EXPLANATORY MEMORANDA.

Revised Budget estimate for 1947-48.

RECEIPTS.

M A sum of Rs.12400/- is anticipated as gross receipts under the education tax. The difference between the actuals and the Revised estimate receipts is due to the fact that the rental value of many buildings which were under assessed have since been properly fixed and assessed with retrospective effect under rule 4 of Schedule IV of the Madras District Municipalities Act. The net education tax anticipated amounts to Rs.11550/-.

SGO, J2.

2. A sum of Rs.3550/- is taken as grant under section 37 of the Elementary Education Act worked out on the basis of receipts realized during the year 1946-47 as per instructions issued by Government in G.O.No.580 Edn., dated 6-4-45. The entire grant under the Arrear toll compensation grant is proposed to be utilized for wiping off the anticipated deficit as per instructions in para 9 of G.O.No. Ms.284 L.A., dated 20-2-47. In addition to this, a sum of Rs.14,151 is to be transferred from General account as contribution for wiping off the deficit.

EXPENDITURE.

P 3 Owing to the introduction of revised scales of pay and grant of increments on weightage of service rendered with effect from 1-1-47 there is a heavy expenditure under salaries of the teaching staff, and consequently a rise in the contribution to Provident fund.

BUDGET ESTIMATE 1948-49.

RECEIPTS.

A sum of Rs.12300/- is anticipated during the year as gross receipts under Education Tax.

A sum of Rs.3550/- is anticipated as grants under Sec.37 of the Act.

The full grant under arrear toll compensation is taken credit under the Elementary Education Funds as there is a heavy contribution of Rs.20,652/- from the General funds even after taking this credit. This heavy contribution is due to the fact that the teaching staff have been given benefits of the revised scales of pay and grant of increments for weightage of service.

Capital - No receipts.

EXPENDITURE.

2 additional teachers of higher grade are proposed to be appointed during the year, in Telugu Girls' School and Bosepet Girls' School and provision has been made for the same.

The advance of Rs.3000/- paid by Government in G.O.No.Ms. 679 Edn., dated 26-3-42 for wiping off deficit has since been cleared and hence no provision is made for it in the budget.

1948-49, Gudiyattam Municipal Council.

7. Transfers to other accounts:- (1) Elementary Edn. Acct. The contribution agreed to in 1942-43 was Rs.10,210. In the E.E. budget for 1947-48 and in the orders sanctioning revised scales of pay to the E.E. staff a contribution of Rs.12,610 from General funds and Rs.11,918 from the A.T.C. was ordered to be adjusted to the E.E. fund in the current year. In its R.E. for 1947-48 under Ely. Edn. account the Council has provided for a contribution of Rs.14,791 from general funds and Rs.11,918 from the A.T.C. and has balanced the E.E. account. In 1948-49 the Council poses to utilise the entire arrear toll compensation likely to be sanctioned in 1948-49 and has balanced the E.E. account. The E.E. fund will work at a deficit of Rs.22,360 if the contribution is restricted to the usual amount and the arrear toll compensation is not adjusted. The Council is now levying Edn. tax at 4% per annum and the total rate of property tax is 25% per annum. There is no scope for further increase in the rate of tax. The arrear toll compensation will not be available from 1949-50. The general funds cannot afford to contribute such heavy contributions in future to the detriment of its general funds. The E. & P. H. Deptt. may therefore be requested to devise means for stabilising the finances of this account at an early date. The Commissioner has suggested that a saving of Rs.5,000 in expenditure can be effected by closing some schools and clubbing them into the schools near to them. Vide k on page 7 c.f. but the Council turned down the proposal. Pending orders on the E.E. budget the contribution provided in the Estimates may be allowed to stand.

15. Closing balance: Revised with reference to the foregoing paragraphs the R.E. for 1947-48 closes with a deficit of Rs.16,697 against the requisite minimum balance of Rs.12,000. The deficit is due to the increased contribution to E.E. fund. and to the heavy capital expenditure from general funds. In the B.E. for 1947-48 a capital expenditure of Rs.12,750 was provided which has been increased to Rs.3,4700 without regard as to whether funds exist for the same. The Commissioner has not stated the stage of capital work provided in the R.E. for 1947-48 and it is not possible to gauge which of the works can be stopped in 1947-48. No grant is admissible to the Council for having given effect to revised scales of pay. The Commissioner may be

asked to report the various stage of progress of works I Not necessary at provided under capital in 1947-48 and state how much of this late stage. the expenditure can be post-poned in the current year. I see below.

Adopting the opening deficit of Rs.16,697 the B.E. form 1948-49 will close with a balance of Rs.33,747 against the required minimum balance of Rs.14,000. No grant is there fore necessary to this council in the current year.

The position of the E.E. account is far from satisfactory. In spite of enhancement of rate of tax, heavy contribution from general funds and the adjustment of the entire toll compensation grant, the fund still works at a deficit. A further enhancement of the tax does not seem feasible, nor can the general funds make a large contribution. The A.T.C., will not also be available from 1949-1950. The only alternative seems to be to reduce expenditure by closing down some of the schools.

The Commissioner appears to have made such a proposal in connection with the present budget but the council turned it down. This is a matter for E & P.H. Department to consider.

I do not like to agree with the suggestion that some schools should be closed unless they are too close to other schools and ~~are~~ really unnecessary. How many schools ~~are~~ does this municipality maintain? What is the total no. of teachers.
R.D.P.
28-1-48.

From the administration report of the Council for 1948-47 it is observed that there are 9 boys schools and 8 girls schools in Gudiyattam. The total number of teachers is 67.

29-1-48.

How does this compare with the number in other towns of this size.

R.D.P.
29-1-48.

With reference to the Secretary's query on page 5 ante a statement is submitted below vide 9. It will be seen ~~there~~ there from that only Mayavaram and Adoni have more schools. Some Councils with less number of schoolshave more teachers (Erode & Cannanore).

30-1-48.

I do not think that any of the existing schools should be allowed to be closed down. They need to "spaced" properly in the town and of course improve in efficiency.
