EDUCATION DEPARTMENT.

From

Sri D.S. Reddi, M.A. (Oxon.),
Director of Public Instruction, Madras

To

The Secretary to the Government of Madras,
Education and Public Health Department,
Fort St. George, Madras.

G.No. 507-B1/48 dated 8th March, 1948.

SIR,

BASIC EDUCATION--Basic Training Schools--Rate of
stipends to be sanctioned to trainees.
Reference:--G.O. No. 371-Education and Public Health
dated 26.2.1948.

I have the honour to state that the Government
in their Order referred to above sanctioned the payment of
stipends to the students of higher grade undergoing training
in the Basic Training School, Kilamangiladi at the
rate of Rs. 12/- only while in all the Basic Training schools
stipends are sanctioned at the rate of Rs. 18/- per mensem
for all teachers (Higher, Elementary and Secondary grade)
for the period of training. The lower rate for students of
the Basic Training school, Kilamangiladi, alone appears
unfair. Hence I request Government to sanction stipends at
Rs. 18/- per mensem. If this proposal does not meet with the
approval of the Government I request to be informed whether
Rs. 18/- may be continued to be paid to the higher elementary
teachers under training in other Basic Training schools or
whether they should be allowed only Rs. 12/- per mensem.

2. In my letter to Government G.No. 1960-B1/47 dated
8.10.1947 proposals were submitted to the Government for the
conversion of 7 of the existing Government Training schools
into Basic Training Schools. In working out the cost, stipends
for candidates were calculated at the rate of Rs. 18/- p.m.
per teacher. But in the Government Memorandum No. 80731-B2/47-4
Education dated 13.12.1947 it was ordered that the Government
considered that it would be sufficient if the Secondary and
higher elementary grade teachers admitted for Basic Training
are granted stipends at Rs. 18/- and at Rs. 12/- respectively
as against Rs. 18/- as at present paid. The training in an
ordinary training school is quite different from the training
the students receive in Basic Training schools. The students
in Basic Training schools spend the major portion of their
time in actual manual labour within the class as well as
outside the class rooms. Further no income is derived from
the ordinary training school, while the Basic Training schools
will have receipts in the shape of garden produce, clothing etc.
Unless the students under training are given a balanced diet
they cannot be expected to have the full benefits of Basic
training without sacrificing their health. Hence it is quite
essential that all the students under training irrespective
of the grade should be given a uniform rate of stipends of
Rs. 18/- per mensem as is now paid. The question of reducing
the stipends may be considered after about three years
when it may be quite possible to reduce the cost of feeding
charges in hostels on account of the normal reduction in the
cost of living and on account of production of vegetables etc.
in large quantities in the school gardens by the students
themselves.

P.T.O.

2
: 2 :

3. In the circumstances stated above, I recommend that the Government may sanction stipends at Rs.18/- p.m. for all the teachers (Higher Elementary and Secondary). In my proposal for the conversion of 7 existing Training schools into Basic Training schools a provision of ~~Rs. 35,300/-~~ Rs. 35,300/- was made for the increase in stipends for 735 candidates. I request the Government to approve of the proposal and to sanction this item of expenditure from the provision of 9 lacs set apart by the Government for the expansion of Basic Education.

4. I request the early orders of the Government in the matter.

For
For Director of Public Instruction.

3
Basic Training School,
Kilamoongiladi,
Chidambaram,
Camp: Sevagram, Wardha.
14-3-1948.

To

The Hon'ble Minister for Education,
Govt. of Madras.

Sir,

Sub: Grant of stipends to the pupil teachers
in the Basic Training School, Kilamoongiladi
for the year 1947-48.

The Dt. Educational Officer, South Arcot, has issued instructions to me for preparing a revised bill for the stipends to the pupil teachers in this school at the rate of Rs.12/- p.m. instead of at Rs.18/- p.m. I submit this application to you to reconsider the position and issue necessary orders for the drawal of the stipend at the rate of Rs.18/- p.m.

This Training School was opened on 21-8-47 with the approval of the Director of Public Instruction for training teachers in Basic Education. We were permitted to admit 35 pupil teachers. There are at present 29 students undergoing training.

These students have been expecting that they will be paid a stipend of Rs.18 p.m. as in other Basic Training Schools. Their monthly mess charges come to about Rs.17. All of them are poor students, coming from rural families. As such, they will not be able to pay any money from their own resources towards their mess charges.

The trainees in the Govt. Basic Training School at Cuddalore are now getting a stipend of Rs.18/- p.m. from the date of joining. The trainees in the Moongiladi Basic Training School have now been sanctioned only a stipend of Rs.12/- p.m. I am sure it is not the intention of Govt. to make a distinction between Govt. schools and non-Govt. schools

p.t.o.

in the matter of Basic Education. This reduction in the stipend will tell badly on the morale of the ~~schools~~ students studying here. As they were expecting to get Rs.18/-, this reduction will not only be hard on them but will also affect their confidence in the management. Naturally we cannot expect many students to apply to our Training School as all ~~in~~ if this difference is allowed to continue.

