My I am a refugee from Lahore in West Pakistan. Before the holocaust of murder, arson and loot began in the west-Pakistan, I was a regular student of the final B.Sc. Class of Forman Christian College, Lahore. Physics and Chemistry were my subjects and had the communal trouble not interrupted my studies, I would have certainly passed my B.Sc. examination. The disorder in Lahore and other places in the Panjab do not show any sign of abatement. As it is clear that the courses prescribed by the Indian Universities for B.Sc. final examination can not possibly be the same as those of the Panjab University, I can not join any other University in India for my final B.Sc. examination. In the circumstances, I have been compelled to give up my B.Sc. studies and to seek election to your college.

p3-6 in file
I passed both my Admission (Matriculation) and F.Sc. (Intermediate) examinations in the Second Class with mathematics, Physics and Chemistry. I have been a good student throughout my school and College life. I am enclosing copies of certificates^{testifying} to the above effect. Before the troubles began, I was recommended by Barwani Durbar for admission to the MacLagen College of Engineering and if things had been normal, I had a very good chance of admission to that institution. As my

future career is likely to be permanently ruined by the disturbances in the Panjab, I do hope that you would very kindly admit me to your College immediately so that in course of time, I may turn out to be a useful servant of India. I am willing to pay any capitation fee that you may require from me.

I beg to remain,
Sir,
Your most obedient student,

Sir,

Sub: College of Engineering, Guindy - Admission of refugee students - Uttam Singh Dutt Chowdri.
Ref: Government Memo 75121-1/47-A Edn, dated 25.9.47.

I have the honour to state that the question of admission of refugee students in the Engineering Colleges in this Province has already been taken up by the Government of India, Ministry of Education, New Delhi and proposals for their admission have already been submitted to Government in my letters Rc.1378 K2/47 dated 7-10-47 and 9-10-47. It is unnecessary to deal with individual applications like the one in question. The Principal, College of Engineering, Guindy suggests, and I agree with him that the applicant may be directed to apply to the Deputy Educational Adviser to the Government of India who is dealing with the question.

Sir, Sub: Engineering Colleges - Admission of
refugee students from Hyderabad.

I am to state that the Govt. have received an application from a refugee student from Hyderabad for admission into the Govt. Central Polytechnic at Madras. It is likely that similar applications may be received from refugee students from Hyderabad for admission into the Engg. Colleges in this Province. The Govt., therefore, desire that the position in regard to these students should be clarified, to him to enquire whether the Govt. have under consideration any

scheme for the admission of refugee students from Hyderabad into ^{Medical and} Engineering colleges in the Indian Dominion, and if so, whether the Govt. of India will meet all expenditure on tuition fees etc., on behalf of these students. If the Govt. of India are not sponsoring ^{any} such scheme, I am to request you to say whether that Government will be prepared to meet the expenditure on tuition fees etc., on behalf of these students applying direct to this Govt. and admitted into the Engg. Colleges or whether the students themselves should be required to meet all the expenses. I am to request that an early reply may kindly be sent.

Sir,

In continuation of this Ministry letter of even
number dated the 6th February, 1948, on the subject
mentioned above, I am directed to say that the Government
of India have at present no scheme for assistance to
refugees from places other than the Western Pakistan.
Further in view of the standstill agreement between the
Indian Union and the Hyderabad State, the Central
Government do not consider that students from this state
should be treated as refugees.

In the meantime, these names may be included in a tentative list of applications for admissions. We need not bind ourselves to admit only boys recommended by the Government of India. One or two other ~~names~~ urgent cases if we may think fit, may also be admitted. And so, while this reply may be sent, that list may be maintained.

2. W.V.T. H.M.'s minute above, it may be noted that, so far, this is the only application received in re: admission to the Engg. course. The G. of I. have been separately informed that only 37 Refugee students can be admitted into the Engg. colleges in this Province. If the applicant contacts the G. of I., and gets his name included in the list of 37 students that will be sent by the G. of I. to this Govt., it is well and good.

Secretary, E. & P.H.

I am getting applications from many refugee students and parents for admission of their boys into colleges. We have tried to get some of them admitted into Engineering and Medical Colleges. The proper way of selecting them may be that they may apply to the D.P.I. who will maintain a register of these applications and select from them such of those people whom we may be able to admit in our colleges. Such of those students who apply through the Central Govt. may also be considered along with these. 149-11-4

Please see herewith two such letters. They may be forwarded to the D.P.I. One of the applicants has written that we have announced to admit these refugee boys free. I do not think we have made any such promises. The matter may be looked into and put up.

