634 Education and Public Health Department
G.O.MS. NO. 2035 EDUCATION DATED THE 23^d. 3-48.
~~GOTT SEPTEMBER 47.~~

In G.O.s. No. 975 Education dated 10-5-1947 and No. 1154 Edn. dated 5-6-1947, the Government sanctioned the introduction of revised scales of pay for teachers in elementary schools under local bodies as from 1-1-1947. It was ordered that the pay of each of the existing incumbents should be fixed in the revised scale at the stage next above the aggregate of his pay in the existing scale of pay and his temporary additional pay or personal pay, if any, whether such aggregate represents a stage in the revised scale or not. If such aggregate is less than the minimum of the revised scale, his pay should be fixed at such minimum. These orders have not benefitted appreciably teachers who have put in long service under local bodies.

3. In partial modification of the orders in para 1 of G.O.No. 975
Edn. dated 10-5-47 the Government direct that the initial pay of teachers
employed in elementary schools under the district board, municipal council
and municipal councils specified in the appendix shall be re-fixed
in the revised scales in accordance with the following provisions, namely:

(b) if such aggregate is less than the minimum of the revised scale, his pay shall be fixed at such minimum;

(c) After his pay is fixed under clause (a) or clause (b) as the case may be, he shall be granted advance increments in the revised scale as specified below ~~on~~ without any claim for arrears.

(i) for a service of 4 years and more but less than 8 years in the existing scale -- ONE ADVANCE INCREMENT

(ii) For a service of 8 years and more but less than 12 years in the existing scale. -- TWO ADVANCE INCREMENTS.

(iii) For a service of 12 years and more but less than 13 years, in the existing scale --- THREE ADVANCE INCREMENTS.

(iv) For a service of 16 years and more in the existing scale --

FOUR ADVANCE INCREMENTS.

(d) where an employee is granted any advance increment or increments under clause (c), ~~only service from the date on which such advance increment or increments are given, shall count for further increments in the revised scale.~~

(e) An employee not eligible for any advance increment under clause (c)

shall be allowed to count service in the existing scale of pay for increments in the revised scales of pay up to a maximum of one year.

(f) If the aggregate of his pay in the existing scale and his temporary additional pay is higher than the maximum of the revised scale, his pay shall be fixed at such maximum and he shall draw the excess as personal pay.

(g) Except in cases falling under clause (f) the pay fixed for an employee in the revised scale shall in no case exceed what would have been admissible had he been in service in the revised scale from the beginning of his service.

(h) An employee whose pay in the existing scale of pay is affected adversely on account of the operation of clause (g) by his electing to enter the revised scale, shall have his pay fixed with reference to Fundamental Rule 22 and service rendered at the present stage of pay in the existing scale which has not been counted for increment shall count for increment in the revised scale up to a maximum of one year.

NOTE: 'Service in the existing scale of pay' in relation to any post, means service in such post up to and inclusive of the 31st December 1946, exclusive of (i) temporary appointment or promotion and (ii) service which has not been, or may not be, counted for increments in any scale of pay applicable to the post at the time.

4. The additional expenditure involved on account of the grant of advance increments should be met entirely from the elementary education fund of the local body concerned. No subsidy will be paid by Government to the local bodies towards the deficit which may be caused by the grant of advance increments to teachers.
