10. Contribution to the Ele. Edn. Account:. Provision has been made for a contribution of Rs.15,450 in the B.E. for 1947-48 against Rs.13,354 approved in the B.E. for 47-48. The increased contribution in the B.E. for 47-48 is necessary to cover the cost of revised scales of pay to teachers and it may be allowed to stand. In the B.E. for 1948-49 the Council has provided for a contribution of Rs.13,000 against the standard contribution of Rs.10,230. This contribution is necessary to balance the B.E. budget for 1948-49 and may be allowed. The Council has resolved to increase the rate of education tax by 1% from 1-4-48 and has accordingly taken increased credit for this purpose in the B.E.

B.E. 1948-49. E. E. Fund - Rcl. cl.

Chidambaram.

From the D.P.S. Rep. No. 65 B3/47-48 d 9-1-48

The R.E. for 1947-48 and The B.E. for 1948-49 of The E.E. Fund of The Rcl. cl., Chidambaram, call for the following remarks.

2. (i) R.E. for 1947-48. The credit Taken

under the head "Govt. grant" under section 37 of the E.E. Act may be raised to Rs. 4208, with reference to the amount sanctioned in S.O. No. 193 (R.) Edn. d 27-11-47

(ii) The contribution from the general funds has been raised from Rs. 13,354 to Rs. 15,450. This is necessary to meet the additional expenditure on the grant of revised scales of pay to the E.E. staff. L.A. have agreed to this contribution.

(iii) Provision has been made for the payment of revised scales of pay to teachers from 1-1-47.

(iv) The provision made under the ^{head} "Expenditure - Only" is in excess of that made in the sanctioned budget. The increase is mainly due to the payment of revised scales of pay to the E.E. staff. The provision made may be approved.

3. B.E. for 1948-49. (i) With reference to

The orders issued in Memo. No. 96472/47-48 Edn. d 12-1-48 increasing the rate of education Tax levied by the cl. from 1 pf. to 2 pf. p.a. from 1-4-48, credit has been taken for increased receipts under "Education Tax".

(ii) The credit Taken for contribution from the general funds is Rs. 13,000 as against Rs. 10,230, in the sanctioned budget for 1942-43. L.A. have agreed to this contribution.

(iii) Provision has been made for the payment of revised scales of pay to the E.E. staff. Provision has also been made for an expenditure of Rs. 1250. on the grant of advance increments to the E.E. staff. The Council has not yet been permitted to grant advance increments. If L.A. agree, it may be permitted to do so with effect from 1-4-48.

4. The Council was not paid any subsidy towards the payment of dearness allowance to the E.E. staff either in the current year or in 1946-47.

5. L.A. may see for remarks on para

3 (iii) above.

The Chidambaram M.L. Cl. has been directed to give effect to the revised scales of pay with weightage (for service in the old scale) to its general staff from 1-10-47. It would no doubt be desirable to give weightage to the Elementary Education staff from the same date. But it may be pointed out that the Elementary Education staff has been given revised scales in this municipality from 1-1-47. The M.L. Cl. has therefore been put to an additional expenditure from that date. The financial position of the Elementary Education budget of this municipality is not satisfactory. The budget for 1948-49 makes provision for giving weightage from 1-4-48 and it closes with a meagre balance of Rs.8/-. This small balance will be converted into a deficit of more than Rs.500/- if weightage is given effect to from 1-10-47. This Department may, in the circumstances, agree to the weightage being given to the Elementary Education staff for their service in the old scale, with effect from 1-4-48.

The Department of the Interior, U. S. Department of the Interior, has been directed to effect to the revised section of the act with reference to the services in the old section to the general staff from 1-1-1914. It would be difficult to give reference to the Elementary Education staff from the new date. But it may be pointed out that the Elementary Education staff has been given revised codes in this organization from 1-1-1914. The staff has therefore been put to an additional organization from that date. The financial section of the Elementary Education budget of this organization is not satisfactory. The budget for 1914-15 is being provided for by the staff from 1-1-1914 and is being with a reserve balance of \$1,000. This staff balance will be converted into a reserve of \$1,000. This balance is given to the staff from 1-1-1914. This balance is, in the circumstances, given to the staff being given to the Elementary Education staff for their services in the old section from 1-1-1914.
