SECRETARY, EDN. AND P.H. DEPT.
12 NOV 1946
GOVERNMENT OF MADRAS

Loyola College,
Cathedral P.O., Madras,
9th November, 1946.

From

Rev. J. D'Souza, S.J.
Principal,
Loyola College, Madras.

To

The Hon'ble The Prime Minister
and
The Hon'ble Minister of Education.

Sir,

Ref: G.O. MS. No. 2040 Education dated 26-10-46.

PP 7-8 ff (I)

Permit me to place before you the following facts and earnestly request your sympathetic consideration in this matter.

Government were pleased to approve our scheme of expansion of chemical studies and to regard it as part of the Post War Reconstruction Scheme. As there was only one College in the Presidency which offered instruction in Chemistry Honours to a limited number of students, the necessity for further provision in this line was recognized. Our plan of combining with the Honours Course, facilities for Research, particularly in Industrial Chemistry was also appreciated. Our building plans were approved and half-grant on the cost was promised.

I beg to state respectfully that the Management presumed, in accordance with former usage, that the approbation of the Scheme implied Government's readiness to help us to equip the Laboratory also. The burden of initial equipment of a Chemistry Honours and Research Laboratory is heavy. The total cost of Rs.2,40,612 in which we prayed for half grant was considered by our Chemistry Department, as absolutely necessary in the light of the minimum demands of the University Affiliation Commission. This halfgrant has been refused, for financial reasons, by the Government, as per G.O. quoted above.

PP 7-8 ff

Loyola College is a new Institution which has developed rapidly and though Government have given us considerable help in building it up, the Management have spent more than three times the sums granted by Government.

OR

✓

Though a halfgrant has been promised on the present constructions, the Management have to find the other half from benefactors, mostly from Europe. We have moreover the usual recurring expenditure, this year amounting to Rs.40,000, for the Library and the Physics Laboratory for which we have not approached Government for a grant. The additional burden of the entire equipment of the new Laboratories will be beyond our means and we appeal to Government to reconsider their decision and to render us help. We ~~h~~ are prepared to spread this initial cost over two or three years. We do not ask for the entire grant in a single lump.

I have ventured to address this appeal to the Hon'ble Prime Minister, who is also Finance Minister and to the Hon'ble Minister of Education in the earnest hope that their sympathy and joint action cannot fail to afford us the relief which we seek.

I have the honour to be,
Sir,
Your most obedient servant,

J. D'Souza s.J.
PRINCIPAL.

Education & Public Health Department

Note for the Cabinet.

p1 n f of (I)

The Correspondent, Loyola College, Madras, applied for a grant towards the purchase of furniture, apparatus, chemicals and books required for the new B.Sc.(Honours) course in Chemistry in September last. The grant applied for was ~~at~~ for an estimated expenditure of Rs.2,58,124-6-0. The D.P.I. after disallowing certain items of equipment, recommended the scheme for inclusion in the approved list for 1947-48 at an estimated cost of Rs.2,40,612/-, with the suggestion that the grant payable may be spread over equally ~~during~~ for two years i.e. 1947-48 and 1948-49.

Para 2 of note on p.1 n f of (I)

2. The B.Sc(Honours) course in Chemistry was opened in the Loyola College with a view to produce more qualified chemists whose services would be required for carrying out the post-war schemes under 'Industries and Industrial training' and the Govt. have sanctioned a grant of Rs. 2 lakhs towards the cost of construction of buildings for the Chemistry laboratory, ~~in G.O.No.695 Edn., dated 1.4.46~~. The Finance department did not object to the inclusion of the ~~xhx~~ scheme in the approved list as recommended by the D.P.I., and suggested the inclusion of necessary provision in the Part II Scheme for 1947-48. H.M.(Edn.) minuted on the proposal as follows:--

p3 of (V)

p2 n f of (I)

p3 n f of (I)

> "The Loyola College has been sanctioned a grant of two lakhs in the current year and it will create unnecessary heartburning if the same college continues to receive large grants every year, when others don't get them. And so this may be negatived.
>
> Sd.T.S.(Avinashilingam)
> 20-10-46"

pp7-8 of of (I)

Accordingly the proposal was negatived ~~in G.O.No.2040 Education dated 26.10.46~~.

pp1-2 of

3. The Correspondent now requests reconsideration of the orders mentioned above and suggests that the amount may

be

P.T.O.

be spread over two or three years. On this the minutes of H.M.(Edn.) and H.P.M. are as follows:--

"The Loyola College has been paid large grants every year. Even in the estimates of 1945-46 1946-47, we have provided for two lakhs to provide grants to them. The Finance Department and the H.P.M. wanted the Education Department to agree to the cutting off of that grant but I protested that it should not be done and so, that grant was allowed to remain in the list. In the Legislative Assembly, there was a large amount of criticism over this that we have chosen to pay a large amount of grant only to the Loyola College which had had large grants from the Government even in previous years.

