2. The Government have approved of the selections made so far by the Commission of the war service candidates for recruitment to the 'reserved vacancies' in the M.E.S.- excepting the selections for the posts of Lecturers in Physics and in English, orders on which will be issued in due course. The approval of the selection of those candidates who have not yet produced physical fitness certificates is subject to the condition of their being found to be physically fit. The Director is requested to send up to Government at an early date proposals for the training of the candidates selected for the D.E.Os.' category with reference to rule 14 of the Special Rules for the M.E.S., and proposals as to the particular colleges to which the other persons whose selections have been approved, should be appointed.

3. The Commission has reported, inter alia, that the only candidate for the post of Lecturer in Geography subjected to examination did not obtain qualifying marks for selection. Normally, the procedure to be adopted for filling the vacancy now is to advertise it for ordinary direct recruitment but, the D.P.I. is requested to consider and report whether there would be justification ~~xxxx~~ for relaxing rule 2(1) of the Special Rules and rule 25(b) of the General Rules in favour of Sri N.C.Krishnayya Naidu (on~~x~~ leave preparatory to retirement), who has officiated as Lecturer in Geography on appointment by transfer, and for confirming him in the vacancy; a similar course was recommended by the Director in respect of transferee officers in certain other subject-units, in paragraph 4 of his letter No. 22/47 dated 3-10-47.

Copy of letter from F/LT. Sitaram, A., Senior Edn.Officer, No.3. G.T.S. R.I.A.F., Arkonam, dated 27th January 1948, to the Secretary, Edn. P.H. Department, Chepauk, Madras.

Madras Edl. Service- appointment of Lecturers- Fixation of pay in the scale 230-30/2-260-40/2-500-50/2-700-Requested.

--

p. 2 infra

Could I have the honour to request you to decide my case, explained below, after due consideration? I am submitting this petition to you on the advice of the M.P.S.C. A copy of its letter is attached and marked Appendix "A".

2. I have been provisionally selected by the Madras Public Service Commission as a Lecturer in the Madras Educational Service, pending medical examination, and given the scale Rs. 230-30/2-260-40/2-500-50/2-700, pay to start presumably at the lowest rung of the scale, Rs. 230. Consequently; I addressed an application to the M.P.S.C. regarding the fixation of my pay at a higher level in the same scale but as the matter, perhaps, falls outside its province, it has given me the above advice.

3. Sir, I wish to make it clear that when I applied for a post in M.E.S. I was not driven by unemployment or the prospects of a fat salary for I was then drawing more than the ceiling salary in the post under reference. I as drawn by the type of work I was to do, a career I choose at the outset of my life in 1936 at the age of twentythree when I accepted lecturership in English at my alma mater, the Edwardes College, Peshawar. I, then, went to the Central Training College, Lahore to qualify for the teaching profession and have ever since continued in Govt. Edl. Service. In January 1943, I joined the then I.A.F. Civilian Educational Service on a deputation from the N.W.F.P. Educational service. As I am still serving as a Commissioned Education Officer in the R.I.A.F. there will be no break of service if I now join the Madras Educational Service. As such, I am entitled to the concessions regarding the fixation of seniority and pay in the time scale as laid down in Regulation No.9(a) and 9(b) quoted in Part II of the Pamphlet C.P.S.2, an extract of which is attached for ready reference and marked Appendix "B".

4. I beg leave to draw your attention to a few facts concerning my present post. My prospects in the R.I.A.F. Educational Service are truly bright. I am now drawing Rs. 850/- p.m., all told, with a war excess of Rs. 330/-. In April 1948, in accordance with the recommendations of the Pay Commission, I shall be reclassified and begin losing 1/6th of my war excess for every six months, subject to an increment of Rs. 50/- every two years. As I have already put in two years as a Flight Lieutenant. I shall lose about Rs. 47/- only in the first six months. This graduated process will ultimately coincide with the scale of pay Rs. 450-50/2-700 plus dearness allowance. On reaching the top scale there will be an automatic promotion to the rank of Squadron Leader with far brighter prospects. In spite of these attractice emoluments in the R.I.A.F., if I have applied for a post in the M.E.S., it is for two reasons; firstly, I prefer the teaching side to the administrative side in the Educational field and secondly, I like now to have a settled life after a spell of service life in the fighting forces.

