Subject:—ESTABLISHMENT - Corporation of Madras - Educational Officer - Appointment of.-

-----

In G.O.Ms.No.261 L.A., dated 17th February 1947 Government were pleased to appoint me as Officiating Commissioner of the Corporation with effect from the afternoon of 24th February 1947. Sri N.Sankaran, M.A.,L.T., Educational Officer was appointed by the Council at its meeting held on 27th February 1947 to officiate as Deputy Commissioner on Rs.750/- in the scale of Rs.750-50-1000 plus Rs.100/- Motor car allowance in the vacancy caused by my appointment as Officiating Commissioner and Mrs.M.M.Peters, Lady Superintendent, Corporation Girls' Schools was appointed by the Council on 11th March 1947 to hold full charge of the post of Educational Officer in addition to her own duties during the absence of Sri N.Sankaran as Officiating Deputy Commissioner.

In G.O.Ms.No.598 L.A., dated 22-3-1947 the tenure of my office as Commissioner has been fixed at 3 years commencing from 25th February 1947 Consequently the post of Deputy Commissioner which was sanctioned in G.O. Ms.No.1508 L.A., dated 11-9-1946 for a period of three years from 26-9-1946 fell vacant. The Council at its meeting held on 21-10-1947 resolved to appoint Sri N.Sankaran as Deputy Commissioner in the temporary vacancy caused by my promotion as Commissioner.

Consequent on the appointment of Sri N.Sankaran as Deputy Commissioner, the post of Educational Officer held by him has fallen vacant. The Lady Superintendent who has been placed in the additional charge of the post of Educational Officer as an emergent and temporary will have to be relieved of her extra duties and asked to look after Girls' Schools. The qualifications prescribed by Government in G.O.No.1581 L.A., dated 3rd May 1940 for the post of Educational Officer are "Graduate of any University with University degree in the art of teaching" and the scale of pay attached to it is Rs.250-25-500 plus Rs.100/- Motor car allowance.

At its meeting held on 21-10-1947 the Council while considering the question of the appointment of an Educational Officer in the place of Sri N.Sankaran resolved to request the Government to send a panel of three names of senior Officers of the Madras Educational Service whose pay is not more than Rs.750/- per mensem so that the Council may select one from among them, and appoint him as Educational Officer of the Corporation of Madras for a period of two years subject to the terms and conditions on which the services of a Government servant are ordinarily lent to the Corporation.

The Educational Officer is in charge of a very important branch of the administration and is more or less responsible for an expenditure of about 25 Lakhs. He has got to look after the efficient running of over 174 schools, 50 Reading Rooms, Adult Literacy Centres, Night Schools and Nursery Schools and Play-grounds. All these require the attention of an energetic Officer well experienced in the administration of elementary education. As it is difficult to secure the services of such an officer on Rs.250-25-500, the Council resolved to pay him upto Rs.750/- per mensem inclusive of 25% foreign service pay. I, therefore, request that Government may be pleased to send at an early date a panel of three names of senior officers of the Madras Educational Service whose salary including 25% allowance does not exceed Rs.750/- per mensem so that the Council may appoint one out of [illegible] as Educational Officer for a period of two years on foreign

NOTE FOR THE COUNCIL.

Subject:- ESTABLISHMENT - Deputy Commissioner and Educational Officer - Appointment of.

In G.O.Ms.No.598 L.A., dated 22nd March 1947 Government were pleased to appoint me as Commissioner for a period of three years with effect from the afternoon of 24th February 1947 on Rs.1,200/- per mense in the scale of Rs.1,200-150-1,500. The Council at its meeting held on 27th February 1947 appointed Sri N.Sankaran, M.A.,L.T., Educational Officer to officiate as Deputy Commissioner on Rs.750/- in the scale of Rs.750-50-1000 plus Rs.100/- motor car allowance in the vacancy caused by my appointment as Officiating Commissioner.

2. As the tenure of my office as Commissioner has been fixed in the Government Order cited above for a period of 3 years commencing from 25t February 1947 the post of Deputy Commissioner which was created for a period of three years from 26-9-1946 has fallen vacant. It is for the Council to decide whether Sri N.Sankaran, Officiating Deputy Commissi is to be appointed as Deputy Commissioner in the temporary vacancy cau by my promotion.

3. In the event of the Council appointing him as Deputy Commissioner the post of the Educational Officer has to be filled up. The appointment of Educational Officer has to be made under Sectiom 85 of the Madras City Municipal Act by the Council and confirmed by the Government. The qualifications prescribed by Government in G.O.No.15 L.A., dated 3rd May 1940 for the post are "Graduate of any Universit with University Degree in the Art of Teaching" and the scale of pay attached to it is Rs.250-25-500 plus Rs.100/- motor car allowance.

