The Secretary to Government,
Education and Public Health Department.

Sir,

Sub: Hostel - Arthur Hope College of Technology, Coimbatore
Report on the working of - Submitted.

Ref: Govt. Memo No. 100424 A.1/47-A- Education, dated 3-1-1948

In continuation of my letter R.C.No. 24 K2/48, dated 17-1-1948 I have the honour to submit the following report regarding the working of the Hostel attached to the Arthur Hope College of Technology, Coimbatore.

2. The average monthly charge of a boarder in the Hostel attached to the Arthur Hope College of Technology, Coimbatore is Rs 56--5--0. The following are the other Government Colleges in the Presidency which are reported to incur nearly as much expenditure in respect of their hostel students.-

Name of the College

Average monthly charge
per head inclusive of
all expenditure.

1. Presidency College, Madras.	Rs 52 9 0
2. College of Engineering, Guindy-Vegetarian	Rs 52 13 6
Non-Vegetarian	Rs 58 11 10
3. Govt. Muslim College, Madras.	Rs 54 0 0

3. The reason for the high cost of expenditure in the Arthur Hope College of Technology is explained by the Principal to be due to the fact that the Representatives of the students were insisting on a luxurious Menu with the use of European Vegetables and other items which are not obtainable except at Black-market rates. He reported that they have adopted a system of constituting a new students Committee for each month to be associated with the Hostel work (One student from each year class, three of which look after the accounts, the purchases and the issue of stores respectively) so as to develop a competitive spirit between each month's Committee to show improvements over the work of its predecessors and that this system is working well. The Hostel is actually being run on a 'division system'. The average per capita cost of Rs 1-9-6 per day in the month of August 1947 is reported to have gradually declined to Rs 1-2-0 per day at the end of December 1947 as a result of the working of this system. Kind attention is invited to the Principal's confidential note dated 21-1-48 submitted to the Hon'ble the Minister for Education regarding some of the difficulties experienced by the Principal in running the hostel on more efficient lines.

4. General instructions are being issued to all colleges that increased association of the students in the management of the hostels should be secured in future through students' Committees elected by themselves who will have a right of framing their own Menu, adjust the expenditure and look into the accounts etc.

For Director of Public Instruction.

In the Coimbatore Engineering College the hostel fee seems to be about Rs.55/- per month. In many hostels the average does not go more than about Rs.40 or Rs.45/-. This seems to have given a lot of misunderstanding. Enquiries may be made as to the normal monthly rate in the hostels attached to the colleges ^{as to} and how the hostel is being managed.

I am also receiving complaints from many colleges that boys are not associated in the management of these hostels. I heard the complaint when I went to Palghat last time. I asked the Principal to associate a Committee of ~~8~~ elected by themselves in the management of the hostel. I think we must issue orders that in all Govt. hostels students' Committees elected by themselves should be associated in the management of hostels. They must have the right to

frame their own menu, adjust the expenditure and look into the accounts, if necessary. Instructions may be issued to the Principal, Coimbatore Engineering College to arrange for such a Committee in the Engineering College hostel.
