C. Elementary Education Account.

Receipts:- The increase in 1948-49 is due to the increase in the rate of education tax from 1-4-48. Rs 26930/- in 1947-48 represents the portion of additional toll compensation adjusted to Elementary Education funds to cover the deficit in that account. There is no variation in other items.

Expenditure:- There is no change in the establishment-Provision is made for paying increments and leave allowance. There are not much variations in other items. The expenditure in the Elementary Education Account always exceeds the income in that account and there is always a recurring deficit. In 1946-47 and 1947-48 this deficit was being met from the additional toll compensation. In as much as the Government have issued instructions that this compensation will not be paid in 1948-49 no credit could be taken therefor. Unless drastic retrenchment is made it is not possible to balance the account. Hence as recommended by the Deputy Inspector of Municipal Council and Local Boards the Old Muslim and New Muslim Girls schools may be amalgamated. The two muslim Boys school may also be amalgamated as also the Georgepet and Gowthamapet schools. The Ramakapet school may either be abolished or re-converted into Boys school. Education Tax of 25% may be levied profession tax.

C. Elementary Education Account

The increase in 1948-49 is due to the increase in the of education tax from 1-4-48. The 1948-49 is 19-7-48 represents the portion of additional toll contribution assigned to Elementary Education funds to cover the deficit on that account. There is no variation in other items.

There is no change in the settlement provision as for paying in arrears and leave allowance. There are not much variations in other items. The expenditure in the Elementary Education account always exceeds the income in that account and there is always a deficit. In 1946-47 and 1947-48 this deficit was being met from the additional toll contribution. In 1948-49 as the Government have taken instructions that this contribution will not be paid in 1948-49 no credit could be taken therefore. Unless direct contribution is made it is not possible to balance the account. Hence the recommended by the Deputy Director of Technical Education and Local Boards the Old Madras and New Madras Districts may be estimated. The two Madras Districts may also be estimated as also the Government may meet schools. The Government school may be abolished or be converted into boys school. Expenditure of 20% may be levied profession tax.

8. TRANSFERS TO OTHER ACCOUNTS:- (a) ELEMENTARY EDUCATION ACCOUNT:-

The contribution agreed to in 1942-43 was Rs.4,560. In the E.E. budget for 1947-48 and in the orders sanctioning revised scales of pay to staff, a contribution of Rs.4,560 from general funds and Rs.10,281 from the A.T.C. was approved and a further contribution of Rs.2,500 either from the general funds or A.T.C. was ordered and the rate of Edn. tax was raised by 2% from 1-10-1947. The Council failed to raise the rate of Edn. tax in the current year and has provided in its R.E. for 1947-48 for a contribution of Rs.6,000 from general funds and Rs.26,930 from the A.T.C. which presumably includes the previous year's adjustment made in 1947-48 of Rs.14,530 which was wrongly adjusted to general funds. The R.E. for 1947-48 closes with a balance of Rs.294. The contribution from general funds provided in the R.E. for 1947-48 viz., Rs.6,000 may be reduced to Rs.5,700. In the B.E. for 1948-49 a contribution of Rs.17,700 is provided. This may be reduced to Rs.4,560 the usual contribution and the resulting deficit in the E.E. account may be met from the arrear toll compensation likely to be sanctioned in 1948-49. The contribution for the current year as well as in 1948-49 may be limited to the standard contrbn. of Rs.4,560. There is the A.T.C. available for avoiding the resulting deficit in the E.E. account.

But the Council has failed to give effect to these orders, and no credit has been taken for increased receipts with reference to the orders in (Z)

(ii) Govt. grant under section 37 of the E.E. Act.

(v) Provision has been made for the grant of revised scales of pay and advance increments to the E.E. staff.

(vi) The provision made under the head "Expenditure - Ordinary" is in excess of that in the sanctioned budget. The increase which is mainly due to the grant of revised scales of pay to the E.E. staff may be approved.

3. B.E. for 1948-49. (i) Education Tax. The Council has decided to give effect, to the orders in the at (Z) with effect from 1.4.48. The credit taken for increased receipts may be allowed to stand, and the amount may be added to the credit.

(iv) Provision has been made for the payment of revised scales payable to the E.E. staff.

(v) Revised with reference to the suggestions made above, the B.E. for 1968-69 is expected to close. The cl. may be asked to avoid the deficit by adjusting a like amount with a deficit of Rs. 11,350.2 from the A.T.C. grant likely to be sanctioned to it in 1968-69, as suggested by S.A.

4. No subsidy was granted to the council towards the grant of dearness allowance to the E.E. staff either in 1966-67 or in 1967-68.
