Sir,

No. PC. E1-18472/47 dated 3/11/1947. 194

Subject: Education- Elementary- Transfer of management-
Board Elementary Boys and Girls Schools-
Thirupalathurai- Trichinopoly taluk- to
Sri Ramakrishna Thapovanam- sanction
requested.

88273

There are two elementary schools under the control of the District Board at Thirupalathurai- one for boys with a staff of 3 and another for girls with one mistress. Both the schools teach up to the V standard. The Board elementary boys school is located in the building owned by the District Board and the girls school in a rented building.

2. The President, Sri Ramakrishna Thapovanam has applied for the transfer of management of both the board elementary schools to the Tapovanam for being maintained as a feeder to the Secondary school newly opened. The schools are to be run as a mixed school. The management wants to introduce education on ideal lines in the school while the pupils are young. The following conditions were proposed to the President of the Sri Ramakrishna Tapovanam:-

- 1) Education should be imparted free in standards I to V.
- 2) The school should be accessible to all classes and communities.
- 3) The building owned by the board (in which the board boys school is located) will be leased out to the Tapovanam temporarily for one year on a rent that may be fixed by the board, but the District board may terminate the lease after one month's notice without any question of compensation.
- 4) The tapovanam should not object to the revival of the board elementary school or schools at any time if the District Board thinks fit.

3. The President of the Tapovanam in his letter dated 28/10/47 while agreeing to the above four conditions, requests that he should be allowed the use of the board building free for one year in the first instance and also furniture and other appliances available now in the board schools should be lent to the Tapovanam free of charge. The President of the Tapovanam further states that he will apply for the continuation of the lease at the end of one year. The Honorary Premier visited the Tapovanam on 24/10/47 and he knows the work which is being done there. The Tapovanam is doing splendid service in the field ~~service~~ of educating the youth on ideal and nationalistic lines, and it deserves to be encouraged as much as possible. I consider that both the requests of the President may be conceded.

4. The District Educational Officer and Inspectress of schools, who were consulted in the matter of transfer of management, have approved of the proposed transfer. Copies of their remarks are enclosed for reference. The subject will be placed before the District Board at its meeting to be held about the middle of

P.t.o.

middle of November and its final approval will be communicated to the Government. I request that sanction may kindly be accorded for the transfer of management of the two board elementary schools to Sri Ramakrishna Tapovanam subject to the conditions stated above.

ASSISTANT SECRETARY

EDUCATION DEPARTMENT

Rc.No.1875 B1/51, dated 6-10-1951.

Sir,

Sub: Elementary Education - Levy of School fees in the
Vivekananda Vidyanam elementary School -
Tirupalathurai - Change in the original conditions
of transfer of management recommended.

Ref: G.O. Ms.728 Education dated 31-3-1948.

In the Government Order cited above, Government have approved
the conditions of transfer of management of the Board Elementary
School to the Ramakrishna Thapovanam Association managed by a
Committee of non-officials as ordered in para (1) of the above G.O.
One of the conditions under which the school was transferred is that
Education should be imparted free in the Standards I to V. After
the transfer of the management, the strength of the school has
increased considerably, as a result of which teaching staff has
also to be increased and additional equipment provided for the school
due to which the funds of the management closed with a deficit
at the end of the year 1949. Hence the management levied fees
from 1-6-50, except in the case of Harijan pupils and others whose
parents drew below Rs.200/- were exempted from the payment of fees.

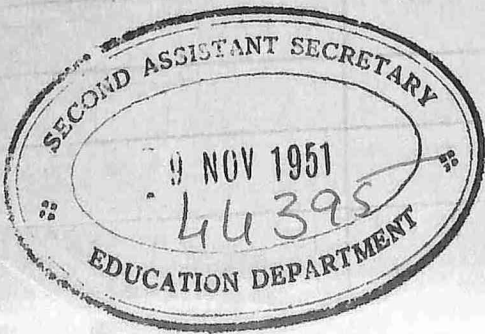

2. Some of the parents objected to this violation of the original
conditions of transfer and the management was advised to adhere to the
original conditions of transfer laid down in the Deed of Transfer. But
from a copy of the letter received from the Correspondent of the
School (copy enclosed) it is seen that the fees were levied only as
a matter of educational policy as it actually helps in the better
attendance of the school. Besides the education imparted to the
pupils now under the present management is far superior and even
the President, District Board does not object to the collection of
fees by the management of the Vivekananda Vidyanam. (Copy of letter of the
President, District Board's letter enclosed).

3. In view of the above circumstances, I may suggest that the
original conditions of transfer of management as laid down in the
District Board's Resolution No.934 dated 13-11-47 may be suitably
modified.

Yours faithfully,
K. Sankaranarayanan
for Director of Public Instruction.