P2 n.f. /A

They have again applied for grant this year and I do not think it is proper that the same College should be given large amounts of grant every year and for that reason, the Education Department does not like to include it in the approved list. The Finance Department said that it had no objection because this inclusion in the approved list does not mean that the Government will be bound to pay but that is only a mere technical reason. But when once it is included in the approved list, there is a moral obligation of the Government to pay and so, I do not think it is proper that we should put it down in the approved list. | A

Sd.T.S.A(vinashilingam),
H.M.(Edn.) 17.1.47."

"This may be placed before the next ~~xxxx~~ Cabinet meeting, i.e. on the 6th instant.

Sd.T.P(rakasam)
H.P.M. 4.3.47."

4. With ref. to the minute of H M (Edn) above D.S. Fin has noted "Fin. Secy did not accept the view (in the office note of Fin Dept) quoted at A - A in the minute. He did in fact note in another file that inclusion in the list did raise a moral obligation to pay the grant if funds were available. In this case Fin Secy. did not object to the inclusion of the case on its merits as the D.P.I. had recommended it, & noted that E & P.H. would ~~[illegible]~~ no doubt include provision for the grant [illegible]

5 (4.) The points for ~~xxxx~~ orders are

(1) Whether the scheme for equipment grant required for the B.Sc.(Hons.) course in the Loyola College, may be included in the approved list and a half-grant at an estimated cost of Rs.2,40,612/- may be approved; and

(2) if so, whether the grant payable i.e. Rs.1,20,306/- may be spread over a period of 3 years, provision being made in 1947-48 for a sum of Rs. 40,102/-.

NOTE FOR THE STANDING FINANCE COMMITTEE.

...

Sub: Loyola College - B.Sc.(Hons.) course - Equipment grant.

...

The Correspondent, Loyola College, Madras, applied for a grant towards the purchase of furniture, apparatus, chemicals and books required for the new B.Sc.(Hons.) course in Chemistry in September last, The grant applied for was for an estimated expenditure of Rs.2,58,124-6-0. The Director of Public Instruction after disallowing certain items of equipment, recommended the scheme for inclusion in the approved list for 1947-48 at an estimated cost of Rs.2,40,612/- with the suggestion that the grant payable may be spread over equally for two years in 1947-48 and 1948-49.

p. 1 of (I)

2. B.Sc.(Hons) course in Chemistry was opened in the Loyola College with a view to produce more qualified Chemists whose services would be required for carrying out the post-war Scheme under "Industries and Industrial Training". The Correspondent of the Loyola College then applied for a grant towards the cost of construction of buildings for the Chemistry Laboratory. After July 1945 all requests for grants for opening new colleges and new courses in the existing colleges for mere Arts and Sciences - as distinguished from professional courses-have been refused unless there were exceptional reasons. It was considered that ~~in the case of the Loyola College~~ further extension of facilities for Hons. courses in Chemistry was desirable with a view to produce more highly qualified Chemists for posts in Industry as this was really much on a par with the expansion of technical education. ~~[illegible]~~ On this ground a grant of Rs.2 lakhs was sanctioned towards the cost of construction of buildings for the Chemistry Laboratory for the Loyola College.

Para 2 of note – p[illegible]

(1) after the issue of [illegible] at pp. 86-87 of (P)

P 3 of (V)

3. As the Correspondent of the Loyola College ~~has now~~ reported that it was not possible to meet the entire cost of the purchase of equipment from their funds ~~and~~ as Without equipment the newly opened courses

4

~~cannot~~ could not be properly conducted.

