Through

The Director of Public Instruction, Madras.

Sir,

Ref:- G.O.No.1695, Education dated 28-7-1947 and Proceedings Re.No.230/46 dated 9-9-47 of the Principal, Teachers' College, Saidapet (Copies enclosed).

I beg to submit the following for favour of reconsideration of the orders communicated to me in the Director's Proceedings R.C.No.3707 G.3/46 dated 21-8-1947.

Before my appointment as Wood Carving Instructor in the Teachers' College, Saidapet, I was employed in the Cordite Factory School on 6-11-33 when I was only 24 years and had 12 years of service there. I satisfied the age rules on the date of my first appointment in the Government service. I have had a continuous Government service for 14 years including a War Instructor's post in the Teachers' College, Saidapet was advertised, I applied for it stating all my qualifications and my age definitely. Further, I have definitely requested to exempt me from my age rule in that application a copy of my original application dated 9-1-1946 in response to the advertisement above is herewith enclosed for information.

In the appointment order of the Teachers' College, Saidapet, it is clearly stated that I was appointed as a probationer in the Manual Training Section, copy of the appointment order is herewith submitted.

Now after having put in one and a half year's service as a probationer in the department, I am told that my services as a probationer cannot be regularised. If the department had any doubt regarding the regularisation of my services at the beginning of my appointment, I could have been informed of that, then. If I were given any idea at the time of my appointment that granting age exemption was not possible, I would not have left the Cordite Factory, Aravangadu.

I did not leave the Cordite Factory School on account of reduction of establishment there. Nor did the appointment in the Teachers' College, Saidapet fetch higher scale of pay than what I was getting in the Cordite Factory School i.e. Rs.50/-. The fact that the post in the Teachers' College Saidapet is a pensionable one made me to accept the appointment in the Teachers' College, Saidapet.

Before my appointment in the Teachers' College, Saidapet, I have put in 3 years of War service-copy of certificate issued to that effect is herewith enclosed.

If I am not given the age exemption, I will be left without any appointment, as I have left the Aravankadu appointment also, especially in these hard and struggling days with my large family consisting of number of old people depending upon me.

In view of the above facts I request that the orders contained in the G.O. referred to may kindly be revised and age exemption may kindly be granted to me.

Madras,
17-9-1947.

I beg to remain,
Sir,
Your most obedient servant,
K. Nagarathnam

ESTABLISHMENT - Sri K. Nagarathnam, ex-wood carving Instructor - Teachers' College, Saidapet - Relaxation of age rule.

From Sri K. Nagarathnam, ex-wood carving instructor dated 19-9-47.
Endorsement of the D.P.I. No.3707 C3/46 dated 7-11-47.

Please see the petition from Sri K. Nagarathnam, formerly wood carving instructor, Teachers' College, Saidapet, on page 1 c.f. and the remarks of the D.P.I. on page 11 c.f. For a brief history of the case attention is solicited to pp 1-3 n.f. of G.O.No.1695 Edn. dated 28-7-47. The following remarks are called for on the present petition:

It is seen from the copy of application dated 9-1-46 on page 3 c.f. that the petitioner had stated that he was 36 years of age and that he specifically requested exemption from age rule. The Principal Teachers' College, Saidapet, did not however consider the petitioner's age at the time of his appointment a disqualification but appointed ^{him} as a regular probationer under the wrong impression that his appointment was permissible by transfer from the Cordite Factory, Aravankadu, to the Education Department. There is force in the petitioner's contention that if he had been ^{appraised} ~~approved~~ of the position he would not have left the Cordite Factory. As he was appointed as an Instructor ^{on} probation in the Teachers' College, Saidapet, he relinquished his appointment in the Cordite Factory, Aravankadu, where he had put in 12 years of service. Now as the result of the orders issued in G.O.No.1695 Edn., dated 28-7-47, he has lost his appointment in the Aravankadu Factory as well as in ^{that} ~~the~~ Teachers' College. Thus it is seen that by the irregular orders passed by the Principal (the irregularities had to be pointed out to the D.P.I. Office also) the petitioner has been doubly punished for no fault of his own. In

K. Nagarathnam as a Special Case.

2 H.E. the Government of Madras accept the Director's Recommendation and direct under sub-section (5) of Section 241 of the Govt of India Act, 1935, that the provisions of Rule 6 of the Special Rules relating to the M.E.S.S. be relaxed in favour of Sri K. Nagarathnam so as to enable him to be regularly appointed as Wood-Carving Instructor in the Teachers' College, Saidapet.
