In their order No.696 Edn, dated 1-4-46 Government were pleased to provide a sum of Rs.1,31,600/- for payment of a grant towards the cost of construction of a hostel attached to the St. Christopher's Training College, Vepery, Madras. The Management could not take up the work last year due to various reasons and hence the allotment provided by Government was surrendered. During the current year the management has commenced the building operations and a part of the work has already been completed. The management expect to spend more than a lakh of rupees on the work by December 1947. As it is not possible to carry on the work without financial assistance from Government, the Correspondent of the institution has requested me for the sanction of an advance grant of Rs.50,000/-. I feel that it will not be possible for the management, especially in a scheme involving an expenditure of about three lakhs of rupees, to carry on the work without immediate financial help from the Government. I therefore request that Government may be pleased to permit me to sanction a grant not exceeding Rs.50,000/- during the current year (as part payment of the sanctioned grant) on production by the management of the necessary vouchers and a "part completion certificate" from the Engineer in charge of the work. Government may also be pleased to provide a supplemental allotment of Rs.50,000/- for the above purpose in the current year under "37.e-Education - University - Buildings" as it is not possible for me ~~x~~ at this stage to state whether funds can be

Grant to St.Christopher's Training College, Madras.

Please see the statement on p. 13 c.f.

In G.O.No.696 Edn., dated 1.4.46, the Govt. sanctioned a grant of Rs.1,31,600/- and provision was made for the purpose in the B.E. for 1946-47. But the work was not taken up in 1946-47 and hence the amount was surrendered. The College authorities have ~~now~~ taken up the work during the current year and they expect to spend Rs.1 lakh during 1947-48 and the D.P.I. has recommended the payment during the current year of a half-grant of Rs.50,000/- to the College in advance, subject to the production of vouchers and partial completion certificate. It is however proposed not to accept the Director's suggestion but to treat ~~this~~ it as a Part II scheme for 1948-49. Hence a provision of Rs.1,31,600 in the next year's budget is ~~necessary~~ proposed.

With regard to the Loyola College, there were already complaints last year that that college has been favoured with grants as apart from other colleges. I think it is enough if we allot Rs 50,000/- this. The rest of the amount may be spread out in the next few years.

Grant - Building - St.Christopher's Training College, Madras - Construction of a hostel - Payment of an advance grant of Rs,50,000/-

-----

C.No.75498/47

From the D.P.I., No.805-K/47 dated 19-9-47.

Please see the letter from the D.P.I. on ~~pxixaxxfx~~ p.p. 1-2 c.f. He requests that an advance grant of Rs.50,000/- may be sanctioned for the construction of buildings for the hostel for the St.Christopher's Training College, Madras. In G.O.No.696 Edn., dated 1-4-46, the Govt. sanctioned the payment of a grant of Rs. 1,31,600/- for the above purpose, and provision ~~to that extent~~ for the amount was made in the B.E. for 1946-47. But the management of the College could not take up the work during 1946-47 and the amount was therefore surrendered. Now the D.P.I. reports that the management has commenced the above work & that it is expected that a sum of Rs.1,00,000/- may be incurred during the year up till Dec.1947. He therefore recommends an advance grant of Rs.50,000/- (covering half the above expenditure) may be sanctioned to the College, subject to the production of vouchers and the part completion certificate.

No provision has been made in the current year's budget for the above item of expenditure as the D.P.I. did not include this in his estimate of expenditure. Strictly speaking this should be treated as a Part II Scheme for 1948-49. But since the Govt. have committed themselves to the expenditure on this account and as the work has been commenced during the year, it is for orders whether the scheme may be treated as ~~XXXX XXX~~ one to be introduced during the current year and the ~~provision~~ grant sanctioned without reference to the cabinet, provision being ~~for this~~ made in the Revised Estimate for 1947-48 either by re-appropriation of ~~supplementary grants~~ additional appropriation of funds. The case relates to the request of the managgement of the St.Christopher Training College,Madras, for the payment of an advance grant of Rs.50,000/-, towards the cost of construction of a hostel. In 1946 the Govt. sanctioned a grant of Rs.1,31,600/- towards the cost of construction of a hostel in the college and provision for the same was made in the B.E.for 1946-47. As the management did not take up the work in 1946-47, the amonnt was surrendered. Now the D.P.I. states that the management ~~expxxxx~~ has taken up the work on hand and expects to spend about ~~Rxxxxx~~ Rs. 1 lakh by the end of December,1947 and recommends the payment of an advance grant of Rs.50,000/- to the college, subject to the production of vouchers and part completion certificate.
