3. Until now equipment grants were given up to half the cost of the schemes. With a view to give grants to as large a number of colleges as possible, the limit of the maximum amount of grant in respect of each institution is now fixed at Rs. 10,000 and provision has been proposed accordingly in the Budget Estimate for 1948–9. The proposal for equipment grant for the Loyola College is under consideration and a decision on it is still awaited. No provision is therefore included in this note for the Loyola College. A list of the schemes for which provision has been made as in the summary above is annexed.

Sir,

P26 of V

Ref:--G.O. No. Ms. 750 Edn. dated 2.4.48.

PP6-7 of T

In G.O. No. Ms. 63 Edn. dated 16.1.47 an equipment grant scheme amounting to Rs. 45,573/- on behalf of the Hindu College, Masulipatam was admitted for inclusion in the approved list for 1947-48 and the institution rendered eligible for a grant not exceeding Rs. 22,786/- But in the annexure No. I to G.O. No. Ms. 748 Edn. dated 15.4.47, the above scheme was not included. When this was brought to the notice of Government, the Government in their Memo No. 31303 G3/47-2 Edn. dated 13.5.47 have stated that it was not possible to provide for the payment of equipment grant to the Hindu College, Masulipatam, during 1947-48 and as such they have asked the Director to include this item in his proposals relating to the budget of 1948-49. Accordingly provision was suggested in the Budget Estimate for 1948-49 on behalf of this institution for a grant of Rs. 22,786/-. The correspondent of the college had already submitted vouchers for the remaining amount before the end of this month. In their order No. 750 Edn. dated 2.4.48 referred to above Government have, however, provided only Rs. 10,000/- in the Budget Estimate for 1948-49 as against the sum of Rs. 22,786/- provided for the institution.

2 Similarly in G.O. No. Ms. 1547 Edn. dated 15.7.47 an equipment grant scheme on behalf of the Pachaiyappas College, Madras, was admitted for inclusion in the approved list for 1948-49 at an estimated cost of Rs. 55,418/- rendering the institution eligible for a half cost not exceeding Rs. 27,709/- But, in the G.O. quoted above, Government have provided only Rs. 10,000/- in the Budget Estimate for 1948-49 on behalf of this institution. In the circumstances I have the honour to request that Government may be pleased to sanction the entire sum of Rs. 22,786/- and Rs. 27,709 as originally promised in G.O. Ms. Nos. 63 Edn. dated 16.1.47 and 1547 Edn. dated 15.7.47 in respect of the Hindu College, Masulipatam and Pachaiyappas College, Madras respectively and permit me to apply for necessary additional funds in the Final Revised Estimate for 1948-49.

For the year 1948-49, a provision of Rs. 10,000/- each has been made in the B.E. towards the payment of equipment grant to the Hindu College, Masulipatam, and the Pachayappas College, Madras. The D.P.I. suggests that the grant to each of these educational institutions be increased to the original amount ~~inim~~ included in the approved list, viz. Rs. 22,786/- and Rs.27,709/- respectively. The reason for the D.P.I's recommendation is that the Govt. have promised the above amounts when the schemes were ~~put~~ included in the approved list and that they should not ~~x~~ be reduced now. Attention is invited to the wording of the G.O.Nos. 63 Edn., dated 16.1.47 and 1547 Edn., dated 15-7-47. The inclusion in the approved list ~~does~~ did not convey any guarantee of grant to the institutions concerned; it rendered the institutions eligible liable for a grant ~~of half the cost~~ not exceeding one-half of the cost, specified therein, if and when ~~conditions~~ funds became available, provided all the conditions specified in the Grant-in-Aid Code were duly complied with. No promise as stated by the Director has ever been given in ~~this respect~~ these cases. It is, however, open to the Government to reduce the grant included in the approved list or not to make any grant at all. In connection with a new proposal ~~initiated by~~ of H.M.(Edn) for fixing a limit to the equipment grant to colleges and secondary schools, it has been held that ~~future~~ grants should be limited to - Rs. 10,000/- in the case of Colleges and Rs. 5000/- in the case of secondary schools. This has been specifically pointed out in the notes ~~on pp. 1 and on pp.~~ on p.p.1 and 4 nf of G.O.No. 750 Edn., dated 2-4-48 ~~and~~ in respect of the two institutions in question, and orders ~~were~~ in circulation were also obtained to ~~to the effect~~ ~~the~~

~~the effect~~ to limit the grant to Rs. 10,000/- in each ~~case~~ of these two cases. In the circumstances, there is no case for revising the previous order or for enhancement of the grant sanctioned, and communicated to the D.P.I. ~~A draft memo. is subd. for approval.~~ Fin may see before circulation.
