The Secretary to Government,

Fort St. George, Madras.

Sir,

Re:- Hostel Accommodation for the students of the Muslim College for Muslim women, Madras.
--oo--
Ref:- Your letter No. 11789-A/47-1-Edn. dated 20-2-47.
--oo--

I have already submitted to the Government that No. 7 Whites Road is a requisitioned building and that the Government was competent to take over the building for public purposes from its present occupant. No doubt, the present occupant is a medical man employed in the General Hospital, Madras as many other medical men. But this fact does not justify that a public cause should suffer for the sake of convenience of an individual. The necessity to provide a hostel for the Government Muslim college is paramount and cannot be overridden by the fact that the building is in the occupation of an individual employee of the Government. It is therefore imperative that Dr. Hari Rao, the present occupant of the building should be asked to vacate and hand over the same to the Government for the opening of the hostel for the Government Muslim College for Muslim women at least by the end of June 1947. I understand that the Government has taken similar action in the case of Jane Hostel and nothing should prevent the Government from taking similar steps in this matter to secure the building for the hostel of the Government College for Muslim women.

p.t.o.

2

The Collector, Madras, has no doubt been asked to provide alternative accommodation to Dr. Hari Rao. But Dr. Hari Rao did not approve two or three buildings already allotted to him and no one can say which building will be suitable to his taste. It does not also seem to be a practicable proposition to depend upon the Collector allotting an alternative accommodation to the said Dr. Hari Rao. In respect of the available vacant buildings, it is a well-known fact that Ministers and Parliamentary Secretaries have a claim of priority as against other employees of the Government and when even these ministers and Parliamentary Secretaries have not yet been provided with accommodation by the Collector, it is futile to expect that the Collector would be able to provide accommodation for Dr. Hari Rao. It does not also stand to reason why Dr. Hari Rao should be shown so much indulgence at the expense of a public cause, whose needs are far greater, especially when the Government does not care to provide accommodation to its many officers of high rank who happen to be transferred from mofussil centres and posted to the city of Madras and are allowed to shift for themselves.

11/P

In the light of all these circumstances, I am to urge upon the Government once again that effective and immediate steps should be taken to get the building in question vacated by Dr. Hari Rao at the earliest possible moment and that the building should be made available for the purpose of a hostel for the Government College for Muslim women, after making necessary and urgent repairs required for the building. I am sure that if the Government were only to make up their mind as they have already done in the case of the Jane Hostel, there should be no difficulty for securing the building which is within their control.

I shall be obliged if you will kindly let me know what action is taken in the matter.

Thanking you,

Yours sincerely,

Basheer Ahmed Sayeed

Dear Mr. Avanashilingam Chetty,

Sub:- Hostel accommodation for the Government College for Muslim Women-No. 7 White's Road-Royapettah.

25692

In regard to the above, I have since learnt that the power of allotting vacant houses of the rental value of Rs.100/-and above has been taken away from the Collector of Madras and that it now vests with the Hon'ble the Minister for Prohibition and Housing. Such being the case, it is no more possible for the Collector of Madras to do any thing in the matter of the allotment of a house to Dr. Hari Rao. Dr. Hari Rao, as he is now living in a house of the rental value of Rs.135/-p.m., can be alloted a house only of the rental value of Rs.100/-and above, which can be done only by the Hon'ble the Minister for Prohibition and Housing.

I also understand that there is a list of priority maintained by the Hon'ble the Minister for Prohibition and Housing for purposes of allotting housing accommodation to Government servants and a person like Dr. Hari Rao ordinarily will occupy a very low place in the list of priority. If such be the case, there is absolutely no possibility of Dr. Hari Rao getting any house allotted to him in the near future, or of his vacating the building intended for the hostel, for the Government College for Muslim Women.

I therefore beg to suggest that it is absolutely essential that if the house now occupied by Dr. Hari Rao is to be made available, he should be given the top priority and any house that falls vacant next should be allotted to him by the Hon'ble the Minister for Prohibition and Housing. Unless he is given the highest priority by the Hon'ble the Minister and allotted the house falling vacant immediately, there is absolutely no chance of Dr. Hari Rao vacating No. 7 White's Road, Royapettah.

I am therefore to request you kindly to persuade the Hon'ble the Minister for Prohibition and Housing to allot the house falling vacant immediately next, to Dr. Hari Rao so as to enable him to vacate the above premises for the purposes of providing a hostel. Unless the Hon'ble the Minister for Prohibition and Housing is persuaded by you to do this, I am afraid there is little chance of the above house being made available. Already, I am told several

-2-

several Muslim girls are going back to their moffusil places for want of hostel accommodation and are being denied the opportunity for collegiate education.

