In regard to the scale of pay of existing pandits in High schools under local bodies, it has been ordered in the Appendix to G.O.No.975 Edn., dated 10-5-47 that such of them as do not possess the required qualifications will be placed on the scale of Rs.60-4-100 if they are now on the scale of Rs.45-2/2-75. Form VI was opened in certain High Schools in June 1947 i.e. just about the time when G.O. No.975 Edn. was received by local bodies. I presume that the senior pandit or the only pandit in such High schools, who handed the major number of periods of work in High school forms in 1946-47 but was in receipt of pay in the scale of Rs.30-2/2-50 on the ground that the schools were incomplete High schools in that year, may be given the scale of Rs.60-4-100 from the date of opening of Form VI in June 1947 in such High schools, as in the ordinary course, such pandit being the holder of an oriental title was entitled to the scales of Rs.45-2/2-75 from the date of opening of Form VI in June 1947 but for the issue of G.O.No.975,Edn., dated 10-5-47. Kindly let me know, if my presumption is correct. I consider that it will be a hardship to assign the scale of Rs.40-1-60 to this class of pandits, as it is purely an accident that G.O.No.975,Edn. was issued in May 1947 and Form VI was opened in certain High Schools in June 1947.

I request the favour of an early reply, as queries raised by certain local bodies on this question have to be replied to urgently.

The Govt approve the proposal of the DP 9
that pandits with oriental title only in incomplete high
schools who were drawing pay in the scale of Rs
30-2/2-50 even though more than half of their work
was in the high school forms in 1946-7 may be
placed in the scale of Rs 60-4-100 from the date of
opening of Form VI in such schools in June 1947.
as it will be a hardship to assign the lower scale
of Rs 40-1-60 to them. Special Officers of District

Schools - Secondary - Local bodies - Pandits with oriental titles who were working in incomplete secondary schools - Eligibility to draw the scales of pay of Rs. 60-4-100 on conversion into complete high schools from 1947-8.

From the D.P.I. T.M. No.2786-G1/47 dated 16-1-48.

Under G.O.No. 1010 Edn. dated 30-6-41, Pandits in incomplete secondary schools under local bodies were eligible only for the scale of pay of Rs. 30-2/2-50 even though they were holders of University titles in oriental learning or ~~and~~ ^{were} graduates who ~~had~~ ^{for} taken an oriental language as a subject of special study in their degree course but if they ^{were} employed in complete high schools and if half their work were in the higher forms they were eligible for the higher scale of pay of Rs. 45-2/2-75. According to G.O.No. 975 Edn. dated 10-5-47, the existing incumbents with the above qualifications should be placed on the scale of Rs. 60-4-100 if they were prior to 1-1-47 on the scale of Rs. 45-2/2-75 and on the scale of Rs. 40-1-60, if they were on the lower scale of Rs. 30-2/2-50. The D.P.I. points out such Pandits in incomplete high schools which were converted into complete high schools from the school year 1947-48 are adversely affected as they are now eligible only for the scale of pay of Rs 40-1-60 because on the date of the introduction of the ~~revised~~ ^{revised} scale of pay they were on the lower scale. They would have become eligible for the scale of Rs. 60-4-100 if the revised scale had been brought into effect some ^{time} after the reopening of the schools as they would have become eligible for Rs. 45-2/2-75 from the date of opening of the VI Form in June 1947 or had they been allowed the option to elect to come on the revised scales ^{within} a specified period from the date of introduction.

of the revised scales. The latter question is under separate consideration. Pending a decision on the general question, the D.P.I. may be informed that the class of Pandits referred to may be placed on the scale of Rs. 60-4-100 with effect from the date on which Form VI was opened in their schools. It may mentioned in this connection that the question of revising the grades and scale of pay of Pandits, and Munshis is under separate consideration and it is proposed that ~~such~~ Pandits with ^{oriental} titles & degrees in high schools with ten years service should be admitted to the L.T. scale and the rest to the existing scale of pay for grade on Rs. 60-4-100-5-130. and if the scheme materializes the Pandits will become eligible for a higher scale than Rs 40-1-60.
