No.S.B.C. 876

Dated:- 24th February 1947.

Sir,

Ref:- G.O.No.78, Finance dated 6-2-47 and G.O No.916, Finance dated 26-11-47.

I have the honour to state that with reference to my proposals for the conversion of six posts of I Grade Mechanics and Assistant Mechanics in the pre-revision scale of pay of Rs.28-55 into Head Mechanics on Rs.70-4-110 which were sanctioned in G.O.No.916 Finance dated 26-11-1947, I had overlooked the fact of the senior most Monotype Caster Attendant on the pre-revision scale of pay Rs.23-35 (Revised scale 35-65) actually employed to do the work of Head Mechanic in the Mono Casting section and that of a first grade mechanic similarly placed in the Typecasting section.

Consequently this has now to be rectified by conversion of one post of Monotype Caster Attendant on Rs.35-65 into Head Mono Mechanic on Rs.70-4-110 from 1-1-1947 and changing the designation of the post of Head Mono Mechanic already sanctioned under G.O.No.916 Finance dated 26-11-1947 into that of Head Typecasting Mechanic.

I would therefore request Government to sanction my above proposals to be given effect to from 1-1-1947.

Please see the note of Fin. above. Finance agree to
the conversion of one post of Mono Type Caster Attendant
into that on Rs. 35-65 (Revised Scale) into one of Head
Mono Mechanic as proposed by the S.G.P. and supported by
this Department. But they advise that the conversion
may be only from the date of the order instead of from
1-1-47. If in this case alone the effect is from

the date of the order, ¹⁰ The person holding this post who did the work of Head Mono Mechanic will draw the lower scale of pay (Rs. 35-65) for the period from 1-1-47 upto a date of the order, while in the other similar cases of persons who did ^{the} work of Head Mechanics and whose posts were converted from 1-1-47 into those of Head Mechanics under G.O. 916 Bdn. dated 26-11-47, the persons concerned draw the higher rate (Rs. 70-110) for this period (from 1-1-47). As this will create an anomaly and invite further representations in the matter this Dept. may press that the conversion in this case also may be from 1-1-47, as proposed by the S & P. Finance W may see again for the acceptance of the draft order below. As regards item 2 mentioned on p. 5 ante, please see the linked file below.