The Educational Officer is in charge of a very important branch of the administration and is more or less responsible for an expenditure of about Rs.25 lakhs. He has got to look after the efficient running of over 174 schools, 50 Reading Rooms, Adult Literacy Centres, Night Schools and

and Nursery Schools and Play-grounds. All these require the entire attention of an energetic officer well experienced in the administration of Elementary Education. It is not possible to get such an Officer on the existing scale of Rs.250-25-500. I recommend that this scale should be revised to Rs.500-25-750. The Lady Superintendent who has been placed in additional charge of the post of the Educational Officer as an emergent and temporary measure will have to be relieved of her extra duties and asked to look after the Girls' Schools. I am unable to recommend her for appointment as Educational Officer as it is difficult for her to do full justice to the multifarious duties which the Educational Officer has to perform and to exercise sufficient control over the staff working under her.

I, therefore, recommend that Government may be requested to send a panel of three names of senior officers of the Madras Educational Service whose pay is not more than Rs.750/- per mensem so that the Council may select one among them and appoint him as Educational Officer of the Corporation of Madras for a period of two years, subject to the terms and conditions on which the services of a Government servant are ordinarily lent to the Corporation.

The matter is placed before the Council for passing a resolution on the above lines.

The Corporation of Madras may also be required to meet the contributions towards the leave-sal and pension of the deputed officer.

In my letter G.D.C.No.A.3.557/47 dated 25-10-1947 Government have been requested to send at an early date, a panel of three names of senior officers of the Madras Educational Service as requested by the Council. As Sri S.Murugesa Mudaliar is 51 years of age, I consider that the Council may select one of the other two as they are sufficiently experienced and below 45 years of age. As there is no Educational Officer for over one year, I request that a decision may be taken to appoint an Officer for a period of 2 years subject to the foreign service terms. Under section 85 of the City Municipal Act the appointment of the Educational Officer should first be made by the Council of the Corporation. The appointment should then be confirmed by Government. With a view to have a wide choice of selection, the Commissioner has asked for a panel (x) of three officers. The D.P.I. has furnished the list. H.M.(Edn.) however holds the view that the name of Sri N.D. Sundaravadivelu, now working as D.E.O., Madura, (not in the list furnished by the D.P.I.) may be suggested to the Corporation. There is no objection to his name alone being sent to the Commissioner. A draft D.O. is submitted.

Commissioner's Note dated 28-1-50.

Establishment - Sri N.D.Sundaravadivelu, M.A.,L.T.,Educational Officer, Corporation of Madras - Extension of term of office - Sanction requested.

-B/29-30

In G.O.No.Ms.600, Education, dated 22nd March 1948, Government were pleased to sanction the loan to the Corporation of the services of Sri N.D.Sundaravadivelu, M.A.,L.T.,District Educational Officer, Madras, for appointment as the Educational Officer of the Corporation of Madras for a period of two years on the usual foreign service terms and conditions. He assumed charge of his new office in the Corporation on the afternoon of 31-3-1948. His term of office will expire on the afternoon of 31-3-50. As he has gained valuable administrative experience, the Corporation can ill-afford to lose his services at the present moment. He has no objection to continue in the Corporation for another term of two years. He requests that the question of suitably increasing his pay may also be considered.

P/

Under the terms and conditions governing his appointment in the Corporation as Educational Officer, Sri N.D.Sundaravadivelu is paid from 1-11-1948 Rs.300/- per mensem, his own pay in Government service in the scale of Rs.230-30/2-260-40/2-500-50/2-700, plus Rs.75/- foreign service pay in addition to a motor car allowance of Rs.100/- per mensem. The Corporation is also paying to Government, in addition, leave and pensionary contribution on his behalf. He will draw an increment of Rs.40/- on 1-11-1950 when his pay in Government service plus 25% of his foreign pay will come to Rs.425/- per mensem.

The scale of pay prescribed by the Council for the post of Educational Officer is Rs.250-25-500. The work of the Educational Officer has recently increased considerably consequent on the opening of new schools, play-grounds etc., and the Corporation Adult Education Scheme has further increased the work and responsibility of the Educational Officer. The existing scale of pay of the post is low considering the responsibility attached to the post and it has to be suitably revised. Under proviso (d) to Section 85(1) of the Madras City Municipal Act the monthly maximum pay of the Educational Officer shall not exceed Rs.800/- per mensem.

All things considered, I recommend that Sri N.D.Sundaravadivelu may be retained in the Corporation as Educational Officer for another term of two years from 1-4-1950 on a scale of pay of Rs.500-25-600 plus Rs.100/- (motor car allowance) and D.A. and H.R. . during the extended period and that his pay be fixed at Rs.500/- in the above scale from 1-4-1950 with the sanction of the Government.

When his pay is fixed at Rs.500/- in the above scale, the Corporation need not pay him the foreign service pay which is now being paid to him at 25% of his pay in Government service.

The matter is placed before the Council for sanctioning the above proposals.

Sub: Suits - Property tax - sale of properties in execution of decrees - Corporation to bid - Sanction of the Council requested.

