Office of the
Director of Public Instruction,
Madras, Dated 4-12-1946.

From

Dr.S.R.U.Savoor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

The Secretary to Government,
Education and Public Health Department.

Sub: Conveyance - Supply of Jeep Motor cars to the
District Educational Officers - Sanction requested

In enclosing a copy of letter RC.No.433-B/46,
dated 10-11-1946, from the Dt.Edl.Officer, Vizagapatam
South, I recommend that the Government may be pleased to
comply with his request for the supply of a Jeep Motor
Car, for his official use.

2. In this connection, I may point out that
many of the District Educational Officers are getting
low salaries and cannot afford to purchase or even maintain
them at their own cost. The Travelling Allowance admissible
to them is not also adequate and, I, therefore, submitted
proposals recently for improving this, which the Govern-
ment were not, however, pleased to sanction. The Inspectresses
of Girls Schools are in a better position in this respect for
not only do they get first class Travelling Allowance but
mileage at a much higher rate viz. the rate sanctioned for
officers of grade III though they belong only to grade V.
Unless the same concession is extended to the District
Educational Officers who have definitely more onerous
duties to discharge, few district Educational Officers can
afford to keep cars. In the circumstances, I request that
the Government may be pleased to comply with the request
now made by the District Educational Officer, Vizagapatam.
South, and supply all the other District Educational Officers
with Jeeps the maintenance of which may be met at Govern-
ment cost as they have done in the case of some of the
offices of the Revenue and the Health Departments. The
expenditure to the Government will be off-set to a certain
extent by the fact that the District Educational Officers
would then be eligible only for D.A. More than this there
will be a very great improvement in the supervision
exercised by the District Educational Officers in the sphere
of elementary education.

3. I may also bring to your kind notice that I
have had a talk with the Hon'ble the Minister for Education
and that he promised to do what he can, in the matter.

for Director of Public Instruction.

RVR 6/12/-

Copy of letter from Sri G.Rangarao Naidu, B.A., L.T.,
District Educational Officer, Vizagapatam South, Vizagapatam,
RC.No.433-B/46 dated 10-11-1946 to the Director of Public
Instruction, Madras.

Sub: Supply of a Jeep Motor Car.

I have the honour to submit that this district extends

over 140 miles from one end to the other. There are many interior places also which are not connected by rail, but there are good roads leading to them. Now that compulsion has been introduced in some of the select villages and has to be extended to some other centres in the near future, the District Educational Officer has to visit a number of these compulsory centres to see how the scheme of compulsion is working, and he has also to surprise some of the midday meals centres. I now feel that much of my time is wasted, apart from the inconvenience experienced, on account of the irregular service of the public buses. It is very unsafe to depend upon these buses when an urgent work is to be attended to.

2. In order to keep myself ~~in~~ in touch as to how the elementary Schools are working and the mid-day meals are served in compulsory educational centres, the use of a motor car seems to be absolutely necessary. I therefore request that you will kindly recommend to Government the supply of a Jeep Motor car for my official use at an early date.

The Secretary to Government,
EDUCATION AND PUBLIC HEALTH DEPARTMENT,
Fort St. George, MADRAS.

R.C.No.11129-W1/46, dated 1--5--1947.

SIR,

SUBJECT: Supply of jeeps to District Educational Officers -
Estimate of additional cost.

38772

With reference to Government Memorandum No. 75177 A/46-1
Education, dated 4-1-47, I submit an estimate of the additional cost
involved in the proposal, under recurring and non-recurring charges.

Under Non-recurring the cost of 24 jeeps at the rate of
Rs.3000/- per jeep will amount to Rs.72,000. The number of jeeps re-
quired is 24, as 4 District Educational Officers are having cars of
their own and they do not require jeeps. Under recurring cost, the
total estimates furnished by the 24 District Educational Officers for
petrol, Drivers' Wages, etc. come to Rs.42,000. Another item under
this head is T.A. which will be drawn by the 4 District Educational
Officers who do not require jeeps and this will come to roughly
Rs.4377 based on their T.A. bills. Daily allowance for the 24 Dt.
Educational Officers, who require jeeps will amount to Rs.28,800.
The total recurring cost will then be Rs.75,177. Deducting from this
total the amount of T.A. drawn by all District Educational Officers
i.e. 28,172 (for 1946-47) the net extra recurring will come to --
Rs.47005 or Rs.47000 in round figures. The additional cost involved
in the proposal will therefore be:

Non-recurring.	Rs. 72,000.
Recurring.	Rs. 47,000

Ram.3/5/47. 2/5

R. Narasimhan
for DIRECTOR OF PUBLIC INSTRU

Memo No. 75177-A4/46/Edn. Dated 17-7-47

Sub:- Supply of jeep motor cars to D.E.Os.