The application of the Correspondent was examined in consultation with Finance Dept. The Finance Dept. did not object to the inclusion of this Scheme in the approved list as recommended by the Director of Public Instruction and suggested the inclusion of necessary provision in the Part II Scheme for 1947-48. pp1-2 n.f. (I)

H.M.(Education) minuted on the proposal as follows:

> "The Loyola College has been sanctioned a grant of two lakhs in the current year and it will create unnecessary heartburning if the same college continues to receive large grants every year, when others don't get them. And so this may be negatived.". p. 3 n.f. cb (I)
>

Sir,

pp18-19 infra

In resubmitting herewith the letter No. nil dated 9-11-46 from the Principal, Loyola College, Madras referred to me for remarks in Government Memo No.69055 G-3/46-5 Education dated 9-9-47 regarding a scheme in respect of equipment grant, I have the honour to state as follows:

P19 of (I)

1) The Correspondent, Loyola College, Madras submitted an equipment grant application at an estimated cost of Rs.2,58,124-6-0 for the purchase of furniture, apparatus, Chemicals and books for the B.Sc. (Hons) course in Chemistry. After disallowing an amount of Rs.17,511-14-0 relating to inadmissible items in the recommendation of the Principal, Presidency College, Madras the scheme was reccomended to Government for inclusion in the approved list for 1947-48 at an estimated cost of Rs.2,40,612/-. The Government was requested that sanction might be accorded for the purchase of the entire articles in the course of two years making provision for half grant on the whole to be paid equally in the course of two years. But the Government in their G.O. No. Ms.2040 Education dated 26-10-46 turned down the proposal on the ground that there is no prospect of funds becoming available for payment of grant in the near future.

-do-

pp7-8 of (I)

PP1-2 of

2) The present letter of the correspondent is therefore an appeal for reconsideration of these orders. There is force in what the Principal states. There is a great need for the study of Chemical subjects and Government were pleased to approve such schemes as part of the Post-War Reconstruction schemes. Further equipment is daily going up in price and it is very doubtful whether it will be possible to get it in these difficult days at the prices mentioned in the indents submitted in 1946.

In view of the above reasons, I strongly recommend that the scheme at an estimated cost of Rs.2,40,612/- may be included in the Part II Budget Estimate of 1948-49.

P14 of

9. As regards para 2 of the Government Memo, I am to state that the figures called for are not readily available. They are being called for and will be submitted to Government with my remarks shortly.

Rc. 1424 K2/47 dated 11-10-1947.

Sir,

Sub: Presidency College, Madras - Chemistry Honours class - increase in strength.

Ref: Government Memo No.69055 G3/46-5 Edn., dated 9-9-47.

8173

P14 ante

PP 20.21 infra

With reference to para 2 of the above memo, I have the honour to enclose herewith a copy of the letter Rc.551/47 dated 1-10-1947 from the Principal, Presidency College, Madras, furnishing the strength of the Chemistry Honours class. I would point out that if the proposals made in my D.O.Letter dated 29-9-47 regarding the shift system in the Presidency College by which the Intermediate classes are in effect separated from the degree classes, it would be possible to increase the number of Honours students in Chemistry by about 50 per cent. I may also inform Government that even if the seats for Honours in the Presidency College were to be increased by 50 per cent, there will be a demand for more seats and the Loyola College Honours Course will be a great help in relieving the congestion and demand for Honours seats.

1/2

for Director of Public Instruction.

k.h. 11-10.

Copy of letter referred to above.

I have the honour to submit the particulars required by you.

(i) Strength of the B.Sc., Honours chemistry.

III Honours 1946 - 1947 - 10
Present year (1947-48)-8 / The strength was reduced as the students selected did not turn up. I did not want to take students of poor quality as well. I wanted to observe the communal G.O. I further wanted to take in more Post graduate students.

IV Honours - 10 plus 4 (P.G. course students) = 14.

V Honours - 10 plus 4 do. plus 4 (exempted students) totalling 18.

Total of all these three classes: 8 plus 14 plus 18 = 40 students

(2) The advanced Inorganic Laboratory where III and IV Honours classes work has only 24 seats. The final honours do physical organic practical in the special laboratories and they work in two batches, one doing the physical and the other organic. So it is impossible to take in more students for Honours unless the new proposals come to effect. Under the above circumstances I do not know what proposals to submit as they are all interdependent.

I suggest that more seats be given to the post graduates since we have found by experience that there is even greater pressure for admission to post graduate courses. There are several colleges which turn out pass men and the only opportunity for them to undergo higher courses in Chemistry is to join the Presidency College for post-graduate course. Several Demonstrators in city and mofussil colleges who are pass graduates apply and we have been unable to take them all. Honours course in Chemistry has been

p.t.o.