5. Apart from the reasons stated above, I am entitled to the concessions applied for in another way also. Unlike a raw recruit fresh from college, just beginning his service life, I am a man browned in service and seasoned in civilian Educational institutions. This seasoning has resulted in my case, in making me a full-fledged VOCATIONAL ADVISER. I obtained 70% marks at a Course held at Lower Topa where I studied the methods and tests of the National Institute of Industrial Psychology etc. I was adjudged eminently suitable for Vocational Advice Service for Indian personnel. If need arises, the Madras Government could use me for such a job, any time it might decide to do so. I am a man with a family of wife and two children. I am thirty five years old and if I am kept at par with young men of 25 years, I shall be placed at a disadvantage, a bad augury for a beginning.

6. I have, therefore, the honour to urge you to give earnest consideration to my case and enable me to serve the Govt. of Madras at my best by giving me a pay commensurate with the scale of Rs. 450-50/2-700 at least.

With reference to paragraph 2 of Government Memorandum No.27296 A.Edn., dated 7-1-1948, I have the honour to submit the following proposals for the appointment of those candidates whose selections to the Collegiate Section of the Men's branch of the Madras Educational Service have been approved by Government.

2. (i) Capt. A.C.M. Nambiar:- The post of Professor of History and Politics, Presidency College, Madras, will fall vacant with effect from 30-3-1948 when Sri V. Venkataraman will retire from service. Sri S.V. Chitti Babu, officiating Lecturer in the Government Brennen College, Tellicherry, who has officiated as Professor of History and Politics for about a month during September, 1947 will be transferred to the Presidency College, Madras to succeed Sri V. Venkataraman. I recommend that Capt. A.C.M. Nambiar may be appointed to officiate as Lecturer, Government Brennen College, Tellicherry with effect from 1st April 1948 or date of taking charge.

(ii) Capt. V. Subba Rao:- (Lecturer in Chemistry): Mr. C.T. Philip, Officiating Lecturer in Chemistry, Government Arts College, Rajahmundry is the juniormost officer in the Chemistry unit of the Madras Edl. Service who will have to revert to the Subordinate Edl. Service if the new Direct-recruit joins duty. I, therefore, recommend that Capt. V. Subba Rao may be appointed to officiate as Lecturer in Chemistry, Government Arts College, Rajahmundry, with effect from 1-4-1948 or from date of taking charge.

(iii) Sgt. R. Arumugam Pillai - (Lecturer in Mathematics): The juniormost officer in the Mathematics unit of the Madras Educational Service who will have to revert to the Subordinate Edl. Service when Sgt. R. Arumugam Pillai joins duty, is Sri K. Ramanujacharya, Officiating Lecturer in Mathematics, Arthur Hope College of Technology, Coimbatore. Sgt. R. Arumugam Pillai does not seem to have had any previous experience as Lecturer in a college. Since the Lecturer will be the only member of the Mathematics department of the Arthur Hope College of Technology, Coimbatore, it is desirable to post to that college an experienced Lecturer. I, therefore, propose to transfer Sri T.N. Bhima Rao, Offg. Lecturer in Mathematics, Government Arts College Coimbatore to the Arthur Hope College of Technology, Coimbatore. I recommend that the resultant vacancy in the Government Arts College, Coimbatore, may be filled by appointing Sgt. R. Arumugam Pillai to officiate as Lecturer in Mathematics, Government Arts College, Coimbatore. The appointment may be ordered with effect from 1st April 1948 or from date of taking charge.

