SUBMITTED.

2. A copy of the letter No. 7352/47-A5, dated 10-9-1947,
 of the Special Officer, furnishing particulars regarding schools
 where there are scout units at present, and also the duties of
 the District Scout Superintendent, is submitted herewith for
 information. As the District Scout Superintendent has to super-
 vise the work both in Secondary and Elementary schools, it is
 proposed that the expenditure in connection with his appointment
 should be met both from General and Elementary Education Funds in
 equal shares.

3. The financial position of the District Board as is seen
 from the Administration Report for the year 1945-46 (Vide G.O.
 No. 1363 L.A., dated 5-8-47) is not sound. There was a deficit of
 about Rs. 94,000/- under "A. General Account - Receipt - Ordinary"
 (vide Appendix II). The Elementary Education Fund of the Board
 is also expected to close with a deficit of Rs. 3.62 lakhs at the
 end of 1947-48.

4. Nevertheless in view of the fact that Scouting has been
 neglected in this District the proposal of the Special Officer,
 for the revival of the post of the District Scout Superintendent,
 as a temporary measure for one year is recommended to Government
 for sanction.

The Government sanction the employment
by the Dist Board, Chingleput, of a District
Scout Superintendent, on ^{a pay of Rs. 65 in special} scale of pay of
Rs 65-5-100 with a fixed T.A of Rs 35/- p.m

From the D.P.I. NO. 914 G3/47- dated 20-10-47.

Sub: Establishment District Board Chingleput - Revival of the post of District Scout Superintendent.

The Govt. sanctioned the appointment of a District Scout ~~officer~~ ^{offer} (Superintendent) under the District board, Chingleput, in 1930 and the post was subsequently abolished in 1939 due to a fall in the income of the Dist. Board. The Special Officer, District Board, Chingleput, has now requested the Government's sanction ^{for} the revival of the post and the D.P.I. who was consulted in the matter, has recommended it.

2. The pay and allowances of the Dist. Scout Superintendent was originally met from the general funds of the Dist. Board. The ~~D.P.I.~~ ^{Special Officer} has now recommended that the expenditure should be debited to both the Elementary Education and General Fund accounts in equal shares in as much as the services on the District Scout Superintendent are to be utilised for the benefit of both elementary and secondary schools.
3. Though the financial position of the Dist. Board is not satisfactory, (both under the Elementary Education fund and the general accounts) the proposals to revive the post may be accepted in view of the importance ~~now~~ attached to the scout movement. The post may be sanctioned as a temporary measure for one year in the first instance.
4. The file may be sent to L.A./Fin. Department for remarks.

(The scale of pay suggested is Rs. 65-5/2-100 the pay originally sanctioned in 1937 for L.T. Assistant. The revised scale for L.T.'s is Rs. 75-145. It is not known whether the scale now proposed should be revised or whether it is intentional. The ~~S.O.~~ ^{Special Officer} may be consulted later if necessary.)

The ultimate extra cost in giving effect to the revised scales of pay to its staff ^{only} is Rs. 57,209/-. Please see the notes on H.1-2 above.

Govt. may first be requested to examine whether the E.E. fund account for 1947-8 closes with a balance or not. If it closes with a deficit, it does not appear that Finance can agree to the proposal for the appointment of the Scout Supdt. unless it be met that the expenditure is deflected wholly to the General account of the Dt. Board.

As the pay and allowances of the Scout Supdt. are to be met entirely from the General funds, the same procedure may be adopted even now, especially in view of the surplus in the Gen. Ac.

The E.E. fund account of the Dist Board Chingleput is anticipated to close with a huge deficit of Rs 3.6 lakhs ^{in 1947-48} on account of grant of DA and it may be necessary ^{for Govt.} to pay a subsidy from the Govt funds towards this deficit. It may not be ^{possible to finance} therefore possible for the Dist Board to meet the additional expenditure on account of the appointment of a scout superintendent from the E.E. fund etc. However, as the L.A. Dept have noted that the general funds is expected to close with a surplus, it seems ^{desirable} that the entire expenditure on the appointment of a scout superintendent ^{is met} from the general funds. ^{as suggested by him} The L.A.
