I have to bring to your notice that due to non-availability of railway transport since January, many items of machinery and equipment ordered for this College are held up in Madras and Cochin Harbour. I have addressed the railway transport authorities, South Indian Railway and Madras & Souther Mahratta Railway, and from them I understand that due to wagon shortage, booking of goods to Coimbatore is restricted under the orders of the Chief Operating Superintendent, Madras. As the financial year is ending ~~and unless the goods are taken delivery of~~, a considerable portion of the budget allotments will lapse unless the goods are received and payments made before the end of March. I request that Government ^{will} do the needful with the railway authorities so as to make available immediately for us six wagons as indicated in the tabulated statement below.

Goods awaiting railway booking facilities	Supplier	Wagons required	Remarks
Fordson Wagon Engine with chasis, engine components and tools. Automobile tools.	Union & Co.(Motors) Ltd., Madras.	2 covered wagons	
Coal, Coke, iron and steel	South India Coal Trading Co., Madras	1 covered wagon.	
Furniture, shelves, etc.	Godrej Boyce & Co., Madras	2	
Do-all machines.	International clearing & Shipping Agents, Cochin.	1	This wagon is required from Cochin Harbour where the goods have been landed and are awaiting despatch.

A copy of this letter is also submitted direct in order to expedite procurement of railway bookings if possible within a week.
