Dear Hon. Sir: *Peras*

11/3/48
Namasthe. In enclosing
herewith a representation from the
Govt. Engineering College Workers' Union
I think, if I may be permitted to say so,
that the grievances of the workers in the
College workshops who are qualified
even to instruct the students,
regarding filling up of vacancies of
mainly (machine) and the payment
of arrears of rent allowance
sanctioned by Govt. from 1.7.1946
which remains unpaid even to
this day, — these grievances seems
genuine and I respectfully
request you to have them matters
investigated and redressed at an
early date, if true.

With best regards,

Yours sincerely
S. Ramaswami

Sir,

I beg to state that we will be having the summer vacation by the middle of April 1948. I have also reminded you about this matter last year in 1947 and this year when you attended the College Association.

You asked me to refer the matter to the College authorities but in your letter to me dated 20-2-48 ^{not used} you have asked the Principal & D.P.I. Office for consideration when enquired they informed me that the matter has been sent to the Government. I request you will be good enough to instruct the Principal to give us work during the coming summer vacation. Government Press and P.W.D. Workshops appoint men to fill up created vacancies to persons who have worked and put in services in their departments. I request you will give instructions to fill up vacancies

from the workers of the college workshops.

The present machine Maistry is not educated or qualified and he is appointed as Machine Maistry. The present workers in the workshops are more experienced than him. It is the workers that give instructions to the students. The previous maistries were not qualified or educated. We are able to manage and instruct the students.

The rent allowance is not given to us yet although the Government has sanctioned from 1-7-46. We request that the arrears should be paid to us. We were paid for only 2 months from 1-1-48. We thank you very much.

Sir,
Engineering College, Guindy--working of the college
*workshop during the summer vacation of 1948.
Reference:-G.O.No.1888-Education dated 28.8.1947.

In paragraph 2 of the above Order, Government permitted the Principal, College of Engineering, Guindy to run the college workshop throughout the summer vacation of 1946-47. The principal has now applied for permission to keep the workshop open during the vacation of 1947-48. I enclose herewith a copy of letter H.G. 137/46 dated 3.3.1948 from the Principal explaining the reasons for keeping the workshop open and to request that in the circumstances stated therein the permission applied for may be granted. It is reported that the extra cost on account of the employment of additional workmen will amount to Rs. 3,000/- and that this is to be met from the provision under "workshop charges" made in the Budget Estimate for 1948-49.

College of Engineering, Guindy,
MADRAS-15: Dated: 3--3--1948.

To

The Director of Public Instruction,

MADRAS.

Sub: Working of the College Workshop during the ensuing
Summer Vacation of 1948.

Last year, in my letter R.C.No.137/46 dated 26--2--1947 I had requested for permission to keep the Workshop open during the vacation for reasons given in that letter. The permission requested was granted in the Director's telephonic message dated 8--5--1947 and was confirmed in Director's Proceedings R.C.C. No. 5463-K.2/46 dated 10--9--47.

In my letter of 26--2--1947, I had given reasons why it would be necessary to keep the workshop open during the vacations for a number of years to come. In requesting for permission to keep the Workshop open during the coming summer vacation, I submit that, as during the last year, there are a number of orders from the various laboratories of the College which could not be executed during the session owing to pre-occupation of the workshop with ^{the} instructional work. The non-execution of these orders is hampering the work and efficiency of the laboratories and it is necessary that the orders should be executed during the summer vacation. The existing orders from the laboratories will keep the staff of the Workshop fully occupied during the vacation.

In addition to the above, a lot of work has to be done for the Anantapur College. Owing to the freezing order of the Government of India, the release of machine tools ordered from the Disposals Directorate has been delayed. The machine tools have started coming in batches. They have to be despatched to Anantapur and ~~erupted~~ ^{erupted} there. In view of this, and the fact that it will be some months before all the Machine tools ordered for Anantapur College would arrive, the Workshop at the Anantapur College will not be in a position to undertake the large number of jobs that have to be executed for the College well before July 1948. These jobs will have to be executed at Guindy, and it will not only be necessary to keep the Guindy College Workshop open on account of this, but to employ additional workmen as the staff of the college

Workshop is neither sufficient for executing the orders of the Guindy College nor of the Anantapur College.

I therefore request that for reasons given above, I may be permitted to keep the College Workshop open during the Summer Vacation, and to employ the following additional staff for the Anantapur College work on wages specified against each:

Four Metal Turners
Four Fitters
One Mechanic
One Welder
Two Welders
Two Blacksmiths
Four Carpenters
One Sawyer

Up to a maximum of Rs.3-8-0 each per day without any allowances.

Six Coolies.

Up to a maximum of Rs.1-8-0 each per day without any allowances.