For my part I have already spoken to the Hon'ble the Minister for Prohibition and Housing and he has already noted down the name of Dr. Hari Rao for the purpose. I understand a house in Ritherdon Road, Vepery is about to fall vacant very shortly and if this house is made available to Dr. Hari Rao, it may solve the problem of hostel accommodation and even of more space for the college.

I request you kindly to interest yourself in the matter and take immediate action.

Sir,

I have the honour to address Government on the question of accommodation for the Government College for Muslim Women, Madras. When the College was opened last year, it had 6 rooms, consisting of 3 fairly big halls, 2 class-rooms and one language class, besides the laboratories. To provide accommodation for the senior classes and for the classes in the new subjects, Part II Telugu and Part III Urdu, additional rooms had to be constructed. In consultation with the Ex-Engineer, proposals were submitted for the construction of 5 temporary sheds. This was sanctioned in G.O. No.1147 P.W.D. dated 23.4.47. The Principal reported that even with the additional temporary sheds, it would be very difficult to arrange for the new classes in 1947-48 and has now requested that the gymnasium hall under the Control of the Superintendent, ~~Government~~

P.T O.

8

Government Hobart Secondary and Training School should be made available to the College. Principal also reported that there was no space in the College Compound to construct extra sheds. The Superintendent points out that it will be impossible for the school to work without the Gymnasium where Common assemblies, meeting, Physical Training Classes and other functions are held in addition to two regular classes. The question of either removing the Lower classes to a rented building or closing them temporarily was also considered but it was not practicable. The only alternative is to make the "Wellington House" adjoining the College available for use of the school or the College. I have already submitted proposals to acquire this building for the College for hostel purposes, Vide this Office Letters Rc. No.3985 K2/46 dated 2.10.46 and 19.12.46. As the question of additional accommodation is very urgent, I request that early steps may kindly be taken to secure the "wellington House".

With ref. to T.M. dated 13-8-47, I have ascertained from the Principal that the existing building will require repairs and remodelling so as to make it fit as residence for the Principal later. The Principal feels that it will be advantageous to acquire this building for Government. I request that this suggestion may be considered by Government.

The Executive Engineer, South Presidency Division has reported that the approximate cost of the repairs to the bungalow would come to Rs. 2,000/- and for providing a single block of 2 flush out latrines Rs. 850/- will be necessary. Both the Executive Engineer and the Principal of the College are reported to have addressed the owner of the bungalow about his willingness to carry out the repairs, but so far no reply has been received by them.

2. In my letter R.C. 3985-K2/46 dated 2.10.1946, I suggested that the building might be acquired by Government under the provisions of the Land Acquisition Act in case the then occupant Dr. Hari Rao refused to vacate it. The building has since been placed in the possession of the Principal and at present there is no necessity for acquiring it. The present tenancy of the building may be continued and the question of acquiring it may be deferred till the construction of permanent buildings for the college and hostel are completed.

3. With regard to the rent to be collected from the students, I beg to state that if the students are asked to bear the 8 months' rent of the building, it will work to Rs. 64/- per student per year or Rs. 8/- per mensem. In the Queen Mary's College a sum of Rs. 6/- per term (or Rs. 2/- per mensem) only is collected from each inmate. As a rate of Rs.8/- per mensem is high, I recommend that the rate adopted in the Queen Mary's College might be followed here also.

4. In my letter R.C.1317-K2/47 dated 30.10.1947 I have since recommended that the proposal to employ Residential Dy. Wardens in the Grade of Assistant Lecturers in hostels attached to women's college might

be considered as cancelled. I recommend that for this hostel,
a full-time matron on a salary of Rs. 30/- may be sanctioned.

5. With regard to utensils, I find that those of the City
Students' Hostel will not be available for this hostel. In my
letter R. C. 648-A2/47 dated 3.1.1948 recommending the opening
of a private hostel for the students of the college as a
temporary measure, I have requested sanction for an expenditure
of Rs. 500/- towards the purchase of utensils. These may be utilised
when the regular hostel is opened.

6. The Principal, Government College for Muslim women, took
possession of the building "Wellington House" on 2.8.1947. The rent
for the building is reported to be Rs. 120/- a month. As the building
is to be used for hostel purposes, I have no powers to sanction the
payment of rent at this rate. I therefore request that Government
may kindly sanction the payment of a rent of Rs. 120/- (Rupees one
hundred and twenty) per month for this building with effect from
2.8.1947. The expenditure can be met by reappropriation of funds
under "37. Education" in the Budget Estimate for 1947-48. An
additional allotment of ;.1400/- (Rupees one thousand and four
hundred only) may be provided in the Budget Estimate for 1948-49
under "37(b) Education--University--Government Arts Colleges--C.
Postwar Reconstruction(b) C.6. Other contingencies--Voted".

