Sub:— Additional grant for instituting a Professorship in Tamil in the University.

In continuation of my letter No.A.6965 dated 14-12-46 requesting addl.grants recurring and non-recurring from the Govt.for certain Deptts. of the University, I have the honour to inform you that the Syndicate considered a proposal for an endowment for founding a Chair in Tamil and resolved that a Professorship in Tamil be instituted in the University in place of the present Readership and and that the Govt. be addressed to give an annual ~~gr~~ recurring grant of Rs.2,500/- for the purpose.The facts which lead to this decision are as follows:—

In August 1942 Miss Theodora Lazarus(a retired member of the Edl. Service)and a daughter of Rev.John Lazarus a former fellow of the University who was taking a keen interest in advancement of Tamil made enquiries regarding the founding of a Chair in Tamil in this University. With this object in view she forwarded to the University a sum of Rs. 20,000/- to start with, and expressed her intention to make further contribution from time to time, until the proceeds from the capital amount would become sufficient to found a Lectureship. She was informed of the several grades of Teachers in the University with the emoluments attached to the posts and also the fact that a capital amount of Rs.68,600/- would be required to provide for the expenses connected with the maintenance of a Junior Lectureship. Her contributions to the endowment up to date amount to Rs.48,577 which have been invested in Govt. securities of the face value of Rs. 51,800/-, and the balance of the amount promised by her is expected to be contributed in due course.

The Syndicate will be considering this proposal and the best way of utilising the endowment took note of the developments that are taking place in the activities of our educational system and the importance given to regional and Indian languages.

The Deptts.in Dravidian languages were started in the University in 1927 in order to work out the object outlined in the Preamble to the University Act of 1923.The creation of a Professorship in Tamil in those days was not feasible for want of funds and other considerations.The deptts.have justified their existence by valuable contributions to research in their respective fields.Now that a generous offer of an endowment has been made with the specific object of advancement of Tamil, the Syndicate considered it desirable

for the University to provide for a Professorship in the language with the resources at its disposal, supplemented by an addl. annual recurring grant by the Govt. to the extent explained below :--

Designation.	Scale of pay.
Reader in Tamil - 400-25-600	with personal pay if granted under
Senior lecturer. 210-15-300	the statutes.
Junior Lecturer. 150-10-200	

The grade of salary for a Professor in the University is Rs.750-50-1000/-. A comparative stat. of the annual expe. that might be incurred in the maintenance of a Professorship and a Readership is given below to show the extra amount required to carry out the present proposal into effect:

	Professor.		Reader.	
	Min.	Max.	Min.	Max.
Salary. 750-50-1000	9,000	12,000	400-25-600	4800
Provi- dend Fund.	562½	750	300	450
	9,562½	12750	5100	7650
Amount available from the endowment.			2060	2060
Excess amount.	2,402½	3,040	7160	9710

It will be seen from the above stat. that the annual addl. expe. to be provided by the Univ. for the creation of a professorship in place of the Readership will be Rs.3040/-max. and Rs.2402½ minimum taking into account the provision for Readership bound to be made by the University from the funds now available and the annual proceeds available from the proposed endowment. The savings, if any, effect in early years will be added to the fund and utilised in later years when the maximum salary will in the grade of the Professor will have to be paid.

In consideration of the above facts the Syndicate has resolved to approach the Govt. with the request to make an addl. recurring grant of Rs.2500/- for the above purpose.

Copy of letter No. A.529 dated 3-3-1937 from the V.C., Madras University. Subj: Additional grant for the University.

In continuation of my letter No. A.529 dated 12-12-36 requesting addl. grants recurring and non-recurring from the Govt. for certain Deptts. of the University, I have the honor to inform you that the Syndicate considered a proposal for an endowment for founding a Chair in Tamil and resolved that a Professorship in Tamil be instituted in the University in place of the present Readership and that the Govt. be addressed to give an annual recurring grant of Rs.2,500/- for the purpose. The facts which lead to this decision are as follows: In August 1936 Mrs. Theodora Lazarus (a retired member of the Bd. Service) and a daughter of Rev. John Lazarus a former fellow of the University who was taking a keen interest in advancement of Tamil made enquiries regarding the founding of a Chair in Tamil in this University. With this object in view she forwarded to the University a sum of Rs. 30,000/- to start with, and expressed her intention to make further contribution from time to time, until the proceeds from the capital amount would become sufficient to found a Readership. She was informed of the several grades of Teachers in the University with the emoluments attached to the posts and also the fact that a capital amount of Rs.68,600/- would be required to provide for the exp. connected with the maintenance of a Junior Lectureship. Her contributions to the endowment up to date amount to Rs.48,777 which have been invested in Govt. securities of the face value of Rs. 51,800/-, and the balance of the amount promised by her is expected to be contributed in due course.

The Syndicate will be considering this proposal and the best way of utilizing the endowment took note of the development that are taking place in the activities of our educational system and the importance given to national and Indian languages. The Deptts. in Indian languages were started in the University in 1927 in order to work out the object outlined in the Preamble to the University Act of 1923. The creation of a Professorship in Tamil in those days was not feasible for want of funds and other considerations. The Deptts. have justified their existence by valuable contributions to research in their respective fields. Now that a generous offer of an endowment has been made with the specific object of advancement of Tamil, the Syndicate considered it desirable

The necessity for the creation of a Professorship in Tamil in this University needs no overemphasis.

In view of the facts stated I have to request that the Govt. may be pleased to consider this appln. for further addl. annual recurring grant, together with the previous communications for such grants for other deptts. of the University, and to provide the Univy. with sufficient funds to enable it to keep pace with the times in the cause of higher education and advancement of learning and in the devt. of the study of an important Dravidian language.