The number of civil suit decrees pending realisation at present exceeds 1,500, of which the number of unrealised decrees obtained prior to January 1947 is 1,300, the amount involved being Rs.1,00,000/- inclusive of costs and interest. The main difficulty in the speedy realisation of these decrees is that court sales in execution of these decrees are not successful for want of bidders in almost all these cases. It takes a long time to bring a property to sale in execution of the decree but when it is actually brought to sale, there is hardly any one to bid, as the prospective bidders feel rightly that if they should bid, the sale of the property would be infructuous as the owner and judgment-debtor is likely to arrange to remit the decree amount into the Court in full settlement of the decree before the sale is confirmed by the court as the suit amount represents after all the taxes due for 3 years and costs. The smallness of the amount due under each decree, which in most of the cases is about Rs.100/-to Rs.150/-effectively discourages prospective purchasers from bidding at these sales with the result that the judgment-debtor knows that the auction will in the end prove ineffective and that he can, therefore, take his own time to pay the claim. Should the Corporation, however, choose to bid at the auction and attempt to purchase the property for the upset price, it would be the strongest incentive for the defaulter to pay the decree amount before the date of Court sale. It is most unlikely that any owner would permit his property to be purchased by the Corporation for mere non-payment of the taxes decreed.

At its meeting held on 6-7-1948, the Council as then suggested by the Commissioner accorded general sanction to apply for leave to bid and to bid at the auction of properties in execution of property tax decrees filed prior to 1935 or which were nearly nine years old. Such a procedure in respect of such old decrees has been found effective and the number of decrees over nine years old are very few. With a view to expediting collection of taxes covered by the decrees and mitigating the present abnormal delay in bringing the properties effectively to sale and avoiding ineffectiveness of the sales as at present, it is requested that general sanction may be accorded by the Council to apply for leave to bid and to bid at the auction in respect of all decrees obtained more than three years ago. This will result in expediting the collection of taxes generally.

The services of Sri N.D.Sundaravadivelu, D.E in the M.E.S., were lent, on foreign service terms, to the Corporation of Madras for two years from 1-4-1948 G/1 with a view to his appointment as its Educational Officer. One of the conditions of the loan was that under the Corpora the officer ~~might~~ should, in addition to his pay under the Govt. draw an additional pay equal to 25% of his pay plus allowances. Recently at the instance of the Corporation, the period of the loa of the officer's services was extended for 2 more years.

Now, at the request of Sri Sundaravadive the Corporation has resolved to fix his pay as Rs.500 in t scale of Rs.500-25-600 from 1-4-50 and has applied for Go approval. The Corpn.'s proposal does not satisfy the principle followed hitherto, viz., that the pay of a Govt. ser while on fore service should not exceed his pay under Govt. by more than 25% lest foreign service should become ~~[illegible]~~ attractive. Sri Sundaravadivelu's present pay is Rs.300; including the addl. pay of Rs.75, he draws a total of Rs.375. Ordina he will get the next increment of Rs.40, raising his pay to Rs.340, on 1-11-50. On that day, if 25% is added, hi total pay will come to Rs.425. Therefore, in effect, if the proposal is approved, he will be paid ~~Rs.125~~ unt 1-11-50 Rs.125, to Rs. 100 and for the rest of the period of the loan Rs.75, in excess of the amount admissible. The jus cation offered ~~by~~ for the grant of the higher pa is that the Corporation Edl. Officer's work and respo bilities have considerably increased. ~~This does not to be a valid justification.~~ It is for orders whethe this reason will be admitted and the proposal sancti as a special case. The Dir. says that he has no obje to the Govt.'s accepting the Corpn.'s resolution.

A clear case of the Corporation making its service more attractive & trying to deprive Govt. of the services of one of its officers. If the ~~[illegible]~~ work and responsibility of the Corporation Educational Officer have increased, the proper thing is for the Corporation to ask for the services – if it wants – of a Govt. servant of a higher status. It is very bad policy for Govt. servants to be permitted to draw far higher salaries in Corporation or Local Body employment than what their status in Government service warrants.

With reference to the letter G.IV Education 121 dated 7-6-1950 from the Accountant General, Madras, I have to state that Janab S.M. Ismail who is senior to Sri N.D. Sundaravadivelu in the category of Divisional Inspector of Schools actually joined duty as Officiating Divisional Inspector of Schools, Anantapur Division on the after-noon of 24th May 1950. Accordingly, Janab S.M. Ismail commenced to draw pay at Rs.600/- per mensem in the scale of Rs.600-1000 only with effect from 25-5-50. Sri N.D. Sundaravadivelu, being junior to Janab S.M. Ismail cannot be allowed to draw pay at Rs.600/- per mensem in the scale of Rs.600-1000 from a date earlier than 25-5-1950. There is, however, no justification to allow him the pay of Rs.600/- in the above scale only from 30-5-1950 with reference to the date of Sri K.P. Govinda Menon's joining duty as Divisional Inspector, inasmuch as Sri Govinda Menon is treated as junior to Sri N.D. Sundaravadivelu in the category of Divisional Inspectors. I suggest that Sri Sundaravadivelu may be allowed to draw pay in the scale of Rs.600-1000 with effect from 25-5-1950 treating him as having been appointed as Officiating Divisional Inspector of Schools with effect from 25-5-1950 fore-noon.
