Order—No. 793, Education, dated 6th April 1948.

The educational concessions provided by this Government to children and dependents of certain types of Defence Services personnel were originally meant to be available only for Madrasis and only in the schools and colleges of this Province. They were extended in the years 1944–45, first, to those students belonging to the Central Provinces and Berar, and, thereafter, to those belonging to other Provinces and Local Administrations except Bombay, reading in the educational institutions of this Province, if they would have been eligible for similar concessions provided by the Provincial Government or Local Administration concerned and produced a certificate to that effect from the Director of Public Instruction of that Province or Local Administration, it being understood hat Madrasi students, if eligible for the concessions this Province, would be entitled to the concessions ssible in the other provinces, should they have to y on their education there.

2. The Government of India have since stated that the Indian States mentioned in the Appendix to this order are agreeable to enter into similar reciprocal arrangements with this Government and have desired that the question be examined and early orders passed in the matter. The matter has accordingly been considered by this Government; as a result, His Excellency the Governor directs that the concessions in question be granted to students, belonging to the Indian States mentioned in the Appendix to this order, reading in the educational institutions of this Province, subject to the same conditions as are laid down in the case of other Provincial Governments and Local Administrations referred to in paragraph 1 above.

Sir,

I am directed to refer to the correspondence ending with the late Department of Education, Health and Lands Letter No.F. 32-7/44-E(I), dated the 7th July 1945 regarding reciprocal arrangements between the Provinces in respect of educational concessions to the children and dependents of persons who take part in the present war and to say that it has been represented to the Government of India that similar arrangements should be made between the British India provinces and the Indian States. The proposal has been considered in consultation with the Political Department and it is suggested that children and dependents of Defence Services Personnel belonging to an Indian State and reading in a British India Province and those belonging to a British India Province reading in an Indian State should get the concessions sanctioned by the Government of that province or the Indian State for their students. This reciprocal arrangement is not likely to throw much financial burden on Provincial Governments

Sir,

With reference to your "Memorandum" dated 26th november '45 requiring me to pay the arrears of fees and special fees forgone by the government in the previous years, when I was in enjoyment of military Educational concession I beg to submit the following.

My ancestors were originally the subjects of British Malabar. My father belongs to Manchapra Village. My mother belongs to Kodikunnam village in pallipuram. My father and mother due to poverty went to stay at Mancompu near Alleppy. He was there looking after the affairs of his sister. He was there for fifteen years. He had no lands there.

I was born there. I was not naturalised there as a State Subject. There they considered me as a British subject. I was enjoying there half-fee concessions there (Granted to poor people) We were considered there as British subjects.

We were staying in Old Kalpathy village for the past

five years. We have got no lands ~~or~~ house in Travancore. For all practical purposes my house is in Old Kalpathy Village.

My brother is employed in military service as a havildar clerk. He joined in the military after we came (to Palghat) He is considered as a British subject in the army. Hi payment is the only income of the family. If the concession are not continued, I can't affo to study further. This is the only chance for me for further studies. Under these circumstances I request that I may be considered as a British subject and that the concession which I had been enjoying for the

I beg to place the following before you for your kind and sympathetic consideration.

I am a student of the senior Intermediate class, Government Victoria College Palghat enjoying fee concession for the last two years being a dependent of my uncle K. Kesavan Unni Nayar a sepoy in the Indian Army.

As per the proceedings and memorandum quoted above I am informed that, being a student from an Indian State I am no longer eligible for educational fees concession and further require me to pay up arrears of fees and special fees already foregone by the Government. In this connection I may be permitted to state I am the son of a pensioner whose pension amounts to Rs.30/- which is hardly necessary to maintain himself, my mother, and my 6 sisters. For my educational purpose I am entirely dependent on my uncle (the Sepoy referred to above) and but for the concession extended by the Government, I would not have joined the College for higher studies. I may further add that the proceedings quoted above will hit me har and I may be forced to discontinue my studies owing to my inablity to pay future instalments of fees due, much less to pay up the arrears. My family is not in such affluent circumstances as to enable me to join for College education.

15

Under the above circumstances I pray that I may be exempte from the operation of the above rule and that necessary instruct may be issued to the Principal so as to enable me to complete course without payment of future fees as well as arre

Sir,

I beg to place before you the following few facts for your kind consideration and favourable orders.

