Sir,

We may bring to your kind notice that we have started an Intermediate Arts College under the control of our Charities and the College is affiliated to the University of Madras.

We applied to the Director of Public Instruction for admission of our college to aid under the Provisions of the Grant-in-aid Code. But he has replied in his Pros. R.C.No. 934-D1/47 dated 12th Sept. 1947, that under instructions from Government, our College could not be admitted to aid and that we may address the Government in this matter.

We may state at the outset that we are not aware of the fact that previous permission of Government should be obtained before actually starting the College. We request that we may be ~~excused~~ enclosed in this behalf.

But we may add incidentally, that we consulted the Hon'ble Minister for Education as to what extent our Institution might receive grants. He was pleased to reply that there would be no difficulty in obtaining teaching grant as other institutions once when the college is recognised by the University, though he was not sure of the extent of aid for building and equipment.

We request that you will be good enough to review the position and admit our college for aid.

The application with the particulars in duplicate is enclosed herewith.

Honourable Sir,

15180

I beg to inform you that I have opened an orphanage for the education of destitute labour class children on 20-8-45. I applied for grant from the Labour Department in July 1946 and only three scholarships were granted for 1946-47. Again in July 1947 I applied for the same Labour Grant but only one student was given scholarship, although the inmates of the orphanage are Hindu Harijans, Harijans of other religious beliefs, Yerukalas and Vadaras.

In December 1946 I was asked ~~to submit~~ by the District Labour Officer, Guntur to submit my application to the Labour Department through him for lump sum grant for 1946-47, which I submitted accordingly, but I did not receive any reply on the matter. Therefore I applied in May 1947 for Boarding grant through the Educational Department, for which I received a reply from the Director of Public Instruction on 16-2-48, informing me that my orphanage grant is included in Part II Budget for the year 1948-49 pending the approval of the Government. So I request your honour to help me to get the approval of the Government in the matter.

Thanking your honour in anticipation,

I beg to remain,
Yours most obediently,

N. Mariadoss.

Manager, St. Michael's orphanage.

Place: Peddavadlapudi.

The policy of Govt. is to rely mainly on aided agencies for the expansion of ^{secondary} education. The practice has been to consider every year the question of budget provision for ^{teaching} grants to ~~institutions only recognised by the D.P.I.~~

~~to maintain~~ secondary and special schools newly recognised by the D.P.I. Similarly in respect of boarding grants to Indian

2. The D.P.I. recommends that provision may be made for the following grants in Part II scheme estimates for 1948-49.

The details of the provision are given on pages 1-3 c.f.

The provision proposed by the D.P.I. may be included in the next year's estimate.

3. Boarding homes and orphanages Boarding grant-Rs.32,700/-

The amount is intended for 22 orphanages-13 for boys and 9 for girls to be newly admitted to aid. The necessity for the provision may be accepted.

4. Attention is solicited to the instructions for the preparation of the budget for 1948-49 issued in G.O.No. 577 Finance dated 1-8-47. The teaching and boarding grants recommended by the D.P.I. are absolutely essential for the proper maintenance of the schools. The proposal may therefore go forward as a part II scheme for 1948-49.

The total provision proposed is Rs.1,44,300/-as against Rs.1,32,500/-in 1947-48, The increase is due to the increase in the basis of assessment of teaching grant from one half to two third of the net cost basis, on account of the increase in the basis of assessment of teaching grant from one half to two third of the net cost basis, of the previous

for women, San Thome, and P.S.H. + St. Charles College, Beela-medn. - item 6 under girls' schools on p. 2 of and item 22 on p. 3 of. The teaching grants for these two colleges should presumably be debited to "37 c - Edn. - Govt. - Grants to Non-Govt. A.C. Colleges" and not to "37 g. Edn. - Govt. - Grant to Non-Govt. A.C. Schools". There was another file seen in the recently containing proposals for a Part II scheme for 1948-9 relating to teaching grants for non-Govt. A.C. colleges. The grants for the two colleges mentioned above may be included in the Part II scheme referred to at 'x' above. Excluding these two items, the provision made in BE II/47-1 in this case comes to Rs. 1,34,100. Subject to the above remarks, the proposals for teaching grants to Non-Govt. A.C. schools in this case are accepted in finance.

22/11/47

with reference to the Finance Dept's note above, it is submitted that teaching grants on behalf of collegiate departments which do not provide instruction up to the standard of a University degree are assessed under the rules contained in chapter IV of the Grant-in-Aid Code for assessment of teaching grants on behalf of secondary schools. The two items referred to have therefore been included in the estimate for teaching grants to non-Govt. Secondary Schools.

The provision to be made in the BE for 1948-9 is as shown in the summary at A on page 2 ante. The file may be circulated to HM (Edn) HM (Fin) for views whether the proposal may be put forward as a Part II scheme for 1948-9.

The policy of govt is to rely mainly on aided agencies for the expansion of secondary education. The practice has therefore been to consider every year the question of budget provision for grants to new institutions recognised by the Director of Public Instruction.

2. (i) Teaching grants. The managements of aided secondary schools were hitherto allowed to adopt such scales of pay as their finances could afford and the Govt were giving them grants-in-aid for a year based on half the approved net cost in the preceding financial year. As no standard scales of pay were fixed by managements, and the teachers, in most of the cases, were paid very poor salaries, the Govt decided to insist on managements of aided schools adopt atleast the revised scales of pay fixed for teachers in secondary schools under local boards.

With a view to enable the managements to find the funds required for meeting the extra cost involved, ~~the~~ the Govt ~~has~~ have raised the basis of assessment of teaching grants from one half to two thirds of the approved net cost with effect from 1.6.47. The Govt ~~has~~ also decided that no new school should be permitted to come into existence unless it undertook to ~~pay~~ adopt at least the scales of pay approved for teachers in schools under Local bodies. - para 8(1) p 2 of (2)

So all the newly recognised schools will have to be paid teaching grants on the basis of two thirds of the net cost.

In addition, grants will also be paid ^{as usual} for the loss of fee income on account of the grant fee concessions to backward classes under rule 92 of the Madras Educational Rules

and ~~transfers~~ (2) towards one half of the cost of scholarships and fee remissions awarded in accordance with schemes

approved by the Director under rule 32 of the Grant-in-Aid Code. The provision of Rs. 1,14,400 suggested under this head is intended for 40 new schools and two colleges newly opened which do not provide instruction up to the standard of a University degree & for which teaching grants are assessable according to the rules for aided secondary schools. ~~phases in Annexure A. The names of the institutions are given in Annexure A.~~

(3). Boarding grants Under ~~rule~~ rule 62 of the Grant-in-Aid Code, a special grant may be made in aid of boarding charges to Indian orphanages and boarding homes for destitute children, the grant being limited to two thirds of the net boarding charges of the institution subject to a maximum limit of Rs 30 a month which has been temporarily raised to Rs 80 on account of the prevailing high cost of foodstuffs. The Director proposes to admit 22 new orphanages and boarding homes to aid next year. ~~Subst of these is in Annexure A.~~

3. The total provision proposed for the next year is Rs 1,47,100 as against Rs 1,32,500 in 1947-8. The increase is due to the increase in the basis of assessment of teaching grant from one half to two thirds of the approved net cost as explained above and also in the number of scholarship schemes to

to be provided for

4. The teaching and boarding grants recommended by the Director are absolutely essential for the proper maintenance of the institutions. This Deptt therefore recommends that a provision of Rs 1,47,100 be made for this purpose in the budget for 1948-9 as ^{indicated} in the summary at
