From

Headmaster, Government Secondary Training School
for Masters,

Tanjore.

To

The Director of Public Instruction,

Through

The District Educational Officer,

Sir,

Fixation of pay - Sri. S.V. Gopala Ayyar - Accountant
General's R.O. No. 1435-A/47, dated 2-10-47 - Responde-
ration prayed for

I entered service in the ordinary grade combined cadre
of school assistants and Deputy Inspector of Schools in Feb-
ruary 1920. I was promoted to the Selection grade in July 1941
My pay on 31-12-46 was Rs. 200/-.

In G.O. No. 73 Finance dated 6-2-47 when applying the
principle of rule 9-2-C for fixation, the clause under
9-2-G, limited the scope of fixation on calculation of services
in the post in which the incumbent was. But in amending this
clause in G.O. No. 296 Finance 26-4-47, latitude is given in fix-
ing the pay to take the services from the beginning of the
incumbent's coming to service (such of the services as are
counted for increment) In applying this principle I would
be getting the maximum in the revised scale i.e., Rs. 245/- for
the I Grade. So I applied to the District Educational Officer
Tanjore, to fix my pay at Rs. 220/- calculating my services from
the selection grade for purposes of advance increment, which
was accordingly fixed as per his R.O. No. 1435-A/47 dated 11-6-47.

Copy not read

Subsequently in G.O.No.597-Financedated 9-7-47, Government have re-revised the scales of pay of G.O.No.78 Finance dated 6-2-47 by substituting another set of scales of pay in respect of school assistants, Headmasters etc. As per this G.O., and on application of the principles laid down for fixation of pay in G.O.No.78 Finance dated 6-2-47, ~~my~~ my pay would have to be fixed at Rs.215/-.

Only under the above impression I chose to come under the New scales of pay of H.O.No.78 Fin. dated 6-2-47.

But the Accountant General, Madras, fixes the pay at Rs.200/- starting the date of my coming to the I Grade viz., July 1941. In my opinion the view taken by the Accountant General will be a hardship imposed on those whose pay is Rs.200/- and above on 31-12-46 in the subordinate services of the Education Department. So I request that the Director of Public Instruction, Madras, may be pleased to uphold my contention and fix my pay at Rs.215/- and be also pleased to address the Government in the matter if so needed.

If the Director of Public Instruction is pleased to concur with the view taken by the Accountant General, Madras in the matter, I may be permitted to continue in the old scales of pay which will be advantageous to me especially as I am to retire in a short period viz., in August 1948.

SCHOOLS - Government Secondary and Training School,
Tanjore - Gopala Ayyar, Sri E.V. - Headmaster - Permission
to revise the election made to come under the revised
scale of pay.

From the Director of Public Instruction, R.C.No.323-K1/48
dated the 16th February 1948.

Please see the petition from Sri E.V. Gopala
Ayyar, Headmaster, Government Secondary and Training
School, Tanjore, on pages 1-2 c.f. He elected to come
under the revised scale of pay sanctioned from 1-1-47
under rule (6) of the rules relating to the Madras Revised
Scales of Pay Rules, 1947. He now requests that

(i) his pay may be fixed at Rs.215/- in the scale of
Rs.165--5--205--10--245 from 1--1--47, or

(ii) he may be permitted to continue in the old scale
of pay which will be more advantageous to him especially
as he is to retire in August 1948.

2. Till 1941, the petitioner was working in the
old scale of Rs.70--10--120 (School Assistants, II Grade)
and in that year he was promoted to the scale of Rs.
140--15/2--200 (School Assistants, I Grade). As pointed
out by the Accountant-General, his pay should be fixed
at Rs.200/- only in the revised scale of Rs.165-5-205-
10-245 (School Assistants and Headmasters, Grade I). As
this fixation is not advantageous to the petitioner, the
Director requests orders of Government on the petitioner's
request to revoke his election to come under the revised
scale of pay in favour of the existing scale of pay.
According to rule 10(2) of the rules relating to the
Madras Revised Scales of Pay Rules, 1947, the election

to the existing scale of pay or the revised scale of pay
should be exercised before 30--4--47, and such election
once made shall be final. In the circumstances, it
does not seem possible to comply with the request of

the petitioner to ~~XXXX~~ revoke his previous election to the revised scale of pay.

3. The ^{remarks of the} Finance department may be ~~consulted~~ ^{limited} U.O.

Sri E.V. Gopala Ayyar, Headmaster of the Govt. Training School was on the old selection grade scale of pay of Rs 150-10-250 prior to 1-1-47 and he elected to change over to the revised scale of Rs 165--245 applicable to Dy. Inspectors, I Grade owing to an incorrect appreciation of the scope of ~~XXXX~~ clause (g) of rule 9.

1-2 of

Although the option once exercised is final under rule 10(3) as stated by E & P.H., the scale of pay of the School Assistants was further revised in G.O.517 Fin. dated 9-7-47, including also the craft allowance, after the expiry of the time limit ~~and this is likely to affect the option~~ for exercising the option, and in the linked file, above, it has been suggested that officers affected by the revised scale in G.O.517 Fin. dated 9-7-47 might be permitted to revoke or modify their option already exercised. If that suggestion is accepted, Sri Gopala Ayyar can revoke his option and retain his old scale. In any case, having regard to the fact that the officer exercised his option on a misapprehension of rules and that his pension will be adversely affected under the revised scale (as he is due to retire ~~in~~ in August 1948) the request of the petitioner at 'S' on p.2 CF. may be agreed to as a special case.
