~~At the informal meeting of the Cabinet held~~ yesterday, it was decided that the L.C.E. course need not be abolished. It was also considered that in view of the large number of Engineers that we are training whether we would require a large number of junior officials who would help these Engineers to do their work. In fact, while we are able to get many Engineers now, we have not been able to get Overseers or Supervisors and so, the Cabinet decided at the informal meeting of the Ministers that we should also make an attempt to serve these Overseers and Supervisors. Schemes may be forwarded for such training.