Ref:- Letter from the Director of Public Instruction No. 1129 W1/46 dated 1-5-47.

It has been suggested that the proposal to supply jeeps to D.E.Os may be restricted to those in charge of large districts like Coimbatore, The D.P.I. is requested to propose the names of the few heavy districts in which jeeps may be absolutely essential, with statistics to show the work the D.E.Os. of the districts have to do and also the cost that the Govt. may have to incur on account of these jeeps.

Much of the ~~T.A.~~ now given to the D.E.O.s can be set off against the expenditure on account of ~~the~~ jeeps. The Director is, therefore, requested to calculate only the extra amount that will be necessary if jeeps are given to D.E.Os of the selected districts. Now, because of the slow movements, D.E.Os are paid ~~d.a.~~ for a large number of days. It may not be necessary to give ~~d.a.~~ for so many days if jeeps are supplied. This factor

12

also may be taken into account in estimating the additional cost.

22/7/47

DM
24/7/47

Copy of letter dated 4th July 1947 from the District Educational Officer, Coimbatore and the Nilgiris.

Sub:- Supply of Jeep to the District Educational Officer, Coimbatore and the Nilgiris.

As per proceedings Re. No. 11129 W1/46, dated 16-1-47 of the Director of Public Instruction, Madras, I learnt that the Government are contemplating supplying jeeps to the District Educational Officers in the Province for purposes of touring. It is now learnt that this proposal has been dropped.

The following special circumstances pertaining to this District may kindly be placed before the Government with a request to sanction a jeep for this District at least.

The area of jurisdiction of the District Educational Officer, Coimbatore and the Nilgiris is eight thousand one hundred and ten sq. miles (Coimbatore 7121 and the Nilgiris 989). No other District in the presidency has this vast jurisdiction except Vizagapatam District which has already been divided into two Districts for educational purposes. In both the districts secondary schools have been started even in villages unconnected by train, bus or any other public conveyance. (Lakshminakshnapalayam in the Coimbatore District and Manjoor in the Nilgiris District are such instances). Further the District Educational Officer, Coimbatore and the Nilgiris has the largest number of schools to be inspected by any District Educational Officer or Inspector in the whole Province. It needs, therefore, no further argument that to carry out efficiently this heavy work, there is need for a conveyance for this District Educational Officer.

As touring in both the Districts involves frequent visits to hill stations, not only Ootacamund and Coonoor but also Annamalais and Kollegal in the Coimbatore District and tours in villages unconnected by proper metalled roads, a small powered car would not be of much use. There is

If, for any reason, it is not possible for the Government to supply a jeep they may kindly order the sale of a jeep at Govt. rate to me and I am quite prepared to buy the same and use it for official purposes.

2. I submit that no amount can be saved on T.A.

Dr. S. R. U. Savor

or daily allowance. On the contrary there is bound to be an enhanced expenditure. In addition to the payment of the salary to the Driver, rent for shed, daily allowance to the Driver, upkeep, conditioning, petrol, oil etc., the officers will also have to be paid daily allowance for the days they are on tour. The petrol charges and upkeep of the cars can be set off against expenditure on the Railway fare of the officers. But the cost on daily allowance will naturally be more than at present. The increase cannot however be considerable while the advantages are many-

3. I may also submit, in this connection, that the supply of jeep cars will enable the Dt. Edl. Officers to move from place to place more quickly and to pay surprise visits more often than now. This will certainly make supervision more effective than at present and will conduce to improvement in the sphere of Elementary Education. In the circumstances I recommend the supply of jeep motor cars to the Dt. Edl. Officers mentioned in para (1) above.

4. The statement of comparative cost for the selected districts is furnished in the appendix.

Supply of jeep motor cars to D.E.Os

B

In the circumstances explained in his letter on page 1 of the D.P.S. has subd a proposal for the purchase and maintenance at Govt cost of 24 jeep motor cars for the use of D.E.Os. The proposal involves an expenditure of Rs 72,000 (non-recurring) and Rs 47,000 (recurring).

