Strengthening the office of the Commissioner for Government Examinations, Madras - Part II Scheme for 1948-49 - Proposals - Submitting.

FROM (Name): DR.S.R.U.SAVOOR, M.A., D.Sc., I.E.S.,  
(Designation) Commissioner for Government Examinations,  
M A D R A S .

TO  
The Secretary to the Government of Madras,  
Education and Public Health Department,  
Fort St. George,  
M A D R A S .

Sir,

I have the honour to state that Government in their Order No.747 Edn., P.H., dated 8-4-1946 declined to consider my proposals to (1) raise the status of the office to that of an "A" class and (2) to improve the status and scales of pay of the Secretary and the Assistant Secretary. In the same order, the Government were, however, pleased to sanction the additional staff asked for in this office letter C.No. 315-A/45, dated 29-9-1945.

2. In my letter R.O.C.No.315-A/45, dated 9-5-1946, I requested Government to reconsider the proposals. The Government in their Memorandum No.24933-B-1/46 Edn., dated 13-9-1946 informed me that it was too soon to reconsider the proposals and that I may renew the same in 1948 after some experience is gained on the reorganisation ordered in G.O.No.747 Edn., and P.H., dated 8-4-46.

3. In connection with the remarks called for on the recommendations of the Cabinet Committee for the revision of salaries, I recommended to Government to raise the status of the office to that of an "A" class office and to revise the status and the scales of pay of the Secretary and the Assistant Secretary as I strongly felt the need for such reorganisation. While the Government were pleased to sanction the conversion of the office of the Commissioner of Labour into an "A" class office with which office I had compared the status of my office in my letter R.C.No.308-A/45, dated 13-12-1946, the Government declined to accede to my request--vide G.O.No.209 Edn., dated 6-2-47.

4. In the capacity of the Director of Public Instruction I have addressed Government in my letter C.No.664F.7/47, dated 28-9-1947 on the need for the appointment of a Deputy Commissioner for Government Examinations. I have also mentioned in that letter the need for interchange of posts between the Commissioner for Government Examinations' Office and the Director of Public Instruction's Office. I now strongly urge the Government to sympathetically consider my request which is being submitted to Government after mature thought taking into account the onerous, responsible and highly confidential nature of the work done in this office.

5. The work in this office has increased by cent percent over that of 1937 as the enclosed annexure will show. But the staff has not been proportionately doubled. It has, therefore, become necessary for me to submit further proposals to Government for strengthening the non-Gazetted establishment.

6. I agree that the non-Gazetted establishment of the office

was strengthened only in 1946 by the sanction of the marginally noted establishment, but I consider that it is absolutely necessary to further strengthen the establishment by the appointment of the following staff from 1-4-1948 to cope up with the increase in work which is both onerous and responsible. I find the present staff is overworked and hence inadequate to carry out the duties of an examination office, which demands secrecy, punctuality and precision.

2 U.D.Clerks  
4 L.D.Clerks  
1 Typist  
1 Attender  
2 Peons

- 2 Superintendents--Rs.140-5-190 (by converting the two posts of Upper Division Clerks in the scale of Rs.80-3-95-5-125).
- 4 Upper Division Clerks--Rs.80-3-95-5-110  
3 Lower Division Clerks--Rs.45-3-60-2-90  
1 Typist Rs.45-3-60-2-90  
1 Attender Rs.24-1-32-1-35  
2 Peons Rs.16-1/2-25.

Provision for the conversion of the two posts of Upper Division Clerks into two posts of Superintendents has been recommended because as many as twelve examinations are conducted by the office and it is desirable to place the main examination sections at least under the supervision of Superintendents, with better scales of pay.

Though mathematically calculated the office would be eligible only for one additional attender and five peons over the staff sanctioned in 1937, I consider that the additional staff asked for is necessary in view of all round increase of routine work, both indoor and outdoor.

7. The additional ultimate expenditure involved by the proposals contained in para 6 above will be as indicated below:-----

8. In this connexion, I wish to inform Government, that the additional expenditure involved on account of these proposals, including that of the Deputy Commissioner for Government Examinations need not be met from the General Revenues, as the Examination Revenues will not only cover this additional expenditure, but also leave a surplus of about half a lakh of rupees.

