With reference to para 2 of the above Government
Orders, I have the honour to submit the following for the --
approval of the Government:--

Cost of the course for this year (Nine months):--

Pay of Assistant Lecturer - Rs.120 x 9	Rs.1,080
Pay of Part-time instructor-Rs. 30 x 9	270

T O T A L	Rs.1,350
-------------------	----------

strength	30 Pandits.
Average - $\frac{1350}{30}$ =	Rs.45/- per m.

I may also add that anything above this figure
will be excessive. I request that Government may pass every
early orders in the matter so that the same may be communi-
cated to the Principals. Further, fees have to be collected
from a trainee of the Kannada Section at Mangalore.

In para 4 of G.O.No. 818 Education dated 22-4-47
it was stated that there was no case for granting stipends to
candidates for undergoing the training. But the principal,
Teachers' College, Saidapet has suggested that stipends at the
rate of Rs.25/- per mensem may be paid to the student. I may
state that however there seems to be no objection to making a
suggestion that stipends at the rate of Rs.18/- per mensem as
in the case of Secondary Grade trainees may be granted to --
Pandits under training.

EDUCATION - Secondary - Training of Pandits for employ-
ment in Secondary Schools - Tuition fees for outsiders -
Fixation.

From the Director of Public Instruction, R.C.No.7802-E4/46
dated the 3rd February 1948.

Please see the orders in para 2 of G.O.No.2275
Education, dated the 27th October 1947. The Director of
Public Instruction has recommended that a fee of Rs.45/-
arrived at as shown below may be collected from the students
belonging to other Provinces studying in the training classes
for pandits:-

Cost of the course (Nine months).

Pay of one Assistant Lecturer - Rs.120 x 9 1080

Pay of one Part-time Instructor - Rs.30 x 9 270

Total. 1350

Strength of the class ... 30 Pandits.

Cost per student (to be collected from outsiders). $\frac{1350}{30}$ Rs.45/-.

2. The training classes in Tamil and Malayalam
have not been opened for want of sufficient strength. The
strength in the Telugu and Kannada classes is 17 and 35
respectively (out of the 35, one is an outsider). For the
purpose of arriving at the fee to be collected from outsiders
the Director has taken 30 Pandits as the average strength
for each of the Telugu and Kannada classes. It may be pointed
out, in this connection, that the initial pay of the Assistant
Lecturer has been taken into account for the purpose of
calculation. If the average of the scale - Rs.120-240 - is
taken into account, the fee to be collected from each out-
sider works out to nearly Rs.93/-. As the Director considers
that anything more than Rs.45/- is excessive, he has not
taken the average of the scale of the Assistant Lecturer
into account. His recommendation that a fee of Rs.45/-

3. In this connection, the Director reports that the Principal of the Teachers' College, Saidapet, has suggested that a stipend of Rs.25/- may be given to the pandits under training. The Director recommends that a stipend of Rs.18/- may be granted to them as in the case of the Secondary Grade Trainees. Attention is invited to the minutes of H.M.(Edn.) at 'A' on page 3 n.f. and the orders in para 4 of G.O.No.

818 Education, dated the 22nd April 1947. It is for ~~orders~~ ^{consideration} whether the previous ~~orders~~ ^{was} that there is no case for granting stipends to pandits under training ~~will~~ ^{may} be reconsidered. ~~and the amount of stipend recommended by the Director may be made~~

4. The remarks of Finance may be invited U.O. prior to circulation.

Finance (A.A)

Please see the note on pp. 1-2 above.

B above:- The proposal of S.H.U. may be accepted.

A m H. 1-2 above:- B.W.H. have stated that, if the average pay of the Asst. Lecturer is taken into account, instead of the minimum of the scale of Rs 120-240 as adopted by the S.P.D., the rate of fee to be collected from each outside work art to Rs. 93 p.m. If in addition to this, d.a., ^{P.C.F.} and ~~the~~ allowances, and leave and pensionary contribution are also taken into account, the fee to be collected from each outside will be much more. Therefore, the rate of Rs 45/- now proposed by the S.P.D. is too low.

In the circumstances, S.B.H. may be requested to consider, in consultation with the S.P.D., whether it would not be equitable to collect a fee of at least Rs 90 p.m. from each outside.

The

No need to
reconsider his
previous orders. ~~The~~
^{My} revision of pay of the
panelists is under
consideration.