A draft letter to the D.P.I. may be put up.

Please see H.M.'s minutes on the previous page and above.

Some time back the Govt. of India asked whether this Govt. could make arrangements to absorb some of the refugee students from Punjab and Sind. Please see the reply sent to the Govt. of India in the linked file.

From the reply sent to the Govt. of India it will be noticed that the entire expenditure on account of the ~~refugee~~ students is to be met by the Govt. of India or the students. If this Govt. select students outside the list to be sent by the Govt. of India there is the possibility that this Govt. themselves may have to bear the expenditure of the refugees by providing in all cases and the Govt. of India may say that the students

not sent by them. It is for orders whether in these circumstances ~~whether~~ a separate list should be maintained here.

As regards the letters on pp 9-11 of -

The candidate referred to in the first letter is only a matriculate and he is not fit for admission into the Engineer class. He may be eligible for admission into a Polytechnic. It is for orders whether the application may be forwarded to the Dev. dept. which deals with Polytechnics.

The candidate referred to in the second letter comes from Hyderabad. Since now we have been considering the question of refugees from Punjab and Sind. It is for orders whether refugees from Hyderabad will be brought within the scope of refugees from Punjab and Sind. In that case it would seem desirable to ask the candidate to apply to the Dy. Sec. Admision to the Govt. of Hyderabad. If the candidate wants admission in the "Central Polytechnic College" Hyderabad, the file may be circulated to the Dy. Sec. Admision to the Govt. of Hyderabad.

19/11/47

19/11/47

Normally, the admissions of refugee students from Northern India to the Engineering Colleges may be done through the Government of India so that the fees for ~~these~~ those students may be recovered from the Government of India. In certain exceptional cases, we may order direct admissions but on condition the students pay their fees, but perhaps that question may not ordinarily arise.

The notes from p.3 above may be read. The case has been remitted to this dept

for remarks on the question of admission of Student
refugees from Hyderabad, in the Engineering Colleges
in this province. It is noted that there is already
a scheme which is being ~~worked~~ in consultation
with the Govt. of India so far as admission of
refugees from Punjab and Sind is concerned.
Please Mr. D.P.I.'s Mr. Prof. and E.P.H. depts. Mr.
Mr. & Mrs. There seems to be no objection to include
Hyderabad Refugee Students also in the above
scheme. The Hyderabad Refugees may be placed on
par with Punjab and Sind Refugees in the
matter of admission into educational
institutions in this province.

2. With these remarks, we can
may be sent to E.P.H.

On 8/1/48 A above - Have India
agreed to help these refugees
from Hyderabad and bear the
expenses? I think not. The
Students if admitted, should themselves
pay the fees.

AAS's. query above.

- Submitted. "No." It was for that reason

what was suggested by office was that E & P.H. may take
up the matter with the Govt. of India for inclusion of
Hyderabad Refugee Students in the ~~the~~ scheme relating to
Refugee Students from Punjab & Sind. Unless the
Govt. of India agree to pay the fees etc. of the ^{Hyderabad} Refugee
Students, the Students themselves may have to pay their fees.

I do not think Hyderabad refugees
can be treated on a par with

with refugees from Punjab and Sind in view
of the Standstill Agreement with Hyderabad.

for clarification.

E.P.H. (A)

The notes of Public and Home
on ps-7 above may be perused. It is submitted
that even in the case of the Pakistan refugee
Students, proposed to be admitted into the Engg.
colleges in this province, the G. of I. have not,
as such, agreed to bear the expe. on fees etc. of
the Students. This Govt., while informing the G. of I.
that 37 Pakistan refugee Students ~~could~~ be admitted
into the Engg. Colleges in this Province, informed them
that either the G. of I. or the Students themselves
should bear the expe. on fees etc. But, in reply,

the G. of I. have stated that ~~the~~ arrangements
have been made for the admn. of the Pakistan
refugee Students ^(in question) in other colleges. In the
circumstances, the 37 seats originally offered
to the Pakistan refugee Students can easily be
made available for refugee Students from
Hyderabad. But so far no applications have
been received from refugee Students from Hydera-
bad, seeking admission to Engg. colleges in this Province.
It is therefore for orders whether the G. of I. ~~need~~
~~need~~ be addressed on the question whether
they will bear the expe. on fees etc. of the
Hyderabad refugee Students or whether the
Students themselves should bear the expe.

We may move to Shrin
