Sir,

Subj: Buildings - Gudiyattam Municipality - Construction of
a new building for the Municipal High School - Sale of
unused materials.

Ref:- G.O.No.2416 Edn., dated 18-12-46.

A quantity of 2995 C.ft. of baby jelly was supplied
by the contractor and a lump sum compensation of Rs.2000/- was
given to him as per orders of Government in G.O.No. Ms. 870 Edn.,
dated 6-6-44. This quantity was not remeasured at the time of
sale and the same quantity was notified in the sale list as quan-
tity for sale. The sale was confirmed for Rs.300/- to the highest
bidder in the proceedings of the contract committee dated 10-3-47.
As the construction of the Municipal High School was on half grant
basis, a sum of Rs.150/- was duly credited to the Provincial funds
on 19-5-47 in the Challan No.986. Under the above circumstances the
actual quantity of baby jelly lost could not be ascertained.

An estimate for Rs.144/- for the disposal of the materials
at the Municipal High School was placed before the council and
the Council in its resolution No.429 (2) dated 20-10-44 has passed
the following resolution.

"Rejected. The materials may be allowed to remain on the
spot for the present."

Hence the building materials were allowed to lie at the
spot. Due to conditions of weather, the materials such as sand gra-
vel etc., were washed away by rain and the baby jelly above remained
on the spot, exposed to sun and rain and there was also loss in
quantity and the council in its Council resolution No.499 dated
26-11-45 resolved to sell the baby jelly in auction, as there was no
likelihood of the work being taken upon hand in the near future.

Commissioner,

G.O.No.2416 Education dated 18-12-1946.
From the Commissioner, Gudiyattam Municipality, D.Dis.1319/46 dated 3-11-1947.

ORDER:
In G.O.No.1752 Education dated 31st July 1937, the Government sanctioned the payment to the Municipal Council, Gudiyattam of a subsidy towards one half of the actual cost of construction of a building for the Municipal High School subject to a maximum of Rs. 24,810. Owing to a dispute between the Municipal Council and the contractor, the construction of the building was stopped after it reached the basement level. The unused building materials such as boby jelly, gravel etc. were allowed to remain on the ground for a long time exposed to sun and rain and consequently became a waste involving a loss of Rs. 220/- as detailed below:-

Boby jelly. The total value of the jelly is Rs. 581-4-0 and the subsidy paid by Government is Rs. 290-10-0. Against this, a sum of Rs. 150/- representing half the amount realised in auction was credited to the Provincial funds. The loss in regard to this item is Rs. 140-10-0.

Gravel. The entire quantity of gravel has been washed away by rain. The half grant paid for this item works out to Rs. 79-3-0.

2. The Government have perused the report of the Commissioner, Gudiyattam Municipality furnishing the reasons for the loss involved and they are convinced that the Municipal Council did not take adequate steps to prevent the wastage of the materials. They therefore direct that the sum of Rs. 220/- (Rupees two hundred and twenty only) representing the balance of grant paid by Government on the purchase of the building materials which have been lost be recovered from the Municipal Council.

Schools - Ml. High School, Gudigattam. Construction of a building. Sale of unused building materials.

While approving the proposal of the Ml. Council, Gudigattam to sell in auction the baby jelly which remained as part of the unused materials supplied by the contractor for the construction of the new buildings for the Ml. High School, the Comm^r of the Mty was asked in para 2 of G.O. No 2416 d 18.12.1946 to report the quantity of baby jelly which was lost and the steps taken by the Ml. Council for the prevention of the loss or shortage of the building materials. The Commissioner has offered his remarks in his letter on p 7 C.F. with reference to para 2 of the G.O. referred to above.

2/ The Municipal Council claimed a