Please see the letter from Mr. Basheer Ahmad Sayeed at pp. 1-2 ante and the notes on pp 3-4 ante. Dr. Hari Rao was offered by the Collr. upto Feb 47 about a dozen houses and he did not send a reply to ~~them~~ the Collr. whether he would accept any of them or not. As Dr. Hari Rao wanted a house on Rs 140/- in Kilpauk and Mylapore area alone and as no house fell vacant in these areas up to the end of Feb 47 no house could be allotted to him. Thereupon the Collr. has been asked to allot a bldg. on a rental of Rs 100 to 140 p.m. which in his (Collr's) opinion will be suitable to Dr. Hari Rao, in any residential locality in the City and report the fact to Govt. in the E & P.H. dept. who will then ask the doctor to occupy the bldg made available to him within such a specified time as may be considered necessary. Dr. Rao has been given special priority overriding other applicants. In the circumstances no action seems called for with reference to 'B' on p. 4 ante. Dr. Rao has intimated that he would take up No 7 Waddels Road Kilpauk which was notified to him by the Collr. but this house was subsequently allotted to Mr. M.A. Kazi Asst. Secy. Board of Rev. p12-13 C. No. 75212 from the D.P.I. No. 3985-K2/[illegible] dated 20.9.47.

Please see the D.P.I.'s letter on p12-13 c.f. re: the opening of a hostel in the building "Wellington House" for the students of the Govt. College for Muslim Women.

2. Ordinarily, the Govt. do not carry out any repairs to private buildings. Either the owner should carry out the necessary repairs or the repairs might be carried out by the tenant, and the cost thereof deducted from the rent payable to the owner. In this view, the owner should carry out the repairs mentioned in para 2 of the D.P.I.'s letter, except for item 5 re: addl. latrines of the Hindustan type, which is an addition that is necessary to make the building suitable for a hostel and to carry out which it may not be obligatory on the part of the owner, as in the case of the other items. The D.P.I. may, in the circumstances, be requested to report the cost of the repairs excluding item 5, and

p12 c.f.

for that item separately. He may also be asked to ascertain and report whether the owner is willing to carry out all the repairs mentioned, or at least the first four items; ~~or~~ or, in the alternative, if he will be agreeable to the repairs being carried out by the Govt at their expense, initially, and to the cost thereof being deducted later on from the rent payable to him.

3. W.r.t. the T.M. on p. 83-b c.f. in the linked file, the D.P.I. states that the ~~principal~~ building ~~feels it advantageous to acquire~~ will require repairs and remodelling so as to make it fit for the residence of the Principal later. But he has not answered the question whether there is any difficulty in continuing the Govt.'s present tenancy of the building on the present rent, without going in for its acquisition under the L.A. Act. The Director may be asked to give a clear answer to this question.

4. The Director states that about 15 to 20 students may be expected to join the hostel and that a rent of Rs 6/- per term may be collected from each student. Usually, [attached to govt colleges where hostels are held in rented houses] the students should bear 8 months's rent (Rs 120/- p.m. in the present case) and the Govt. bear 4 months rent. The ~~same procedure may be adopted in this case also.~~ Director may be asked why a different procedure is proposed to be followed in this case. The case of the P.M. college hostel is different as this is held in a govt building.

5. Among other staff, the D.P.I. has suggested that a Residential Dy. Warden with the qualifications and pay of an Asst. Lecturer might be employed. In the case of the Presidency College Women's hostel, the Govt. have recently ordered that ~~one~~ ~~of the~~ a woman Asst. ~~Lecturer~~ ~~members~~ of the College staff be ~~employ~~ appointed as the Residential Dy. Warden, with free quarters and an

P.T.O.

allowance of Rs 15/- p.m. and that the existing matron be continued. Similarly, it would seem that one of the women ~~members~~ Asst. Lecturers of the staff of the Govt. College for Muslim Women may be appointed as a ~~Residential~~ Dy. Warden of the hostel with free quarters and an allowance of Rs 15/- p.m. A (Bendy) matron will also be necessary. The D.P.I. may be consulted.

p 13 c f

6. Regarding utensils for the hostel kitchen, the D.P.I. states that the utensils purchased for the use of the students hostel are available and ~~that~~ may be transferred to this hostel. But it is not known whether the utensils in question are not being used for the hostel located in "Keith Lodge"; and, if so, ~~what~~ how much expr. will have to be incurred (anew) on the purchase of utensils for this hostel. The D.P.I. may be asked.
