Enclosures: ROC.No. 534 E1/47 dated 6th March 1948.

SUB: DIRECTION - Establishment - Office of the Director of Public Instruction, Madras - Continuance of the clerk sanctioned for the disbursement of special grants to aided secondary schools.

REF: G.O.2193 Edn., dated 11-10-1947.

In G.O.No.2193 Edn., dated 11-10-47, sanction was accorded for continuance of the post of Upper Division Clerk employed for the detailed scrutiny of pending special grant statements of 45.46 and those to relate to 46.47. This sanction expires on 31.3.1948.

It is found necessary to continue this post during the next financial year also for the following reasons.

Since Government are considering the applicability of the enhanced rates of D.A. sanctioned in G.O.99 Finance dated 29.1.1948 to the staff (i) aided schools other than elementary, special grant has to be calculated and sanctioned on behalf of individual members of the staff in aided secondary schools at the varying rates of D.A. now in force for all schools whether D.A. has not been paid at Government rates.

Correspondence relating to cases in which managements plead inability to pay D.A. at Government rates and consequent investigation into the financial resources of such schools would also engage much time. Besides References from Government regarding weightage, cost etc. on the adoption of either the local body scales or the Government scales by managements of aided schools are being received, and much time has to

be spent every time, such government references are answered.

For the above reasons, I recommend that Government may be pleased to sanction the continuance of the Upper Division Clerks post for one more year from 1.4.1948.

I may add that the calculation of special grant by itself occupies much time and the extra clerical assistance prayed for is therefore very necessary.
