Sir,

SUB:- Rules relating to qualifications prescribed for the posts of Tutors and Demonstrators = Relaxation = Requesting:

I have the honour to state that the qualifications prescribed for Tutors and Demonstrators are I or II Class B.A or B.Sc., of a University in the Province in the subject in respect of which recruitment is necessary. In practice it has been found that it is extremely difficult to secure the services of persons with the above qualifications for the posts of Tutors and Demonstrators. To reduce this difficulty to some extent the following slight modification in the rules is suggested.

According to the present rules, III Class M.As- cannot be appointed as Tutors. It cannot be said that

Amended to:
Rule 11A & 11B of the Rules
of the M.E.S.

= 2 =

a Second Class graduate is better fitted to be a Tutor or Demonstrator than a III Class M.A. The Honours Graduate or M.A. has undergone a more comprehensive and specialised course in his subject than the ordinary B.A. and in my opinion even a III Class Hons. Graduate is more competent to be a Tutor than a I or II Class B.A.

Hence I request that Government may therefore be pleased to include III Class M.A. also as a qualification for Tutors and Demonstrators. If the view is accepted I shall submit necessary amendments to the rules.
