I have the honour to invite the attention of Government to my letter referred to above in which it was recommended that the forms in appendices 2 and 4 to the rules framed under the Madras Elementary Education Act might be standardised and printed for supply to the local bodies. The Superintendent Government Press, requested me to furnish him with specimen forms and they were accordingly furnished. Since the defaulter's list is also intended for use in municipal areas where compulsion is in force, the Superintendent Government Press, has suggested certain modification to columns 7 and 8 of the defaulters list so that the form may be useful both in municipal and rural areas. I agree with him ~~over~~ and suggest for the orders of Government the following alterations to the present columns 7 and 8 of the form of Defaulters list viz:

" Column.7:- Date of report to the President, District Board
Commissioner, Municipal Council.

Column8:- Issue of notice by the President, District Board."

P39c-(Y)

As a rule it is not usual to supply forms printed in this office to Educational Institutions other than those run by Government and Local Bodies.

2) I have in my letter No.1071/Sale dated 30-7-48 (copy enclosed) asked the Director of Public Instruction, Madras why aided schools should be supplied with the above form as they will be very large in number. It was also suggested to him to ask them to make their own arrangements for printing the forms locally.

3) I wish to point out in this connection that the undertaking of supply of forms to schools under private managements which will be very large in number will involve additional work and require additional staff. In the circumstances it is suggested that the managers of aided schools may be asked to make their own arrangements to print copies of the above form locally.

4) In a similar case Government have in their Memorandum No.3058-F.5. Edn. dated 11-7-45 refused the supply of forms and books to the Secretary, Tammana Malikharjuna Rao High School, Committee, Bhattiprolu on the same grounds.

I request early orders in the matter.

ASST. SECRETARY TO GOVERNMENT

EDUCATION AND PUBLIC HEALTH

Resubmitted to the Secretary to Government, Education and Public Health Department.

(A)

2. As per para 2 of G.O.No.206-Education dated 29.1.1937 the registers of record sheets, registers of defaulters and forms for admission to schools under private managements should be supplied by the local bodies in whose jurisdiction the schools are situated. Hence the question of supplying the forms of admission to schools under private managements by the Superintendent Government Press does not arise. In the case of aided schools in non compulsory areas the schools may make their own arrangements for the supply of forms they require.

(A)

3. It is requested that the attention of the local bodies may kindly be invited to the orders contained in G.O.No.206-Edn., dated 29.1.1937 and that they may be requested to supply the necessary forms to the schools under private managements in compulsory areas.

(A)

4. The orders contained in para 2 of the G.O. referred to above have not been embodied in the rules. Hence it is suggested that the following note may be added after rule 13 of the rules framed under section 44 of the Elementary Education Act 1920.

"Note - Registers of record sheets, registers of defaulters and forms of applications shall be supplied to schools in compulsory areas under private managements by the local bodies in whose jurisdiction the schools are situated".

Memorandum No. ~~[illegible]~~ 76665 B2/48-2 Edn., dated ~~15.11.48~~ 19.1.49

Sub:- Elementary Education - Forms - Application for admission to schools - Standardization and supply to aided elementary schools.

Ref:- G.O. No. 206-Edn., dated 29--1--1937.
G.O. No. 532-Edn., dated 16--3--1948.
From the Superintendent, Government Press, No.1071/Sale, dated 13--10--1948 and endorsement of the D.P.I. No.1267-B1/47, dated 22--11--1948.

It was ordered in G.O.No.206-Education, dated 29-1-1937 that local bodies should supply managements of aided schools in compulsory areas with registers of ~~record sheets~~, defaulter's lists, and forms of application for admission to schools. The form of application for admission to elementary schools has been standarized under orders in G.O.No.532-Edn., dated 16-3-48. In that G.O. the S.G.P. was asked to supply forms of application for admission to local bodies and managements of aided elementary schools on payment of cost. The S.G.P. raises the question whether managements of private schools may not be asked to make their own arrangements in regard to the printing of forms of application for admission and whether he should supply the forms to managements of these schools also as laid down in the G.O. 532-Edn., dated 16-3-48. ~~The~~ As the forms are required to be maintained in elementary schools in compulsory areas both under public and private managements it ~~may not be~~ is not desirable to leave the ~~question of~~ printing of forms required in aided ele. schools in compulsory areas to ~~the discussion~~ ~~discretion~~ be arranged for by ~~of~~ managements themselves. The S.G.P. is ~~to be~~ therefore requested to supply the forms required by aided ele. schools in compulsory areas to the managements concerned through the local bodies having jurisdiction ~~over~~ in the areas where the schools are situated and recover the cost of supply of the forms from the local body concerned. In the case of aided ele. schools in non-compulsory areas, the Govt. agree with the S.G.P. & the D.P.I. that the printing of forms required to be maintained in these schools may be left to the ~~discussion~~ discretion of managements.

Forms - Educational Forms - Application for admission and defaulters list - Standardisation of

The file relates to the question of standardising the following forms prescribed for use in schools in Compulsory areas:-

(1) Application for admission
(2) Defaulters list.

Proposals have been called for from the S.G.P in the matter. The form of defaulters list requires revision consequent on the amendment of the Ele. Edn. Act, transferring the power to impose penalties to D.E.Os. The question of amending the rules has been taken up separately. This may lie over till the form of defaulters list is amended. The D.P.I. may be informed accordingly. A draft memo is submitted.