4. With reference to paragraph 2 of Government Memo No. 27296/47-A.21 dated 9th February 1948, I have the honour to enclose herewith a statement showing the particulars of dates on the basis of which the seniority of each war service candidate has to be fixed under Rule 6-B of the Madras Civil Services (War Service Personnel) Recruitment Rules, 1941. According to the enclosed statement, the following candidates may be treated, for purposes of seniority, as if they had been appointed to the Madras Edl. Service on the dates noted against their names:-

p.4 ante

p.8 infra

S.No.	Name.		Date.
1.	Sri V.A. Maria Susai	..	15--4--1945.
2.	Sri K.R. Manickam	..	26--6--1943.
3.	Sri T.R. Deenadayal	..	9--4--1947. (or date of joining the M.E.S., if earlier).
4.	Capt. A.C.M. Nambiar	..	Date of joining the Madras Edl. Service.
5.	Capt. V. Subba Rao	..	-do-
6.	Sgt. R. Arumugam Pillai	..	4-11--1943.
7.	Capt. K. Gopal Rau	..	14-11--1942.
8.	Major B.H. Marley	..	1--4--1941.
9.	Miss S. Pankajam	..	24-12--1942.
10.	F/Lt. A. Sitaram	..	13--9--1946.

In this connection I may add that in view of the fact that there is no maximum age-limit prescribed for appointment to the post of Professor of Civil Engineering, and as Major B.H. Marley entered war service on 12th March 1941 (i.e., prior to 1-4-1941), the date for purposes of determining his seniority as Professor is taken as 1-4-1941 with reference to proviso to Rule 6-B of the Civil Services (War Services Personnel) Recruitment Rules.

5. With reference to the petition to Government dated 27th January 1948 from F/Lt. A. Sitaram, regarding fixation of his pay in the Madras Edl. Service, I have the honour to submit the following remarks. According to Rule 6-A of the Madras Civil Services (War Services Personnel) Recruitment Rules, 1941, initial pay of these Direct Recruits may be fixed according to the merits of the case and having regard to the period of war service rendered, at the same time ignoring the portion of that period of war service which is not counted for seniority. In the case of F/Lt. Sitaram he entered war service on 31-1-1943 and according to the previous paragraph of this letter, he should be deemed to have been appointed in the Madras Edl. Service from 13-9-1946 for purposes of seniority. In fixing the initial pay of the petitioner and the other war service candidates, I consider that it is not possible to give any weight to the rates of pay and emoluments each candidate was or is drawing in the war service. For instance, the petitioner is drawing pay at Rs.850/- per mensem with allowances in the scale of Rs.450-50/2-700; another candidate Major V.A. Ponnaiya, is understood to have drawn to Rs.1,100/- per mensem as total emoluments in war service. These emoluments cannot bear any relation to the scales of pay attached to the posts in Madras Edl. Service for which they have been selected. I, therefore, suggest that in fixing the initial pay of the war service candidates the duration of their war service or the date from which their seniority is determined (whichever is more advantageous to the candidates) may be taken as the basis and their pay fixed in the scale of Rs.230-30/2-260-40/2-500-50/2-700.

p.3 ante

X

If the Government are pleased to accept the above, F/Lt. Sitaram's pay may be fixed only at Rs.260/- per mensem as shown in the margin.* It is, however, doubtful whether Mr. Sitaram will accept the appointment in the Madras Edl. Service on Rs.260/- per mensem.

6. As regards the fixation of the initial pay of the other candidates, it is submitted that this office has not got any reliable information as to whether and when each candidate has been discharged from war service. Without knowing the duration of war service of each and the other details regarding pay drawn, etc., it is not possible to go into the merits of each case for fixing the initial pay. I, therefore, submit that recommendations in regard to fixation of initial pay will be made after the necessary particulars are known. Meanwhile, I request that the candidates whose selections have been approved by Government may be appointed on the minimum pay of the post pending re-fixation of their pay. The candidates selected for District Edl. Officers' posts will get Rs.100/- per mensem during their training and their initial pay may be fixed at the proper stage when they are posted as regular District Educational Officers.

Extracts taken for separate consideration.

7. I wish to submit in this connection that one of the candidates selected by the Commission for appointment as Lecturer in English, Muhammad Habibur Rahman Sahib, has put in only two months of war service as a Civilian Clerk in the R.I.A.S.C., and was discharged from service on medical grounds. I request that this fact may be considered by Government before they approve of his selection by the Commission.

Dear Sir,

Receipt of your above communication is hereby acknowledged.