Jeeps are vehicles recently introduced on the road and it may be difficult to maintain them in good condition. The spare parts necessary may not be readily available and the result will be that they will be lying idle. Further, the supply of Govt employees to D.E.Os will lead to all sorts of complications and abuses. It does not therefore seem that the proposal merits consideration. For order.

The file may be sent to the Home and Fin depts for remarks before circulation.

With refce to A above this dept may suggest that P.M.T.C. may be consulted

EPH W.O.
NO 75177 A/67-2
6-6-47.

384906

7/6

Does not seem necessary

in the matter.

As regards 'B' it is subd that jeeps were supplied by the Rev Dept for Prohibition work & by the Food Dept for Procurement of food grains and those two depts would be in a position to offer their remarks in respect of the supplies made by them.

If it is decided to sanction the proposal in the file it may be stated that jeeps are available for sale with a Calcutta firm viz "Mr Allen Berry & Coy 62 Hazra Road, Ballygunge Calcutta".

With these remarks the file may be passed on to Fin

Serviceable jeeps are not available with the D.P.O. Directorate. They can however be purchased in the open market for about Rs 3000/- each. Service will be difficult as spare parts are not likely to be available.

Only limited supplies of spare parts are available

Finance (Exp) Dept.

Please see the notes on pages 1-2 above. Home - 384908/47 16-6-47.

In the circumstances stated by Home, the proposal does not seem to merit any consideration.

Further, there is already a proposal under the consideration of the Re-organisation Committee for the withdrawal of the jeeps supplied to the various officers of the Government

recently. At the instance of HM (Fin) who considered that 50% of jeeps already supplied could be withdrawn and made available for civilian use, an examination of the question has been made and a note will be placed shortly before the Standing Committee for its consideration.

For W/C

It is doubtful whether a proposal for supplying 3 jeeps to D.P.O. will be accepted by the S.F.C. In the circumstances, it is submitted that Finance may advise against the proposal.

17/7/47

Please see the notes from Home/Fin kept on p.1-3 above. The answers to the points A and B on p.1 are not very encouraging. Submitted for orders whether the proposal may be turned down accepting Finance Dept's view above.

The work of the D.E.O. has increased considerably and it is impossible for them to do their growing work satisfactorily especially when they are put in large districts like Coimbatore. I think there is a case for jeeps at least in certain districts where the work is very heavy.

The D.P.I. may be asked to make proposals for the few heavy districts in which jeeps are absolutely necessary with statistics to show the work that they have to do and also the cost that we may have to incur on account of these jeeps.

I understand that T.A. is being given to the D.E.Os. Much of the T.A. can be set off against the expenses of the jeeps and so the D.P.I. may be asked to calculate only the extra amount that will be necessary if these jeeps are given to the selected districts.

Now because of the slow movements they are being given D.A. for many days. It may not be necessary to give D.A. for so many days if jeeps are given. That also may be taken into consideration. The matter may be put up when proposals on the above lines are received.

Finance 4119234
14.7.47

The additions suggested by Fin may be accepted. The draft memo may issue

16/7/47

17/7/47

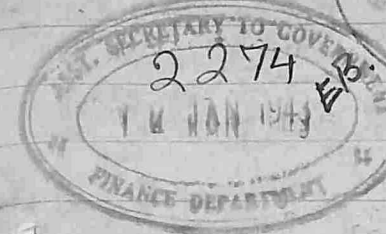

[Issued as Memo no 75177A-4 Edn. d 17.7.47] C. no 88939 from the D.P.G. no 11129 W. 146 d 6.11.47

The D.P.G. has recommended that jeep motor cars may be supplied to the 14 D.B.Os referred to at R on p 18 CF. In view of the reasons stated in para 2. his letter, he considers

that no amount can be saved on T.A or D.A and that on the other hand there is bound to be an enhanced expenditure. If the proposal to supply jeeps to the fourteen D.B.Os referred to at R on p 18 CF is accepted, the Govt. will have to incur an expenditure of Rs 28,000 under recurring (civilian) against Rs 19,000 during 1946-47) and Rs 42,000 under non-recurring. The file may be sent to Finance for remarks before circulation. It is doubtful whether jeeps can be had for Rs 3000 now.