I come from a respectable but not very affluent family of Nemmara, Cochin State. I am a soldier enrolled under the Indian Army Act with liability to serve overseas in a theatre of war. I have put in more than 3 years' service in the Army.

I have a direct brother by name M.V.Radhakrishnan who passed the Cochin S.S.L.C. Examination in March 1945. Much as I had a desire to send my brother to College, I could not just do it owing to my poor financial position. All the same, I got my brother admitted to the Junior Intermediate Class of the Government Victoria College, Palghat (The College nearest to my place) since I was assured of full fee concession and book allowance to the extent of Rs. 40/-/- the student being my direct brother and a dependant on me. I beg to bring to your kind notice that my venture was at much sacrifice and privation of the comforts of the other members of the family.

In accordance with the provisions of Indian Army Order No. 298/45, I forwarded to the Principal of the said College two certificates, ~~are~~ one from my officer certifying to my terms of service and my monthly rate of pay, and the other from the District Magistrate, Cochin State, to the effect that my family position was not affluent enough to educate my brother with out the concessions. On the basis of these two certificates the Principal allowed the concession and my brother has been studying in th College for the last six months.

Now, all ~~on~~ of a sudden, a notice has been put up in the College notice board to the effect that students of Indian States are not eligible under the existing orders for Military educational concessions now granted to the dependents of soldiers in educational institutions in the Madras Presidency and that pending orders of the Government of Madras on the matter no student of an Indian State will be admitted in future to the concessions and all such concessions granted are cancelled. The Principal has also directed that the arrears of fees and special fees once already forgone by the Government should also be paid.

This has come to me as a rude shock. As submitted earlier I would not have admitted my brother to the College but for the concessions held out by the Government for dependents of serving soldiers. There was nothing in the offer of the Government denying the concessions to subjects Indian States. I am afraid that if the concessions are taken away, I will have, by necessity, to discontinue the studies of my brother and thus have an ever lingering mental affliction in me that I was responsible for wasting one of the fruitful years of my brother's life and for spoiling his career ~~even~~.

I have received a memo dated 26-11-45 from you wherein I am called upon to pay full fees hereafter and also pay up the fees foregone by the Government on the ground that I am a student of an Indian State.

I beg to state that I have committed a mistake in answer to a querry issued in October '45 that I belong to Wadakanchery (Cochin State). I did so without knowing the legal implication of the term and my correct legal status. Both my father and my mother are citizens of Palghat Taluk; my father is Ekkanath Kannan Unni of Elappulli amsom, Palghat Taluk; and M mother is a clerk in the Local Girls' High Sc with a service of nearly 20 years under the Mala

District Board which is the deciding factor in such matters, that I am a British Subject. Hence I beg to point out that I am British Subject and as such entitled to the Military Concession.

Therefore I request you to kindly rectify the mistake as it is written in answer to a querry issued in October and confirm that I am a British Subject for which act of kindness I shall ever be thankful to you.

2. The rules regarding the grant of certificates for educational concessions to the children and dependants of the Defence Services Personnel are set out in G.O. No. 610 Edn. & P.H. Dept. d 20.4.45. These rules do not say that State subjects studying in Br. India are ineligible for the concession allowed under the G.O. I do not know whether there are any other specific orders about this issued subsequently. If there are any, I request that a copy ~~of it~~ may kindly be communicated to me for my information.

3. In this particular case the certificate was granted after proper enquiry. The student Suria Narayana Das is a [redacted] and he is having Br. Subject [redacted] his permanent stay in Br. Malabar. His stay in Cochin State for a short time during the vacation was purely temporary and I think that the rules do not warrant the refusal of the military concession to him because of this temporary stay. Sir,

P 3 ante

I am directed to refer to this Department letter No.F. 32-30/45-Edn.(1), dated the 27th September, 1945, and to say that all Provincial Governments (except Bombay) and Local Administrations and the Indian States mentioned in the list attached have agreed to the proposal contained in the letter mentioned above.

The Government of Bombay wish to continue the present arrangement under which the Government of the Province/State where the applicant is domiciled will bear the cost of their concessions regardless of where the pupil receives education.

The Government of Punjab has already extended the concession of freeship up to 8th class to the children and dependents of all serving Indian Soldiers, but wish to restrict their special scholarships to children and dependents of soldiers of British Punjab domicile.