Since a decision on my candidature was not made known to me for more than a year after interview, my departmental authorities have directed me to apply for a Permanent Regular Commission in the Indian Army. I have been interviewed recently in connection with the same and the Board has selected me as an officer acceptable for the Indian Army.

I am at present drawing a pay of Rs.786/- as a Captain, with prospects of being granted a permanent Majority in the near future.

However, I have an ardent desire to serve my own Province, in case I get a pay which would enable me to meet the expenditure of my family and a large number of dependents within reasonable limits and I will gladly decline a permanent career in the Army in case I am able to secure a reasonable pay in the Madras Educational Service even if it be slightly less than my pay in the Indian Army.

I am therefore expressing, for your consideration and decision, my wish that I may be started on an initial pay of Rs.600/- in the grade of the M.E.S., with attendant seniority.

I appreciate the fact that this might involve special representation to finance authorities etc., but I shall feel very grateful if top priority is given to my case and a decision arrived at with regard to my pay as requested by me, within the shortest possible time, not exceeding a month, so that I may decline the offer of a Permanent Regular Commission and accept your appointment. I may mention that I do not mind a cut of as much as Rs.200/- in my salary, if I can serve my mother Province.

As I have to convey my final decision to the Army authorities very soon, I shall be very grateful if you can kindly inform the decision on my case as early as possible. The reply may kindly be sent to the address given below, as I am proceeding on 28 days leave.

I have the honour to be,

3. About ~~No. 13,~~ Major B.H. Marley, selected for the post of Professor of Civil Engg., it may be mentioned that he is the permanent Instructor in Surveying and Drawing in the Guindy College and is already officiating as Professor (Civil Engg.) in that college—he having been promoted to the category regularly after the qualfn. rule was relaxed in his favour. He has not yet completed his probation in the Prof.'s post.

G.O. 1890 Edn.
2-7-47
R/18-19 C.F.

His present selection by the Commission does not confer on him much of a benefit. Of the 3 posts in the Civil Engg. unit, which originally stood reserved for war candidates only one was permanent and the remaining two were temporary. On the recommendation of the D.P.I. ~~in para 3(iv) at C.F.26,~~ the permanent post was de-reserved for being filled by a civilian direct-recruit; and ~~for the reason given by him in para 4(v), C.F. 27,~~ one of the two temporary posts was de-reserved for a promotee. For the other remaining post left (temporary), which continued to be reserved for a war candidate, the Commission was asked to make a selection, and Major Marley should be deemed to have been selected against that vacancy now. Even as a promotee, he can expect confirmation in due course, if the tempy. post de-reserved is made permanent: he is the senior of the only two promotees now officiating; the other, Sri N.S. Krishnaswami Ayyangar, is his junior. However, no action seems necessary and it may be left to the D.P.I. to send proposals, if any are considered necessary by him, for deeming that Major Marley is recruited against the permanent post.

The appointment of Sri K.Gopaul Rao, war service candidate selected by the M.P.S.C., as Lecturer in Education, Govt. Trg. College, Rajahmundry, was made recently. He has not joined duty. He continues to be in mily. service, and has requested that since no definite date of joining the Lecturer's post can be given, he may be granted time until April 1949 to report for duty. The D.P.I. recommends the request. The candidate is now in the (Kashmir)-Jammu Front. He shd. be taken to be doing ~~the~~ a vitally important service to the country. His request should, it seems, in fairness, be granted. 2. Another war service candidate, Sri V. Subba Rao, whose appointment as Lecturer in Chemistry, was notified in March last, also continues in military service. His present pay in the Defence Dept. is Rs.786. He requests that his initia pay in the M.E.S., as Lecturer, may be fixed at about Rs.600. This is not tenable. The Lecturer's scale of pay was Rs.200-700 befor 1-7-47, and it has been altered into Rs.230-30/2-260-40/2-500-50/2-700 from that date. Under the orders at "Y"/2, Sri Subba Rao, ~~whose~~ the period of whose war service is less than 8 years (h entered Army service on 20-1-44), can be given only one advan increment - i.e., he can be started on Rs.260. He may be told that his request will not be complied with and that his initia pay would be fixed only at Rs.260 in the scale of Rs.230-700.
