p.l.c.f

The Honorary Secretary of the Muhammadan Educational Association of Southern India has reported that the name of the Association has been altered into "The Muslim Educational Association of Southern India" in pursuance of the provisions contained in the Societies' Registration Act. He requests that the consequential amendment may be made in all enactments and rules where mention is made of the Muhammadan Educational Association of Southern India.

vide Legal Deptt's note on p1 nf

2. Notwithstanding the change of name, reference to the Muhammadan Educational Association of Southern India in statutory enactments and rules will be construed as reference to the Association in its new name, viz., Muslim Educational Association of Southern India. There will therefore be no legal difficulty even if legislation to give effect to the change in name is postponed and the amendment of the enactments and rules containing reference to the Association is taken up when the necessity arises. The change in name may however be given effect by preparing a short bill to the effect that the word 'Muslim' should be substituted for the word 'Muhammadan' in the expression 'The Muhammadan Educational Association of Southern India', wherever it occurs in the Madras Acts & Rules framed thereunder.

2. Proviso to rule 73 of the Assembly Rules only says that where the Governor has ordered the publication of the Bill in the Gazette, it is not necessary to move for leave to introduce the Bill and does not prescribe any time-limit within which the Bill must be introduced after its publication. In the case of the Madras Minor Ports Fund Bill, 1938, the Madras Payment of Salaries and Removal of Disqualifications(Amendment) Bill, 1947 and the Madras City Improvement Trust (Amendment) Bill, they were republished before introduction.

3. This Bill is only intended to give effect to a change in the name of the Muhammadan Educational Association in Southern India, Madras, as desired by the Association. (Letter to the Hony.Secy,The Muslim Educational Association of Southern India, No.9419-B1/46-2 Edn.,d./- 25.1.47.
From the Hony. Secy, The Muslim Educational Association of Southern India, Madras, No.9/47-60 dated 22.4.47.

The Honorary Secretary of the Muslim Educational Association of Southern India reports that he is not able to give an exhaustive catalogue of all the enactments, codes and rules etc. where the name "Muhammadan" occurs and that this will have to be found out by Govt. and the change effected ~~by~~ as soon as possible. As already pointed out on page 2 ante, this can be undertaken when the opportunity for revising each set of rules arises. For the present, legislation may be undertaken to give effect to the change in the name of the Association as proposed on pages 2--3 ante. The case may be sent to Legal for preparing a draft bill.

A.S.

Please see the notes of E&P.H above. The question is whether the Madras Muslim Educational Association of Southern India (Change of Name) Bill, 1947 which was published on 15/7/1947 but was not introduced in the Legislature should be published again now so that it may be introduced in the present session of the Legislature. The publication of a Bill is ordered under rule 73 of the Madras Assembly Rules. Neither that rule nor any other rule in those Rules specifically provides for cases like the present. Rule 3(a) of those rules states that on the prorogation of a session, all pending notices and business shall lapse except Bills which have been introduced. It does not refer to a Bill which has not been introduced. It is, however, noticed that the Madras Minor Port Funds Bill was published on 12/8/1938 and again on 4/10/1938 apparently under circumstances similar to those of the present. ~~[illegible]~~

See precedent [illegible]

Similarly ~~[illegible]~~ the Madras Payment of Salaries and Removal of Disqualifications (Amdt) Bill, 1947, the Madras City Improvement Trust (Amdt) Bill, 1947 and the Madras City Police and Gaming (Amdt) Bill, 1947, were published for ~~the second time~~ before introduction under similar circumstances. Further in the present case, the reference to the year in short title of the Bill has to be altered into '1948'.

AZ

In the circumstances stated above, it seems to be desirable to publish the Bill again now. Orders of H.E. may be taken by E&P.H.
