He appeared at the Office of the Treasury Deputy Collector Ramnad at Madura on 5-3-47, but, for want of proper identification he could not cash the bill and he was asked to go to the Taluk treasury at Arupukottai. There was delay on the part of the President to produce proper papers, mostly on account of ignorance and the bill could not be cashed. Finally the President was informed that grant could not be drawn as it was time-barred. A copy of the President's letter is submitted herewith.

I submit that it was for reasons beyond the control of the President that the grant was allowed to lapse. The President had already purchased books to the value of Rs. 200/-

Under the above circumstances, I submit, that if the Inspector pleases, the grant may be recommended to be reallocated for 47-48, as a special case.

2. The circumstances under which the grant of Rs.100/- sanctioned in G.O.No.2016, Education and Public Health, dated 21st October 1946 was not drawn is explained in the letter from the District Panchayat Officer, Ramnad. The failure on the part of the President to draw the grant within the official year is said to be due to his ignorance. As, however, the President has already purchased books to the value of Rs.200/- with the approval of the District Educational Officer, Ramnad and the books added to the Library within the official year it is recommended that the lapsed grant may be reallotted during the current year as a special case.
