Contribution to Elementary Education Account:- Provision is made for a contribution of Rs.6,700 in the R.E. for 1947-48 against Rs.6,020 approved by Government. The increase over the approved contribution for 47-48 is small and may be allowed. For 1948-49, the Council has proposed a contribution of Rs.8,510. The standard contribution is only Rs.4,220, leaving the deficit under the Elementary Education to be wiped off by adjustment from the arrear toll compensation likely to be sanctioned in 1948-49.

Closing balance (a) R.E. for 1947-48: According to R.E. for 1947-48 as framed by the Council the General Account Ordinary for 1947-48 opens with a balance of Rs.8,670 and closes with a balance of Rs.12,290. If it is revised with reference to the closing balance for 1946-47 as per audited accounts for that year and with reference to paras 3,4, and 7 above and if the arrear toll compensation is excluded, the closing balance for 47-48 will be reduced to Rs.3,836 against the prescribed minimum balance of Rs.7,260. In order to make up the deficiency in the minimum working balance the Council may be permitted to adjust to its General Account a sum of Rs.3,424 from the arrear toll compensation of Rs.19,502 sanctioned in the current year. The balance in the arrear toll compensation will be available for wiping off the deficit, if any, in the Elementary Education account.

(b) B.E. for 1948-49:- Taking Rs.7,260 as the opening balance for 1948-49 and revised with reference to paras 2 (b) 3, 4, 6 and 7 above and excluding the arrear toll compensation, the B.E. for 1948-49 will close with a balance of Rs.5,492 against the prescribed minimum balance of Rs.7,600. The council may be permitted to make up the deficiency in the minimum balance by adjusting Rs.2,110 from the arrear toll compensation which is to be sanctioned next year.

.....The variations in the several items of expenditure between the years 1946-47 & 1947-48 are mostly due to the additional expenditure which the Municipality was called upon to incur by way of payment of revised salaries, advance increments on account of weightage of service, and Dearness allowance to its employees during 1947-48.
