Department,

No. 305-A/48, dated 11th February 1948.

Sub:- Publication of selections - Additional staff - Continuance.

Ref:- (1) G.O.No.Ms.589 Education dated 10-4-42.
(2) G.O.No.Ms.483 Education dated 30-3-43.
(3) G.O.No.Ms.338 Education dated 4-3-44.
(4) G.O.No.Ms.394 Education dated 16-3-45.
(5) G.O.No.Ms.611 Education dated 19-3-46.

In G.O.No.611 Education dated 19-3-1946 cited above the Government were pleased to sanction the continuance, for a period of 2 years from 1-4-1946, of the temporary additional staff of one Special Assistant and one Typist sanctioned in G.O.No. 589 Education dated 10-4-42 for the publication of selections from the records of the period 1800 to 1858. This sanction expires on 31-3-48. In the ordinary course I would have applied for an extension of these posts for a further term, but in the circumstances explained below I am now applying only for the extension of the typists post.

2. In their Memorandum No.70980/47 Re-1 dated 26-11-1947, the Finance (Reorganisation) Department called for suggestions as to the lines on which a substantial retrenchment could be effected in each department. In my letter No.2247-A/47-2 dated 12-12-1947 sent in reply to that Memorandum I submitted certain proposals of retrenchment in respect of this office for the consideration of the Government. One of these proposals was that the temporary post of the Special Assistant should be abolished and that the work now done by him should be entrusted to one of the Office Assistants in the Publication Section of this office. Orders have not yet been passed upon my proposals, but

orders issued in (W) in 1/2.

in anticipation of the approval of the Government to the abolition of the post I do not now propose to ask for the continuance of the Special Assistant's post beyond 31-3-1948. It is however necessary to continue to employ the typist since the work of preparing selections will, as stated above, be carried on by one of the ~~three~~ Office Assistants and therefore the selected matter will have to be typed by some body. I therefore request that sanction may kindly be accorded for the permanent retention of the post of the temporary typist, or, if that is not possible, to the continuance of that post for a further period of five years from 1-4-1948. The work is of a permanent nature, since the selections will have to be prepared and published from a large mass of records covering the entire period 1800-1858.

the proposal is for the permanent retention of the post of the temporary typist sanctioned in G.O. 589 Edn dated 10.4.42 for the publication of certain records, in the Madras Record Office. The recommendations of the Retrenchment and Reorganisation Committee on the question of permanent retention of temporary posts, are ^{still under examination. Separate by.} Pending the orders of the Govt on the above ^{recommendations} ~~proposal~~, no posts should be made permanent. This department may accordingly suggest that the post may be continued for another year from 1.4.48, and that the question of making the post permanent may be considered at the end of that period.