It may also be mentioned in this connection that if encouragement is given to such endowment proposals, it may serve as an incentive to other benevolent and charitable minded persons to come forward with donations for similar purposes.

~~Extract of the minutes of the D.P.I.~~

Extract of memo. No. 77541-G3/46-5 Ebn., dated 15-10-47 to the D.P.I.

The ~~Director~~ attention of the D.P.I. is invited to the recommendations of the Univy. Grants Committee re. the request of the Madras University for sanctioning a grant for the institution of a Professorship in Tamil and he is requested to submit not later than 20-10-47 proposals in this regard for consideration as a Part II Scheme for 1948-49. This shd. be treated as special.

for the University to provide for a Professorship in the language with the resources at its disposal, supplemented by an addl. annual recurring grant by the Govt. to the extent explained below:-

Reader in Tamil - 400-25-600	with personal pay 17 granted under the statutes.
Senior Lecturer. 210-15-300	
Junior Lecturer. 150-10-200	

The grade of salary for a Professor in the University is Rs. 750-50-1000/- . A comparative statement of the annual expenditure might be incurred in the maintenance of a Professorship and a Readership is given below to show the extra amount required to carry out the present proposal into effect:

Professor.	Reader.
Salary 750-50-1000	400-25-600

Grat. - 12,500	2,000
Excess amount. 2,400	2,000
Amount available from the endowment. 2,000	710

It will be seen from the above statement that the annual addl. expenditure to be provided by the Univy. for the creation of a Professorship in place of the Readership will be Rs. 3040/- max. and Rs. 2400/- minimum taking into account the provision for Readership fund to be made by the University from the funds now available and the annual proceeds available from the proposed endowment. Note cited). The Cabinet decided to include provision for the Part II Schemes in the Budget for 1948-9 in accordance with the Standing Finance Committee's recommendations subject to the following remarks:-

1) Item 72 in the list: Building grants to secondary schools under private management: The provision made should be increased by Rs. 30,000 to provide for a building grant to the National High School (Girls), Triplicane, Madras.

2) Items 125, 143, 144, 146, 147, 287 and 291 @ in the list: These also will be included in the budget.

@ 287. Introduction of new courses of Study in Government Victoria College, Palghat.

291. Raising to First Grade the Government College at Mangalore.

3) Item 296 in the list: Provision will be made for grants up to a maximum of Rs. 1 lakh a year for 5 years beginning with 1948-9 for each of the two Encyclopaedias, but the grant in any year in the case of each Encyclopaedia will not exceed the receipts in that year from subscriptions by the public for that Encyclopaedia.

4) The additional scheme put forward by the Education and Public Health Department need not be included as the proposal can be brought under scheme No. 290.

* Schools - Secondary - Introduction of Craft in Forms I to III.

2. The Cabinet also passed the following orders:

(a) The provision of Rs. 6 lakhs in the 1947-8 budget with an ultimate liability of Rs. 20 lakhs for a building for the Government College, Rajahmundry, should be repeated in the 1948-9 budget, as it will not be utilised in 1947-8 since the Revised Estimate required is not yet ready:

(b) Suitable lumpsum provision should be made under the heads concerned for increased expenditure on dearness allowances to Government servants, employees of local bodies and teachers in aided elementary schools in accordance with the recent Cabinet decisions and the calculations placed before the Cabinet in the note on the subject. The Education and Public Health Department should examine separately and urgently whether any fresh orders are necessary to enable aided secondary schools to get grants on the basis of half the cost of dearness allowance at the revised Government rates.

(c) The inclusion in the budget speech of some explanation of the Government's policy regarding water-supply and drainage schemes should be considered.

Note: The Education and Public Health Department is requested to send a brief note on this point as as to reach the Finance Department before 7-2-1948.

H.M.(Edn) has stated that the D.P.I. may be asked to submit proposals so that it may be included in Part II, 1948-49.

In view of the stringent need for economy, no schemes should be proposed as Part II schemes unless they fall within one of the following classes:--

(a) schemes included in the 5 year Programme of P.W.D. schemes or schemes that can be treated as modifications of such schemes.

(b) G.M.F. Schemes.

(c) Schemes that are fully remunerative.

(d) Schemes that are imperatively and immediately essential for the proper ~~run~~ running of deptts.

In the present case, the institution of a Professorship in Tamil in the Madras University does not fall within any of the above classes. It cannot therefore ordinarily be proposed as a Part II Scheme for 1948-49. In view of the minute of H.M. (Edn) on p.7 n.f. Fin. may perhaps agree to the proposal of E. & P. H. to ask the D.P.I. to submit in time proposals in this regard for consideration as a Part II Scheme for 1948-49.

Proposals to be considered as Part II Scheme for 1948-49 shd. reach the Fin. Deptt. before the 1st ~~Nov~~ Nov. 1947. After examination of the detailed proposals in Fin. orders in circulation (including H.M.  We must accept the lady's gift.
 But can the Varsity bear this extra?
 Since this is a recurring sum, let H. Pr. see.

I am ~~rather~~ rather surprised at the note of
 H.M. (Finance). A Christian lady offers Rs. 68,000/- and odd
 for a chair in Tamil in the Madras University. The University
 wants Rs. 2500/- more than the interest that will be obtained
 out of this endowment to institute the chair. This is a very
 small sum and the University has cared to ask us for this sum.
 I am afraid it will be grossly misunderstood, if we do not
 make this grant. In fact, we should do it with a great deal
 of appreciation for the lady. The amount involved is only
 Rs. 2500/- and the University Grants Committee has also
 recommended the grant. I think this is a matter in which
 we must give them the grant with a great deal of approbation
 and joy.

H. Pr. may see.