Finance (Exp.B) Department

(Previously seen in Fin. on p.4 above)

The proposal is to supply the 14 District Educational Officers mentioned on p.18 C.F. with jeeps at the cost of the Government. The Director of Public Instruction and The Home Department have estimated the cost of a jeep at Rs. 3000/-. According to the Director of Public Instruction, the expenditure involved in the proposal is Rs. 42,000/- non-recurring and Rs. 28,000 (roundly) recurring. E & P.H. have observed that it is doubtful whether jeeps can now be had for Rs. 3000/- each. Recently, the Chief Engineer (Irrigation) had reported that it was difficult to obtain serviceable jeeps and had proposed to import them through a firm in Bombay at a cost of more than Rs. 7,000/- each. At this rate the non-recurring expenditure will be over Rs. 98,000/-.

2. This department have been pointing out in connection with proposals for supply of jeeps that the purchase of jeeps was not an economical proposition. Home have noted that servicing of the jeeps will be difficult and that only limited supplies of spare parts are available. Jeeps were purchased in the extraordinary conditions created by the war when probably they were used in many cases as substitutes for conveyances which officers would otherwise have maintained and it

para 2, p 9 of 5

it seems that the purchase of jeeps should not be allowed to become a normal feature of the administration. It may also be pointed out that every Government servant who has executive duties to perform is bound to maintain a conveyance suitable to his rank without a claim for any allowance. For ~~similar~~ reasons, the proposal to supply jeeps to the Chief Inspector of Certified Schools, Madras, and the Inspecting Assistant Textile Commissioner, Madras City, was negatived. The present proposal is based on the ground that the districts in charge of the Educational Officers are large. Attention is, in this connection, invited to G.O. No. 789 L.A. dated 28-4-1947. The Inspector of Municipal Councils and Local Boards proposed, in 1946, the supply of a jeep to each of the Dy. Inspectors of Local Boards on the plea that the latter had to tour in six to seven districts. Finance advised against the proposal ~~as~~ ^{for the reason, among others, that} it could not be said that the touring of the Dy. Inspectors was to be done with any vital urgency. The proposal was accordingly dropped. The policy of Government is to reduce as far as possible the number of jeeps etc. supplied to various departments during recent years as they are very expensive to maintain. Recently, in connection with the proposal to supply jeeps to the officers engaged in the preliminary inspection, investigation and execution of irrigation schemes, H.M. (Finance) minuted that except officers who were expected to do swift and sudden work, nobody need be provided with conveyances at Government cost.

While the expenditure involved in supplying jeeps to the District Educational Officers is very large, the recurring expenditure is expected to exceed the amount of travelling allowance drawn by these officers. It cannot be said that their work is one which should be done swiftly ^{hereafter in this case} and suddenly or ~~at least~~ with any vital urgency. ^{the request will pass from 2nd. 9/1/48 of other parts.}

3. In the circumstances stated above, there is no case for supplying the District Educational officers with jeeps at the cost of Provincial funds. E & P.H. may, therefore, be requested to negative the proposal. If E & P.H. press the proposal they may obtain orders in circulation to ~~backdrop~~

H.M. (Finance) after ascertaining whether good serviceable jeeps are available now and, if so, at what cost.

In case the proposal is to be proceeded with, it will have to be treated as a 'New Service', following the instructions issued in Finance U.O. Notes No. 65500 B.G-2 dated 27-12-1946 and No. 21735 B.G-1 dated 1-5-47.

1/1/48

1/1/48

It has been found from experience that the purchase of jeeps is not an economical proposition. In this case, it is found that the cost of maintenance of jeeps will be much in excess of the expenditure incurred on travelling allowance of D.E.Os. Further, servicing of jeeps will be difficult and only limited supplies of spare parts are available. Judged by the criterion adopted in the past for the supply of jeeps to officers at G.O. Col. and ~~to~~ ^{to} the minute of 1/1/48 at 'y' m. b. babu, there seems to be no case for the supply of jeeps to D.E.Os at Govt. cost. Finance would therefore strongly advise against the proposal.

1/1/48

The matter of supplying jeeps may be dropped. They have not been found to be very satisfactory. The question of giving them advances for purchase of cars may be examined.

1/1/48

1/1/48

with reference to the minutes of H. M. (Edu.)
 on p7 ante it is submitted that the Govt are
 already sanctioning advances to the D.E.O.s who
 are touring officers as and when applications from
 them are received. No action therefore seems necessary
 on this point also. The file may be circulated to