I understand that our Training School stipend was sanctioned after the issue of the order reducing stipend for the pupil teachers and that therefore the stipend of these trainees was sanctioned at the reduced rate. But I may point out here that these trainees were admitted at about the same time as the students at Cuddalore and the delay in obtaining sanctioning stipend should not penalise the pupils. Since they were actually in training at the time of issue of the revised order, they are entitled to the rate of stipend which was in force at the time of their admission. I request you to reconsider the order and grant them the stipend at Rs.18/- for '47-48 as in the Govt. school at Cuddalore.

The financial commitment to Govt. may not be much. At the rate of Rs.6/- p.m. (being the difference between Rs.18 and Rs.12), the amount for 29 students for the period Sept. 47 to February 48 (6 months) will only be Rs.1,044 for '47-48. I request again that the matter may be reconsidered favourably and the full stipend of Rs.18/- sanctioned.

I may also add that the reduced rate of Rs.12/- is too low for any type of pupil teacher. But if the trainees in the Govt. Basic Training School get only Rs.12/- p.m. next year, our trainees ^{may} also be paid only that amount then.

Yours faithfully,
M. Arumachalam
Correspondent and
Headmaster.

Basic Training School,
Kilmoor, Cuddalore,

The Government in their order referred to above directed that the students undergoing training in the Basic Training School, Kilmongiladi be paid a stipend of Rs.12/- p.m. for the period of training. In my letter to Govt. M.O.No.507-B.1/48 dated 8-3-1948 I have made out a case for the payment of a stipend of Rs.18/- (each person) for all the teachers of the school (Secondary or Higher Elementary). I request the Government to approve of my recommendation and sanction the stipend of Rs.18/- for the payment of stipends to the teachers of the Basic Training School, Kilmongiladi as requested in my letter M.O.No.91-B.1/48 dated 27-1-1948. This item of expenditure is provided for in the provision of the Government of Madras Act No. 9 of 1948.

Copy Submitted to his
Honble Minister for
Finance, for favour
of necessary order to
draw the full stipend
Rs 18/- before 31.3.48.

M. Arumadalam
Correspondent and
Headmaster.

in the matter of Basic Education. This reduction in the
allowance will fall on the merits of the students
attending here. As they were expected to get Rs. 10/-, this
reduction will not only be paid on them but will also affect
their confidence in the management. We finally we cannot
expect many students to apply to our Training School as all
in this difference is allowed to continue.

I understand that our Training School stipend was
sanctioned after the issue of the order reducing stipend
for the pupil teachers and that therefore the stipend of
these trainees was sanctioned at the reduced rate. But I
may point out here that these trainees were admitted at
about the same time as the students at Chidambaram and the
delay in obtaining sanction for stipend should not be a
the pupils. Since they were actually in training at the
time of issue of the revised order, they are entitled to the
rate of stipend which was in force at the time of their
admission. I request you to reconsider the order and grant
them the stipend of Rs. 10/- for 1947-48 as in the case of school
at Chidambaram.

The financial commitment to Govt. may not be much. At
the rate of Rs. 8/- p.m. (paid the difference between Rs. 10/-
and Rs. 10/-), the amount for 25 students for the period Sept. 47
to February 48 (6 months) will only be Rs. 1,040 for 1947-48.
I request again that the matter may be reconsidered favourably
and the full stipend of Rs. 10/- sanctioned.

I may also add that the reduced rate of Rs. 8/- is too low
for any type of pupil teacher. But if the trainees in the
Govt. Basic Training School get only Rs. 10/- p.m. next year,
our trainees also be paid only that amount then.

Notes

Please see herewith a representation from the Correspondent and Headmaster of the Basic Training School, Kilamoongiladi. It is really a hardship that they should be given Rs.12/- when others are given Rs.18 p.m. It is true that we have revised the stipends for all higher grade teachers as Rs.12/- p.m. but this year they may be put along with others. It is necessary that the orders must be issued immediately because if they are to get the benefit of this order, the orders must reach them before the 31st of March, and so the orders may be expedited. H.M. Finance may kindly see.

Pr. H. Dep
 18

At present both higher elementary and secondary grade teachers undergoing training.

in Basic training schools excepting the Basic training school

at Keelamangiladi recently recognized and admitted to aid are getting a stipend of Rs. 18 per mensem.

In connection with his proposals for the conversion of seven ordinary training schools into Basic training schools during 1948-49 the D.P.I. recommended the

payment of stipends at this rate of Rs. 18 p.m. to all the trainees as against Rs. 12 and 18 admissible

to higher elementary and secondary grade teachers respectively undergoing training in ordinary training schools. The cost involved in the payment of

stipends at the rate of Rs. 18 p.m. was estimated at Rs. 35,300/-

It was, however, ordered in circulation that the higher elementary grade teachers be

admitted for training in all the Basic training schools from 1948-49 should be paid a stipend of Rs. 12 a month and not Rs. 18. No provision was, therefore, made on account of stipends in connection with the scheme.