Educational Concessions to the Children and dependants of services personnel who took part in the late war - Reciprocal arrangements between Provinces and Indian States

----

Read (1) Sarvadhikariakar's communication No.G-3332/19 dated 6-2-1946.

And (2) Letter No.C2- 27501/22 dated 23-5-1947 from the Director of Public Instruction.

Order PR4- 42531/22 dated 6th June 1947

The Government of India had suggested that children and dependants of Defence Services Personnel belonging to an Indian State and reading in a British Indian Province and those belonging to a British Indian Province reading in an Indian State should get the concessions sanctioned by the Government of that Province or the Indian State for their students. They further stated that the Government of India are prepared to give educational concessions to students belonging to Indian States reading in educational institutions in the centrally Administered areas on a reciprocal basis and that all Provincial Governments (except Bombay) and Local Administrations and the Indian States mentioned in the attached list have agreed to the suggestion made above.

The Government of Bombay, it is stated, wish to continue the present arrangement under which the Government of Province/State where the applicant is domiciled will bear the cost of their concessions regardless of the place where the pupil receives education. The Punjab Government has already extended the concession of freeship up to 8th class to the children and dependants of all

serving Indian soldiers.

In view of these this Government agreed to enter into reciprocal arrangements with such of the States and Provinces which will fall in line with the scheme adumbrated by the Government of India. The Government of India have informed that the stage is now set for the implementation of the proposal and Government are therefore pleased to order that the scheme of reciprocal arrangements be put into immediate operation.

***

Please see the letter from the Govt. of India on pages 59 to 64 c.f. A scheme of reciprocity as stated above is now in force between the Madras Govt. and other Provincial Govts. except Bombay; ~~For orders whether~~ the Govt. of India's final decision that this Govt. should enter into reciprocal arrangements with the Indian States referred to in Govt. of India's letter No.F.12-8-45/R dated 16-3-47, may be accepted. ~~and be put into immediate operation.~~

para 1 on p 61 c.f.

As regards Bombay, the Govt. of India say that the present arrangement as agreed to in para 3 of G.O.No.1401Edn., dated 12-9-45 will continue. In this connection it may, however, be stated that information as to the scale of concessions that have been granted to the students of various Indian States under reference is not available in this Deptt. In the light of the informations furnished in his letter No.R.F.382-41/G.&A dated 4-7-47 by the Secretary to the Hon'ble the Resident in Mysore, it may be stated that there is no uniformity ~~between this Govt. and the Mysore State~~ in ~~granting~~ the edl. concessions to children of ~~soldiers~~ granted by the Mysore Govt & this Govt. Mysore Govt. have restricted these concessions only to the children of Military classes while Madras Govt. have extended these to their dependents also. But the Govt. of Pudukkotai have provided ~~similar~~ same concessions ~~to~~ as ~~their students~~ this Govt. The Punjab Govt. have ~~no doubt~~, extended the concessions of freeship up to the 8th class to the children and dependents of all serving Indian Soldiers but wish to restrict their Special Scholarships to children and dependents of soldiers of British Punjab domicile where as the Madras Govt. are not particular about this difference. In the circumstances a reciprocal arrangement should mean, as observed, in the case of other Provinces, that students of other Indian States studying in Madras will benefit to a larger extent than Madrasis reading elsewhere, but that is inevitable in a reciprocal arrangement so long as there is no uniformity in the standard of the concessions.

Subject:- War Educational Concessions to children and dependents of Soldiers - Grants on reciprocal basis to students belonging to Indian States.

Ⓣ I am directed to refer to your letter No. F. 13(14)-IA/48 dated the 28th June 1948, on the subject mentioned above and to state that this Government has not entered into a reciprocal arrangement with the Government of Madras in respect of grant of educational concessions to children and dependents of Soldiers who participated in the last War. The scholars of those States who have merged in this Province will automatically get the benefits allowed to the scholars of this Province. The States which have merged in this Province cannot therefore enter into receipocal arrangement with the Government of Madras in respect of the grant of educational concessions in question. The Kolhapur State from the Deccan, the Cutch State from Western India and also the States from Western India as shown in the margin forming the United States of Saurashtra Union have not yet merged in this Province. Copies of Government of Madras Education and Public Health Department order No. 793(Edn) dated the 6th April, 1948, have been forwarded to the following authorities for transmission to the authorities of the above States which have not merged in this Province:-
