Extracts of Local Administration's remarks in their file
regarding Budget Estimate 1948-49 - General Funds - Municipal
Council, Srivilliputtur.

ELEMENTARY EDUCATION ACCOUNT: The contribution approved for 1942-43 which should be considered as the standard is only Rs.6,900. The contribution approved in ~~1947~~ for 1947-48 is Rs.9,800. The council has, however, provided for a contribution of Rs.11,900 with this contribution the Elementary Education Account for 1947-48 is expected to close with a balance of Rs.21. The increased provision may be allowed to stand. Provision is made for a contribution of Rs.11,100 in the B.E. for 1948-49 with this contribution the Elementary Education Fund is expected to close with a deficit of Rs.3.

As the contribution provided is necessary to balance the Elementary Education Account for 1948-49, this also may be allowed to stand.

REVISED ESTIMATE FOR 1947-48: Revised with reference to the few alterations indicated above, the R.E. (which opened with a balance of Rs.18,706 under general account - Ordinary) will close with a balance of Rs.12,980. The capital expenditure proposed in the year from general funds includes however a sum of Rs.12,850 for conservancy improvements which it is permissible to meet from the A.T.C. sanctioned for the year as there is likely to be no deficits under the general account or the E.E. account. If this is done, the general account will close with a balance of Rs.25,830. The balance of the A.T.C. (Rs.2,318) may be transferred to conservancy fund.

BUDGET ESTIMATE FOR 1948-49: Opening with a balance of Rs.25,830 the Budget is expected to close with a deficit of Rs.5,640 under general account ordinary after meeting a capital expenditure of Rs.42,900 (against the prescribed minimum balance of Rs.7,850). In order to avoid the deficit and secure the minimum balance the Council may be permitted to adjust a sum of Rs.13,400 from the A.T.C., likely to be sanctioned next year. There will still remain a balance of Rs.1,678 in that grant. If this balance together with the balance left-over in 1947-48, is spent on conservancy improvements

improvements provided in the budget, the general funds will be benefited to that extent and will close with a balance of Rs.11,846.
