K.B.38-2.

Copy of Office note dated 22-12-1947 to the Council.

Revised Estimate for the year 1947-48.

The revised estimate for the current year opened with a balance of Rs.5970 as against the budgetted balance of Rs.2550. The enormous balance is due to unspent loan balance and to the savings caused on account of certain items of works not carried out during 1946-47. The receipts under Education tax and the equal subsidy granted by Government is due to the revision of assessments during the quinquennial revision and to the increase of education tax by $\frac{1}{2}\%$ of the annual value of properties from the 2nd half year of 1947-48 ordered in G.O. No. 2336 Edn., dated 1-11-1947. The total estimated receipts under ordinary account is Rs.18660 excluding the amount transferred to Capital. The Capital receipts are Rs.8160/-. The total receipts under ordinary and capital for the revised estimate are Rs.32790/- including the opening balance.

2. The expenditure for the year 1947-48 under the revised estimate has increased due to the adoption of the revised scales of pay sanctioned by the Government with effect from 1-1-1947 and to the payment of arrears of pay to teachers. A sum of Rs.7940/- under Capital account has been provided for the completion of the construction of the Ammancoilpatti street school and for the erection of a temporary thatched shed in Annavithottam School to accommodate the bifurcated class. A sum of Rs.4000/- being the unspent balance of loan for the construction of Ammancoilpatti Street School has been invested as the same is not required for immediate payment. The total expenditure for the year 1947-48 under revised estimate comes to Rs.29270/- leaving a closing balance of Rs. 3520/-.

BUDGET ESTIMATE FOR 1948-49.

The gross receipts under ordinary account is estimated to be Rs.20770/- and the expenditure being Rs.19960/-. Provision has been made in the budget for the completion of the school building at Ammancoilpatti street and for the construction of additional accommodation for the Annavithottam school at an estimated cost of Rs.4000/- on half grant basis and for the construction of a bath room for school children. As most of the children belong to the depressed and poor classes, and with a view to make them clean, provision is made for bath room. The account is closing with a nil balance in the year under report.

CONTRIBUTION FROM GENERAL ACCOUNT TO E.E. ACCOUNT:- The standard contribution is Rs.2,130. This was the contribution provided in the sanctioned E.E. budget of the Council for 1947-48. Besides this contribution, the Council was permitted to adjust a sum of Rs.2,540 to the E.E. Account from the A.T.C. sanctioned in the current year. In the R.E. for 1947-1948, no adjustment from the A.T.C. is proposed but a contribution of Rs.4,260 (double the standard contribution) from general funds is provided. With this, the E.E. Account is expected to close with a balance of Rs.3,340. This shows that the additional contribution is unnecessary. The position of the general account is not also good -- vide below. The contribution in 1947-1948 may therefore be limited to Rs.2,130. Even then the E.E. account will close with a balance of Rs.1,210 without any aid from the A.T.C.

The contribution of Rs.2130 provided in the B.E. for 1948-49 may stand. With this contribution and without appropriating any amount from the A.T.C. the E.E. Account will close with a deficit of Rs.2,130 in 1948-49. The Council may be permitted to avoid this deficit by adjusting an equal amount from the A.T.C. next year.

Revised Estimate for 1947-48. The year opened with a balance of Rs.12,203 under general account-ordinary. Revised with reference to the alterations proposed above and without taking into account, the A.T.C. the R.E. for 1947-48 will close with a balance of Rs.4,118 which is just about the prescribed minimum working balance. The capital expenditure of Rs.10,840 provided from the General Account ordinary includes a sum of Rs-1,120 for conservancy improvements. An equal amount may therefore be allowed to be adjusted to the general funds from the A.T.C. of Rs.9,751 sanctioned in the current year. The closing balance will then be Rs.5,238. The balance of the A.T.C. (Rs.8631) may be reserved