2

: 2 :

recently opened in the Loyola College and it is likely to relieve the pressure to a certain extent for Honours and Post Graduate admission from next year. Though Loyola College has not admitted for Post Graduate course this year, it is hoped that when their laboratories are built, they will be able to take in for post-graduate course also.

EDUCATION AND PUBLIC HEALTH DEPARTMENT.

PART II SCHEME FOR 1948-9.

--

(Sub:--Equipment grant to Non-European Colleges under private managements.)

--

S U M M A R Y.

Head of Account.	Item of expenditure.	Non-recurring. Ultimate Cost. Rs.	 Cost in 1948-9. Rs.
37.Education - a. University - Grants to non-Government Arts Colleges - (i) Excluding Post-War Reconstruction - C. Equipment - Voted.	Equipment grant to the Loyola College, Madras, for the B.Sc.(Hons.) course.	50,000/-	50,000/-
	Total.	50,000/-	50,000/-

In September, 1946, the Director of Public Instruction forwarded the application of the Correspondent, Loyola College, Madras, for a grant for the purchase of furniture, apparatus, chemicals and apparatus required for the B.Sc.(Honours) course in Chemistry newly opened in that College, and recommended that the scheme might be included in the approved list for 1947-8 at an estimated cost of Rs. 2,40,612/-, and that sanction may be accorded for the payment of a grant amounting to Rs. 1,20,306/-, to be paid equally in two years. As the Loyola College had been sanctioned a grant of Rs. 2 lakhs for the construction of buildings for the B.Sc.(Honours) in Chemistry, the application was not favourably considered then. The Director of Public Instruction who was subsequently asked to submit proposals in the matter, has now recommended that the scheme at an estimated cost of Rs. 2,40,612/- may be included in the Part II Estimate for 1948-9. Instruction in Chemistry Honours course is also available in the Annamalai University, Presidency College, Madras, and University College, Waltair. The Director of Public Instruction states that even if the seats in the Presidency College are increased by 50 per cent, more seats will be required for Honours course in Chemistry and that the Loyola College Honours course has helped in relieving the congestion and demand for Honours seats. As the grant asked for is for a specialised course in Chemistry, it is proposed that the normal maximum limit of Rs. 10,000/- for equipment grant for each College, need not be applied to this case and that a grant of Rs. 50,000/- may be paid as a special case to this College towards the cost of equipment for the B.Sc.(Honours) course. The total equipment grant for all non-Government colleges including the ~~Hxix~~ provision for this college (Loyola) to be provided in the Part II estimates for 1948-9 will be Rs. 1,56,300/-. This Department recommends that a provision of Rs. 50,000/- may be made for the Loyola College in the Estimates for 1948-9, as indicated in the summary at the top of this note.

E & P.H (G3) 19

Grant - equipment - Loyola College, Madras - Purchase of furniture, apparatus, chemicals and books for the B.Sc (Hons) Course - Application - Reconsideration of G.O. No. 2040 Edn dt - 26.10.46 - ~~Requested~~

PP 1-2 cf

C.No. G 69055/46 - From the Principal, Loyola College, Madras, dt - 9.11.46

PP 5-6 c.f. of (I)

In G.O. No. 2040, Edn dt - 26.10.46, the Govt. negatived the request ~~application~~ of the Loyola College, Madras, for an equipment grant for the purchase of science articles etc required for the newly opened ~~BSc~~ B.Sc (Hons) Courses. The Principal of the College now requests for the reasons mentioned in his letter at pp. 1-2 cf that the above order may be reconsidered and ~~the~~ the equipment grant applied for may be sanctioned, the payment of the amount being spread over a period of two or three years. Attention is in this connection solicited to the orders of HM (Edn) on p 3 n-f of (I), negativing the request for an ~~appli~~ equipment grant ~~from~~ for the Loyola College. ~~As ~~there are~~ no fresh grounds for reconsidering the orders already passed, this for orders whether the request of the Principal may be negatived.~~ ~~A draft letter ~~[illegible]~~ is submitted for approval.~~

The provision originally proposed for the scheme in the part II estimates was accordingly deleted.
9/11/46

May be circulated to HM (Edn) & HPM with reference to HPM's orders on

69055-1/3
4/1/47

on p 1 cf. The Finance deptt had no objection to the inclusion of the scheme in the approved list.

