Sir,

Sub:-Facilities of leave for the Pandits undergoing Training.

We beg to submit the following for your kind consideration
and favourable orders.

Most of us, the Pandits undergoing training this year,
come from various schools under the management of local Boards
and Private bodies. We have put in long terms of service in our
schools and are confirmed in our posts. Yet we have not been
given the facility of study leave for undergoing the Pandits
Training Course. Some of us are granted leave on Less of Pay
and some of us leave on half pay for the period earned by us
by virtue of our length of Service.

All along, we have been finding it very difficult to main-
tain ourselves and our families with our very low salaries. It
will be much more difficult for us, if not impossible, to be
able to get on during the period of Training without pay or with
only half pay.

Hence we appeal to you to kindly pass orders instructing the
various school managements to grant us extraordinary study leave
with the benefit of full pay for the period of our Training, and
thus enable us to better qualify ourselves for the discharge of
our duties as Pandits in our Schools.

Thanking you,

Rajahmundry.

(2) Letter R.C. No. 9998/47 dated 15th Sep. 47

Submitted for orders.

2. According to G.O. No. 975, Education, dated the 10th
May 1947 issuing revised scales of pay, pandits who are
Oriental Title holders are required to possess the additional
qualification of Secondary Grade Training or Pandits' Train-
ing to entitle them to the scale of Rs.60-130. This addi-
tional qualification is introduced only now for the first
time. Most of the pandits are not S.S.L.Cs. and so, they
cannot acquire the Secondary Grade training qualification.
They have, therefore, to acquire the Pandits' Training qua-
lification only. As these pandits belong to the vacation
department they will not have much leave to their credit and
hence will have to take extraordinary leave without allowances.
This will be a great hardship to them in these days of high
costliness of living. As they have to get this additional
qualification only on account of the new ruling of Government,
it seems equitable that they are granted study leave for the
purpose so that they will get half pay for the entire period
of the course and the leave necessary to undergo this train-
ing will not be debited to their leave account.

EXAMINER'S OFFICE.

Except in the case of Physical and Manual Training Instructors, the concession of treating the period of training as duty does not appear to have so far been extended to other teachers employed by local bodies; and the teachers appointed in the L.T., Secondary and Elementary Grade cadres undergo training at their own cost and are not usually deputed by the local bodies. Pandits fall under the same category of teachers and if the period of training undergone by them is treated as duty, equity would require that the same concession should be extended to others also. The circumstances under which the Physical and Manual Training course was treated as duty are not known. But it is presumed that as sufficient number of qualified hands were not forthcoming from outside local bodies were permitted to depute their own teachers for training.

2. In G.O.No. 975, Edn. & P.H., dated 10th May 1947 introducing revised scales of pay, Pandits Training has been prescribed as an additional qualification with a higher scale of pay and it is not made compulsory for the existing teachers to acquire this qualification. The existing Pandits who do not possess this qualification have on the other hand been allowed separate scales of pay which are higher than their existing scales. As stated by the

Director of Public Instruction, the existing Pandits undergo the training with a view to get the benefit of the higher scales of pay; and as the training is undergone primarily in their own interests, there seems to be no justification to treat the period of training as duty. The training in question will not fall within scope of Fundamental Rule 94 for purpose of granting study leave to cover the period of absence as recommended by the Director of Public Instruction.

ORDER/Ms. No. 694

Edn. 30-3-48

According to the revised qualifications prescribed for Pandits in ^{high} secondary schools, holders of oriental title who have not undergone either the secondary grade training or the Pandits' training have to undergo atleast the Pandits' training ^{if they shall} to become eligible for the revised scale of pay fixed for Grades I & II. Certain pandits undergone the training have represented to Government that they ^{may} be granted

Sub: Pandits - Secondary schools under local bodies and private managements - Grant of study leave for undergoing Pandits' training.

Petition from certain teachers under training in the Govt Training college, Rajahmundry dated 5-9-1947.

From the D.P.I. Rc.No. 2075 G/47 dated 29-9-47.

From the Exr. of L.F.Accounts L.F.638 dated 29-11-47.

According to the revised qualifications prescribed for Pandits in secondary schools, holders of oriental title should undergo Pandits or Secondary grade training to become eligible for the revised scales of pay fixed for grades I & II (proposed grades II & III). If they do not acquire the training qualification, they will be eligible only for the lower scales of pay fixed for those who have not undergone such training. As most of these oriental title holders are not S.S.L.C's they cannot acquire secondary grade training qualification. They can only undergo Pandits' training where facilities ~~exist~~ for such training exist. Certain pandits under training have represented that it is impossible for them to undergo training by availing themselves of leave on half average pay or extra ordinary leave without allowance. The D.P.I. who was consulted in the matter recommends that the pandits may be granted study leave for that purpose so that they may get half pay for the entire period of training ~~and in this case the leave will not be debited to their leave account.~~ The Examiner of L.F. Accounts points out that the training in question will not fall within the scope F.R. 84 for purpose of granting study leave to cover the period of absence as recommended by the Director and that there is no justification to treat the period of training as duty. as the existing pandits ^{will} undergo the training only with a ^{view} ~~new~~ to get the benefit of the higher scale of pay.

2. With a view to mitigate the hardship that will be caused to the existing incumbents by the prescription of the training qualification, it is proposed that such of the existing Oriental title holders who have put in 15 years service and 5 years ^{service} ~~leave~~ on 1-1-47. may be exempted from possessing the training qualification prescribed for grades II & III and allowed the revised scales of pay proposed to be fixed for those grades.

3 In view of the Examir's remarks it is for consideration whether the request of the ~~memorialists~~ ^{memorialists} that they may be granted study leave for undergoing Pandits training may be negatived.

4 The remarks of Finance may be invited U.O.

study leave for the purpose, so that they may get half pay for the entire period of training as otherwise they will not have much leave to their credit and will have to take extra-ordinary leave without allowances to cover the period of absence in connection with the training. Their request cannot be complied with as the training in question will not fall within the scope of Fundamental Rule 84. As the training is under-^{the existing pandits} gone by ~~them~~ primarily in their own interests with a ^{view} ~~new~~ to get the benefit of the higher scale of pay, there is no justification to treat the period of training as duty. Leave should therefore be granted to ~~them~~ according to their eligibility.

2. Orders have been issued in G.O.No.526 Education,
dated 15-3-48 in regard to the further revision of the
grades, qualifications and scales of pay of Pandits and
Munshis employed in secondary schools under local bodies and
Private managements. According to these orders, all the
existing Pandits and Munshis in Middle Schools who are holders
of oriental title only as well as Pre-1926 Pandits with
out any oriental title are eligible for the revised scale of
pay of Rs.45-2-85 fixed for Grade II. They need not therefore
undergo Pandit's training. Existing incumbents in high
schools who are holders of oriental title with less than 15
years' service on 1-1-48 are eligible only for the scale of
pay of Rs.60-4-120 which is lower than that fixed for Pandits
in Grade I viz., 75-5-145. They will have to be admitted
to the scale of Rs.75-5-145 if they undergo the Pandit's
training and possess the qualification 'S.S.L.C. completed'
It is not, however, clear whether it is the intention to
insist on the latter qualification in their case.