The Commr. has now sent proposals for further strengthening of his non-gazetted establishment of his office to cope with the increased work. He has also separately addressed the Govt in the capacity as D.P.I. on the need for the appointment of a Deputy Commr. for Govt Exams and for the interchange of posts between the Commr's office and the D.P.I. office.

The latter proposal is separately under consideration.

The proposal of the C.G.C. for further strengthening the non-gazetted establishment of his office, calls for the following remarks:-

(1) It is only in 1946, the non-gazetted establishment of the office of the C. G. E. has been increased. When the C. G. E. has sub-proposals in May '47 for converting the two posts of upper division clerks in the grade of Rs 90-100, to the posts of Supts in the grade of Rs 140-5-190, apparently, to benefit the present incumbents of the posts, who are not benefited by the revised scales of pay sanctioned in G.O. No. 78 Fin. dt. 6.2.47, his proposal was negatived - vide sub. mail notes on pp 3-4 of G.O. No. 1491 Edu. dt. 10.7.47. The Commr. has now again proposed for the conversion of the two posts of u.d. clerks into the posts of two Supts. The C. G. E. has however, not adduced any new or fresh reasons, to reconsider the order <sup>recently</sup> approved at ~~the~~ in May last. (2) The Commr. states that the work in his office has increased by cent. per cent. over 150% of 1937, as shown in Annexure I on pp 3-4 CPA. This Annexure shows only the number of candidates registered in for examinations, the number of centres, the number of examiners, the number of Contingent, T. & Bills etc, and the receipts from the exams in the years 1937, 1942 and 1947. The increase in the work of the office of C. G. E. due to the increase in the number of candidates registered etc <sup>may</sup> be only of routine nature though confidential. The Commr. has not furnished details, regarding the number of letters received in his office, the nature and the number of disposals, how many of them are of routine nature etc, during the last 10 years, by which only the increase in the work of an office can be rightly assessed. In the absence of any such details it is not possible to accept the statement of the Commr. that the work in his office has increased by cent. per cent. over that of 1937, as to justify the appy addl staff proposed by him. For this, while stating that the

work in his office has increased since 1937, the Commr. has taken into account the work connected with the examinations of the School of Indian medicine. It is submitted that the School of Indian Medicine has since been raised to the status of a college and gradually, there may not be any need for the Commr. to conduct these exams. 3) The additional expenditure on account of the Commr. proposal is estimated at Rs 10,500/- a year. In the present state of provincial finances, the Govt. can ill-afford to <sup>meet</sup> this extra cost recurring expenditure of Rs 10,500/- a year. 4) The Commr. states that there will be no addl expenditure involved on account of his proposal, as the Exams. Revenue will not only cover this addl expn but also leave a large surplus. This is wrong. The receipts on account of the Exams. should be credited to the general revenues, and all expn connected with the Exams. should be met from the general revenues. No formal account of profit and loss is maintained in respect of any service dept. If the continuation of the Commr. were to be allowed, the Govt. dept. collecting revenues for the Exams. can put up proposals for addl staff. The assumption of income and savings in other departments ~~therefore~~ <sup>is therefore</sup> in support of proposals for addl staff is therefore untenable. 5) In view of the proposals for the reorganization of the secondary Edn. and under the consideration of the Govt. it is likely that the work in the office of the C. G. E. will also be reorganized. This is not therefore, an appropriate time, for ~~proposing~~ <sup>strengthening</sup> the establishment of the office of the C. G. E. (6) Attention in this connection, is also invited to the position marked 'X' in p 3 of G.O. No. 577 Fin. dt. 1.8.47. The present proposal of the

does not seem to be a scheme coming under clause (d) therein.  
 (d) ~~the~~ 3/ In these circumstances, it does  
 not appear that the C.G.E. has made out  
 a good case, for his present proposal.  
 The proposal may therefore be negatived.  
 The remarks of Jm may be noted in view  
 to circulation

To cope with the slight increase of work, additional staff  
 has already been sanctioned in April 1946. No further  
 strengthening of the office seems necessary. <sup>at present</sup> Further,  
 the retrenchment and reorganisation committee is at work,  
 and until their decisions are known it is not advisable to  
 add to the existing staff.