E 16.12.46 S

4/1/47

HM (Edn.)

HPM

The Loyola College has been paid large grants every year. Even in the estimates of ~~1945-46~~ 1946-7, we have provided for two lakhs to provide grants to them. The Finance Department and the H.P.M. ~~but~~ wanted the Education Department to agree to the cutting off of that grant but I protested that it should not be done and so, that grant was allo~~tted~~ to remain in the list. In the Legislative Assembly, there was a large amount of criticism over this that we have chosen to pay a large amount of grant only to the Loyola College which has had large grants from the Government even in previous years.

They have again applied for grantthis year and I do not think it is proper that the same College should be given large amounts of grant every year and for that reason, the Education Department do not like to include it in the approvedlist. The Finance Department said that it had no objection because this inclusion in the approved list does not mean that the Government will be bound to pay but that is only a mere technical reason. ~~because~~ But when once it is included in the approved list, there is a moral obligation of the Government to pay and so, I do not think it is proper that we should ~~pay~~ put it down in the approved list.

E.& P.H.(G.3)

(Issued as T.M. dated 22-10-1947)

C.No.95118/47 - From the D.P.I.,T.M., dated 1.12.47.

P22 of

P28 of

Please see the minutes of Honourable Premier on p.7 ante and the T.M. on p.28 c.f. from the D.P.I. ~~It will be seen from the statement on p.28 c.f. that~~ Apart from the seats which may be available in the Annamalai University for which figures are not available, there are seats for Honours Chemistry in the following three ~~six~~ colleges:--

1.Presidency College,Madras	40 seats.
2.University College,Waltair.	29 "
3.Loyola College,Madras.	15 "

The D.P.I. states that even if the seats in the Presidency College are increased by 50%, more seats will still be required for Honours course and that the Loyola College Honours course is a help in relieving the congestion and demand for Honours seats. He recommends that the scheme for the purchase of equipment, furniture, apparatus,chemicals and apparatus for the B.Sc.(Hons) course,in Loyola College,Madras, at an estimated cost of Rs.2,40,612/- may be included in the Part II B.E.? ~~Scheme for~~ 1948-49.

P20 of

P16 of

The grant asked for is for a specialised Honours course in Chemistry and this dept. has suggested that the principle of the normal limit of Rs.10,000 for each college may not be applicable to this. ~~Further~~ In the case of the Osmania College,Kurnool, H.M.(Fin.) has minuted that this limit ~~was~~ may be relaxed as a special case/ in view of the backwardness of the area in which the college is located, and that a grant of 50% additional (Rs.15,000/-) may be given to it. ~~has been proposed for it~~ for equipment. It is for orders ~~whether the limit of Rs.10,000/- may be applied in this case or~~ whether as a special case a grant of Rs. 1,20,306/- (half-grant), which may be spread over a period of 3 years, may be given, provision being made in 1948-49 for a sum of Rs. 40,102/-. The file may be circulated to H.M.(Edn.) for discussion with H.Pr. - please see the minutes of the Hon'ble Premier on p.7 ante and of H.M.(Edn.)on p.8 ante.(If the scheme

R

In view of the importance of providing for Chemistry, as a special case, we may grant Rs.50,000/-. This itself will be a large departure from our usual limits but as this is a specialized course, we may do it as a special case.

TSA

E.& P.H.(G.3)

Please see the minutes of H.Pr.above. The present case relates to the application of the Loyola College, Madras, for equipment ~~a~~ grant for the purchase of science articles etc. required for the newly opened B.Sc(Honours) course in Chemistry. ~~for which~~ A building grant of Rs. 2 lakhs was already sanctioned to this college as a Post-War Development scheme for the construction of buildings for the B.Sc.(Honours) course. ~~in that college.~~ ~~Besides that,~~ No equipment grant was sanctioned for the above course.

separate file.

It may be

It may be mentioned that the College was in receipt of equipment grant for the existing courses in previous years. A statement showing the equipment grant given to the college ~~xxxxxxxxxx~~ for the past four years is ~~xxxxx~~ furnished below:--

1944-45.	Rs.4,607/-	(science articles and books)
1945-46	Nil.	..
1946-47	Rs.9,193/-	(Books, science articles and furniture)
1947-48.	Nil	..