With reference to the decision above it was ordered that the students undergoing training in the Basic training schools at Keelamangiladi ^{might} be paid stipends at the rate of Rs. 12 p.m. with effect from the date ^{the} school was accorded recognition. Orders were accordingly issued in G.O. No. 371, Education, dated 26-2-48 and a demand for a supplementary grant of Rs. 2,400/- required for expenditure on the payment of stipends at the rate of Rs. 12 p.m. only was made. The D.P.I. as well as H.M. (Education) consider now that the lower rate of stipends to students in the Basic training school, Keelamangiladi, alone is unfair. Finance may see for remarks ~~is~~ whether orders may be issued now for the grant of stipends at the rate of Rs. 18 p.m. to the students in the Keelamangiladi school also.

Attention is also invited to the proposals of the D.P.I. for the payment of stipends at the present rate of Rs. 18 per mensem to ^{all} higher and secondary grade teachers undergoing training in all Basic training schools and for taking up the question of reducing this rate after 3 years when it may be possible to reduce the cost of feeding charges in hostels on account of the normal reduction in the cost of living and on account of production of vegetables, etc., in large quantities in the school gardens by the students themselves. On this basis he requests sanction for the provision of Rs. 35,300/- suggested by him for the payment of stipends at Rs. 18 p.m. to 735 candidates ^{in the ordinary training schools to be converted into Basic ones.} If the proposal is approved, the addl. expenditure involved can be met from the provision of Rs. 10 lakhs earmarked for expansion of Basic education.

whether the proposals will be approved

19.2.48

in (2 p.c.)

Please see the D.P. J's letter on pages 1-2 of the minutes of H.A. (Dm) on page 1 above and the notes following.

2. The proposals in this file are:-

(i) to sanction stipends to the students undergoing training in the Keelamomgiladi Basic Training School at Rs 18 p.m. instead of Rs 12 p.m., sanctioned in G.O. No. 371 Dm of 26.2.48

(ii) to sanction payment of stipends at the present rate of Rs 18 p.m. to both higher ^{elementary} and secondary grade teachers undergoing training in the 7 ordinary training schools proposed to be converted into basic training schools in 1948-9.

3. Item (i) in para 2 above: It is stated that at present both higher elementary and secondary grade teachers undergoing training in all (Govt. Private) basic training schools, except the Basic Training School at Keelamomgiladi, recently recognized and admitted to aid, are being paid stipends at the uniform rate of Rs 18 p.m. In view of this, the D.P. J has requested the payment of stipends at the rate of Rs 18 p.m. to the teachers undergoing training in Basic Training School at Keelamomgiladi also with effect from the proposal.

Presumably, all the candidates undergoing training in the above school are higher elementary grade teachers. If this presumption is correct, the extra expenditure involved in the proposal will be Rs 1,216, in the current year and Rs 3,444 in 1948-49. It is submitted that the Govt. have already decided to sanction stipends at Rs 12 p.m.

only to ^{elementary} higher grade teachers undergoing ^{basic} training in the 7 schools to be converted into basic training schools ^{in 1948-9} and also to new entrants to the course in the existing basic training schools. In the circumstances, it does not seem desirable to sanction the increase in the rate of stipends proposed by the D.P. J. in the case of the Keelamomgiladi Basic Training School, especially as it is too late now to provide additional funds in the current year. It may be requested to take orders in circulation, including H.A. (Fin) on this point.

4. Item (ii) in para 2 above: Stipends are at present paid at the uniform rate of Rs 18 p.m. to both elementary and ^{elementary} higher grade teachers undergoing basic training, in the existing basic training schools. In connection with the proposal for conversion of 7 ordinary training schools into basic training schools, the D.P. J. recommended the payment of stipends at the existing rate of Rs 18 p.m. to both secondary and higher elementary grade teachers. This recommendation was not accepted and it was decided, in ^{as regularly as the decision of 4.7} circulation, that higher elementary grade teachers to be admitted in all the basic training schools, from 1948-49, should be paid stipends ^{only} at the rate of Rs 12 p.m. only.

The D.P. J. has now renewed the proposal for the reasons stated at M on page 1 of the report. The extra expenditure involved in ^{respect of the seven schools alone} the proposal is estimated at Rs 35,300 in 1948-49. It is submitted that the reasons urged by the D.P. J. in support of the proposal do not appear to be strong enough to justify the grant of the increased rate of Rs 18 p.m. for higher elementary grade teachers. An order may accordingly advise against the proposal. It may be requested to take orders in circulation, including H.A. (Fin), if they ^{wish to} pass their proposal.

5. If it is decided in circulation to sanction the proposal, it will have to take steps to ^{the extra expenditure in 1948-49 may be} meet the extra expenditure involved in the proposal.
