I am sure he will do well in work which requires trust and energy.

Mr. T. R. Deenadayalu, M.A., L.T., was a student of Pachaiyappa's College during the years 1934-39. He was one of the very few brilliant students that passed out of the college. He passed the Intermediate examination in Arts and Science in the first division, and got the Pentland Prize for being first in the College. A year later, he passed B.A. (Hons.) preliminary examination in English with a distinction in that subject. Two years later, he passed the B.A. (Hons) degree examination and was awarded the Viscount Goschen Prize for being first in the college. He was placed in the second division in the Honours Examination. He developed his powers of speaking, and at the Inter-university debate held at Mysore in 1939, he got the first prize for his talents. He was the Chairman of the College Economics Union during the year 1938-39. He possessed exceptional powers of industry and was earnest in his work. His character was good and his manners were pleasing.

Mr. T. R. Deenadayalu has been a member of the Y. M. C. A. for the past nine years. As a boy he was interested in the social and recreational activities of the Boys' Department, particularly in the Boys' and Girls' Hobbies Exhibition as its secretary. Later, when the exhibition was expanded into the International Boys' and Girls' Exhibition, Mr. Deenadayalu was its president.

In the senior department of the Madras Y. M. C. A., he was the secretary of the Toast Masters' Club, and a speaker of the Athenaeum (Literary and Debating Society). He is a good speaker well informed in literary, economic and political subjects. I have had occasion to notice him in his dealings with others, and I have always found him cheerful, sociable and helpful. His character is excellent.

It is with pleasure that I testify to the excellent character of T. R. Deenadayalu who took his B.A. (Hons.) degree with a high second class. He is highly intelligent and industrious. He is one of the very few students noted for oratorical talents and capacity for organization. He has distinguished himself by winning various medals and prizes.

As a rover scout, he associated himself very enthusiastically with all the activities of the rover crew. His sincerity of purpose, devotion to duty and above all his nobility of character will, I feel, sure and certain enable him to make a mark in life. I wish him success in life.

Ref:--G.O. No. 732 Fin. dated 26.7.48. (T)

Government in their order Ms. No. 514 Edn. dated 15.3.48 sanctioned three posts of District Educational Officers in the Madras Educational Service temporarily for 6 months from the date on which the candidates selected for appointment by direct recruitment commence their training. Government have also stated in the order that the candidates would be paid, during the period of training a salary of Rs. 100/- per mensem each. As the opening sentence of para 2 of the G.O. cited above makes the House rent allowance sanctioned in para 1 thereof "admissible to all Government servants on a pay of Rs. 150/- and less" I request to be informed whether the House Rent allowance sanctioned in the G.O. under reference applied only to non-gazetted Government servants or can also be drawn by the District Educational Officers in question during the period of their training.

Yours faithfully,