The Workshop is normally open for a month during the vacation i.e., for 15 days after the close of the Session and 15 days before the commencement of the next Session. The opening of the Workshop throughout the vacation involves too the additional expenditure which works out to about Rs.4000/-. This has already been included in my budget Estimate of Guindy College for 1948-49 under the head "37-D. Education - University - Government professional Colleges d.b. Engineering College - d.b. 3 Workshop maintenance workshop charges" as I have anticipated the necessity for keeping the workshop open during the vacation.

As regards the expenditure on wages of workmen proposed to be employed during the vacation for the Anantapur College as well as materials for execution of jobs, provision has already been made on these accounts under the head "37 (d) Education - University - Government Professional Colleges - d (3). Post War Reconstruction - D (B) (11) - 3 Workshop maintenance workshop charges - Voted charges" in the Budget Estimate for 1948-49 for the Anantapur College.

SUB: COLLEGE OF ENGINEERING, GUINDY -
Workshop - Employment of Additional
Carpenters for manufacturing the
furniture for the college of
Engineering, Anantapur.

R

In Government Order No.670 Education, Dated 25th March 1948, the Government sanctioned the employment of four additional carpenters in the Workshop of the College of Engineering, Guindy, during the summer vacation this year. Consequent on the shifting of the College of Engineering, Anantapur, from Guindy to Anantapur, all the furniture required for the Anantapur College had to be manufactured in the Guindy College Workshop in order to make it available for the College at Anantapur from the date of re-opening during the current academic year. On this account the Principal had to appoint 26 additional carpenters in addition to the four sanctioned by the Government. These additional carpenters were employed from 18th May 1948 to 5th July 1948 and two of them worked on 6th July 1948 also. It is reported that the carpenters were also fully engaged in packing and despatching all stores and machinery for the Anantapur College. The following items of furniture were manufactured and sent to Anantapur.

 College - Engg. College, Guindy - workshop employees - Request for
 Payment of house rent allowance etc.
 From Sri D.V. Ramaswami letter dated 8-3-48 addressed to
 H.M. (Edn.)
 --
 Payment of house rent allowance to the Engineering
 College Workshop employees was sanctioned in G.O.No. 299
 Edn. dated 16-2-48. Sanction has been accorded to the
 grant of the allowance from 1-1-48 only and not from
 1-7-1946 as stated on page 1 c.f.
 2. All the points raised by the Secretary, Engineering
 College Workers Union, in his letter at 'A'/152 c.f. were
 replied to in the Memo at 'A'/10-11 c.f. ^{in that letter} ~~Here~~ there ~~was~~
 no mention of giving work to these employees in the coming
 summer vacation, referred to in the ~~Secretary's~~ letter
 on page 3-4e.f. It may however be mentioned here that the
 workshop was kept open during the last summer vacation and
 that in that connection the Principal of the College stated
 that it would have to be kept open ^{during the vacation} for a number of years
 to come. Proposals for keeping the workshop open during
 the ensuing vacation have not been received. For orders
 whether the D.P.I. may be asked about this. If so, the
 draft below is for approval.
 3. After issue of the draft the file may be circulated
 to H.M. (Edn.), with reference to his minute on page 1 c.f.
 The matter may be expedited and orders issued to keep the
 workshop open during the ensuing summer vacation. Orders may be issued
 before the workshop is closed. The Principal of the Engineering College
 may also be asked to consider the matter of issuing permanent orders
 on the matter and put up proposals for that.

19 MAR 1948
 GOVERNMENT OF MADRAS

Please see the minute of H.M. (Edn.) overleaf and the letter of the D.P.J. on p. 9 of 1, since received.

A draft order ~~is~~ permitting the workshop to be kept open during the summer vacation is subd. for approval. Finance may see for acceptance ~~of the proposal~~. (H.M. in his minute that the D.P.J. should be asked to put up proposals for running permanent orders in the matter. Presumably this reference is to keeping the workshop open in the summer vacations always in future. This will be got clarified ~~as the file is circulated~~.)

Please see the notes on pp. 1-2 above.

The proposal in the file is to permit the Principal, Engineering College, Guindy to keep open the College workshop during the ensuing summer vacation and to appoint additional staff as shown below for a period of about two months:

Four Metal Turners	
Four fitters.	
One Mechanic.	
One Welder.	
Two Moulders	
Two Blacksmiths	
Four Carpenters	
One Sewer.	
Six Coolies.	on wages up to a maximum of Rs. 3/8 each without any allowances.
	up to a maximum of Rs. 1/8 each per day without any allowances.

The extra cost involved is about Rs. 7,000 for the two months

2. Attention is invited to para 3 of the note of this department on p. 9 N.F. of G.O. 1888 Edn. dated 28.8.47 in which this department agreed to the running of the College workshop during the last summer vacation (i.e.) in 1947. The extra cost involved in the present proposal in keeping the workshop open for 2 months viz. Rs. 4,000 is about the same as was estimated last year. The extra cost on the
